FINANCE AND COMMERCE.

FINANCIAL

NEW YORK, August 5.—Money—Easy: 1½@2, closed offered 1½.

Prime Mercantile paper—5½@6½.

Sterling bills.—Steady; 4 82; demand 4 84.

Governments—Weak.

In railway bonds West Shore 5's were the feature, rising to 43 on large transactions. Its funding scheme has been adopted.

Stocks—Opened irregular except for Western Union and Pacific Mail, which were again strong and in good demand. Immediately after 11 a strong buying movement set in, which lasted well into the afternoon. Prices of many shares were the highest attained for a long time past. A notable feature was the buying of Western Union in small lots, and at one time a majority of the brokers held orders for one and two hundred shares. The strength of the stock was due to statements that the number of stockholders was steadily increasing, and that the business of the company was never larger. Pacific Mail rose on the announcement that several California capitalists had added materially to their holdings. Western Union advanced 2¾ per cent to 67¾, and Pacific Mail 1¾ to 52. The rise in these stocks was an immediate cause for improvement in the remainder of the list, the advance ranging from ½ to 3½ per cent, with Denver, the grangers, Lackawanna and Union Pacific being the most prominent. After 2 p. m. there were sales to realize profits, and prices reached ¼ to 2 per cent. At the close there was a recovery, and the market left off steady. Compared with yesterday, closing prices are ½ to 2 per cent higher.
