Mr. Chairman:

The close of each year brings to an end the official work of some of the members of the county board. With this meeting comes the retirement of our esteemed members, A. Fonda, Jos. Fenimore and R. R. Welch, therefore be it

RESOLVED, That it is fitting at this time to express our deep regret that these members will not be with us the coming year, and to testify to our appreciation of their valued services as members of this body.

Mr. Fonda has served as supervisor from the sixth district for the past four years, the last one of which he has been our honored chairman.

His work as an official has been highly commendable and as a presiding officer able and impartial.

Mr. Fenimore has represented the fourth district for four years and is recognized as a member of much ability and as an energetic, painstaking official, who is ever alert to the people's interests.

Mr. Welch has represented the second district for two years, and has been a carefnl, active and able official whose work is well done.

To these retiring members, Custer county is greatly indebted for their ability in helping to shape and conduct the affairs of county government in an economical and business like manner, and we who have been their coworkers fully appreciate their merit.

The amicable relations which have existed between the members during the past year has made the work pleasant and it is with sincere regret that we lose them as members of the county board. May their efforts in other walks of life during coming years be as full of merit and as conscientiously performed as their official work has proven during their terms as public servants of Custer County.
