FINANCE AND COMMERCE.

FINANCIAL.

NEW YORK, September 28.

MONEY.

Money—Loaned down from 8 to 4 per cent, closing at 4 per cent.

Prime Mercantile Paper—7@9 per cent per annum.

Sterling Exchange—Weak; bankers' bills, $4.82; demand, $4.86½.

Governments were unchanged, except for 4's coupons, which are ½ per cent lower.

Railroad bonds were dull and generally lower.

The stock market was feverish throughout the day and mainly weak. Prices at the close were generally ½@2¼ per cent below the closing figures yesterday—the latter Louisville & Nashville. It appears that among other influences depressing foreign exchange is the fact J. & W. Seligman have been drawing on London and Paris a sufficient amount to yield between $5,000,000 and $6,000,000, which they have paid on account of the Panama canal company (De Lesseps' scheme) to stockholders of the Panama railroad company, who, a long time ago entered into an agreement to sell their stock to the Canal company.
