MONEY! MONEY!! MONEY!!!—Money to loan on chattel security by W. R. Croft, room 4, Withnell building, N. E. corner 15th and Harney. After years of experience and a careful study of the business of loaning money on personal property, I have at last perfected a system whereby the publicity usual in such cases is done away with, and I am now in a position to meet the demands of all who become temporarily embarrassed and desire to raise money quickly and quietly. Parties owing money on notes, professional gentlemen, mechanics and others in Omaha and Council Bluffs, can obtain advances from $10 to $1,000 on such security as household furniture, pianos, machinery, horses, wagons, warehouse receipts, secured notes of hand, etc., without removing same from owners residence or place of business. Also on line Waterches and Diamonds, one of the advantages I offer is that any portion of any loan can be paid at any time which will stop the interest pro rata and the borrower will at no time pay higher rates of interest. I have no brokers in connection with my office, but personally superintend all my loans. I have private offices connected with my general office so that customers do not come in contact with each other, and consequently my business is strictly private. W. R. Croft, room 4, Withnell building, N. E. corner 15th and Harney, Omaha, and 32 Pearl St., Council Bluffs. 554
