THE MARKETS.

FINANCIAL.

New York, Oct. 26.—MONEY—On call steady and in abundant supply at 1½@2 per cent.

PRIME MERCANTILE PAPER—4@5 per cent.

FOREIGN EXCHANGE BILLS—Dull at $4.83½; demand, $4.85½.

GOVERNMENTS—Dull and strong.

STOCKS—Stocks show a decrease in activity day by day. The market opened strong, but became vacillating until near the close, when the more active stocks were suddenly rushed up ½ to ¾ per cent, and the market closed seemingly strong at the best prices of the day for nearly all of the active list. Only two stocks can be said to have been active—St. Paul and Lake Shore. Extreme fluctuations were within a range of 1½ per cent, and closing prices this evening are from ½ to 1½ per cent higher than final figures yesterday. It was generally understood this morning that a raid was to be made on St. Paul, but large sustaining orders came from Chicago and the stock was not allowed to sell below 85, at which it opened. Late in the day it was advanced to 86¾, and closed at that price, a gain over yesterday of 1½ per cent.

OMAHA LIVE STOCK.

UNION STOCK YARDS, S. OMAHA,
Tuesday Evening, Oct. 27.

The live stock market exhibited renewed activity to-day. In spite of the disagreeable weather a fair number of buyers were present and considerable stock changed hands. The receipts were small but there were enough cattle left over from the previous day to nearly fill the yards. While there was a fair demand for feeders it is not up to what it was last week. Buyers claim that they have been selling too high and are holding off for lower prices. The market on feeders to-day was a little firmer. Butchers' stock is in fair demand, but the market capacity is limited. Before the market had fairly opened a few loads of hogs were sold at an advance of about 10c above yesterday's market. When eastern advices were received it declined at once and remained weak throughout the day.
