Protected by Block Signals
The first railway in America to adopt the absolute Block System in the operation of all trains was the
Chicago, Milwaukee & St. Paul Railway
It to-day has more miles of road operated under block signal rule than any other railway company. The St. Paul Road was the first railway to light its trains by electricity, and it now has more than 400 electric-lighted passenger cars in daily service. Three trains from Union Station, Omaha, to Union Station, Chicago, every day.
