OMAHA MARKETS.

Wholesale Prices.

REVIEW OF THE WEEK.

OFFICE OF THE OMAHA BEE, Saturday Evening, July 28.

Notwithstanding the fact that the strike of the telegraph operators has continued unabated during the week, the usual amount of business has been transacted in the general wholesale and commission market. Grain has suffered somewhat, however, but yesterday and to-day prices were again quoted as usual and everything seems to move on in a satisfactory manner.

Prices have fluctuated considerably on all sides, but in the main are about the same as a week ago. The general produce and fruit market is well supplied and the demand good. The only change in the market worthy of note is the decline of live stock to-day, which is as follows:

Fat steers declined 50@75c; fat cows declined 25@50c; fat hogs declined 50, and sheep declined 25c.

Cured meats, which have remained firm for some weeks will probably decline within a few days.
