Lutherans Return From Convention

EAGLE (Special)—Mrs. Martin Schildt, Mrs. Ivan Althouse, Mrs. Herbert Oberle and Nelda Oberle of Eagle attended the 10th biennial international convention of Lutheran Women's Missionary League of the Lutheran Church, Missouri Synod, at Kansas City last weekend.

About 2,500 attended the two-day convention from Canada, Hawaii, the Canal Zone, Australia and the United States.

Projects for the next year will include a $75,000 re-development program from congregations in rural Alabama; $125,000 for a mission house for furloughing missionaries in St. Louis, Mo.; $40,000 for a unit in a hospital in India and $25,000 for a foreign mission chapel fund.

The 1965 convention will be in San Diego, Calif.

Williams A. Curran, Boston University professor:

"Automobiles are outstripping even microbes and viruses as the most serious killing agents in modern society."

New Pastor of Church at W. W. Given Welcome

WEEPING WATER (Special) —A party was given on Tuesday evening for the new pastor of the Christian Church and his family, Rev. and Mrs. Lloyd Taylor, Thomas, Kathryn, Jean and Jane. There were around 70 attending.

The program was opened with a piano duet by Carol Nickels and Shirley Upton.

Cyrus Livingston welcomed the Taylor family.

Mrs. Maurice Hammons played for the group singing of "To the Work" with Mrs. Leon Bond leading the singing. Mrs. Lynn Rothe gave two readings, "Work to Do" and "My Kind of Folks". Mr. and Mrs. S. H. Harmon sang "Pause At His Feet for a Moment of Prayer" accompanied by Mrs. Hammons. The group sang, "When We All Get to Heaven". Mrs. Harmon played a piano selection. Happy Birthday was sung to Mrs. Edith Wiles and to S. H. Harmon.

Mrs. Ralph Hyde gave the Taylor family a brief history of the church. The church was built in 1920 and was dedicated on January 16, 1921. There are four charter members who are still active in the church, Mr. and Mrs. Cyrus Livingston and Mr. and Mrs. Harrison Livingston. Mr. and Mrs. Harrison Livingston were unable to be present. Mrs. Maurice Hammons told of the work that Mrs. S. H. Harmon had done in the church. She was pianist and organist for forty years and worked with the choir all of these years. Mr. and Mrs. Harmon were present when the church was dedicated but were not charter members. They placed their membership in the church soon after the dedication. The four charter members and Mr. and Mrs. Harmon were given gifts of appreciation for their many years of work in the Weeping Water Christian Church.

Ray Mayfield, Ray Ehlers, Cyrus Livingston and S. H. Harmon sang, "Rock of Ages" and "That Beautiful Land" accompanied by Mrs. Harmon.

Rev. Taylor gave a short talk and thanked everyone for the party. A shower was held for the Taylor family as a welcome gift.

The group sang, "When the Roll is Called Up Yonder" and Rev. Taylor gave the benediction.

Homemade ice cream, cake and tea were served at the close of the evening.

Inspection . . . Correction . . . Protection . . .

LINCOLN — "Inspection Plus Correction Equals Protection is the theme of National Farm Safety week beginning July 21.

People and organizations allied with agriculture are expecially urged to join in this united effort to reduce the number of farm, home and highway accidents, according to Miss Helen Becker, Extension health education specialist at the University of Nebraska.

As a reminder, Miss Becker suggests that we take time to take care.

"Be safety conscious and open-minded to safety suggestions. Most accidents need not happen and serve no desirable or constructive purpose. It's up to the individual to act safely always to protect himself and others," the University specialist comments.

Neat and orderly farm homes are safer homes. Have a safe place for everything and keep everything in its place. Eliminate unsafe practices in the kitchen and elsewhere.

"Chemicals are becoming more widely used in agriculture and about the farm home. Always read the label, use as directed, store in original containers — away from children—and locked in cabinets. Dispose of empty containers safely," Miss Becker adds.

She advises: prevent falls by resisting the temptation to hurry. Repair or discard broken, unsafe ladders. Place guards on hazardous places and have stairs and steps well lighted.

Also: maintain all farm equipment be in safe operating condition. Keep guards and safety devices in place. Always stop machines before unclogging, oiling or adjusting them. Farm equipment should be well marked with flags and properly lighted.

Courtesy is one key to traffic safety. Highlight rules of safe driving and walking on roadways. Take safety seriously — everywhere—all the time, Miss Becker concluded.

James R. Hoffa, president of the International Brotherhood of Teamsters:

"Our guys are going home with $200 a week in their pockets, and it might be better to put most of any increase we negotiate into fringes instead of wages."

NEHAWKA NEWS

Mrs. F. O. Sand — Phone 2708
