CHICAGO GRAIN MARKET.

CHICAGO, May 28.—[Special Telegram.]—WHEAT—More ground was lost to-day. Prices have left but few bulls on the floor, and in the face of the steady decline, they are by no means a noisy set. Cudahy is said to have been responsible for the break to-day. His sales during the morning were probably over 200,000 bushels. This has released about $5,000,000 Chicago money, which, the story goes, has been carrying some 25,000,000 bushels of wheat while engaged in looking around for an investment of a profitable nature. The dumping of this load sends prices down to 74¾c for July, from about 75c early in the day. Hutch & Hamillbrine were leading sellers, while the principal buying was against puts. After 10 o'clock Cudahy came in and tore up the pit. It is related that he was apparently ranged with buyers later for a turn. The latter part of the session was very weak and active with the indicator kept whirling around to record the steadily declining market. July touched 74c at 12:30 o'clock under some very heavy selling by crowds generally. Towards 1 o'clock fluctuations were between 74@74¼c. The close was unsettled and weak. A singular incident in to-day's market, and one that has probably never before happened in the history of the board, was a wheat sale in each of the twelve options of the year. First prices were as follows: May, 72⅝c; June, 73⅝c; July, 75⅛c; August, 76⅛c; September, 76⅝c; October, 77⅛c; November, 78; December, 78¾c; January, 79c; February, 79¼c; March, 79⅝c; April, 79¾c.

CORN—Corn was depressed by the bright weather, larger receipts and estimates of a heavier run to-morrow and lower prices at New York. These factors brought out free offerings from longs, and caused a ¼c decline. Shorts bought on the break and gave the market a moderate support. Shippers did not take hold very freely. June sold at 35⅛@35⅜c, and closed at 1 o'clock at 35⅛@35¼c. July closed at 36¼@36⅜c.

PROVISIONS—Provisions were fairly active, and considering the drop in the prices of wheat and the liberal receipts of hogs, the market ruled pretty steady. Closing prices, as compared with those at 1 o'clock yesterday, show a decline of 12½c on mess pork and an advance of 2½c on lard.

2:30 p. m.—Shorts were active buyers this afternoon, and wheat rallied ⅝c. Trading was very lively for the first half of the session, but prices did not fluctuate much during the last half. Corn was firm and provisions showed a rather better tone.

2:40 p. m.—Puts on July wheat, 74⅛@74¼c; calls, 75⅛@75¼.

CHICAGO LIVE STOCK.

CHICAGO, May 28.—[Special Telegram.]—CATTLE—Prices to-day were improved; in fact, some rough cattle held from yesterday did not fetch quite what was bid then on them, but the improvement in market to-day consisted in the fact that it was steady, and on yesterday it was dull and declining. Receipts of cattle to-day were about 1,000 lighter than on last Friday. The point is that many cattle that were due here to-day were stopped by wire and delayed a day or two, because nearly everybody decided yesterday that we should have too many cattle to-day. This accounts for lighter receipts to-day. There was a large volume of business done. Some 1438 to 1589 lb cattle sold to exporters at $5.10@$5.60. Some 1543 lb Colorado cattle sold at $5.25, while some 1237 lb natives sold at the same price. Some 1335@1440 lb shipping cattle sold at $4.75@4.90. Some 1216 lb Wyoming meal-fed steers sold at $4.80, with 1022 lb cows at $4.25. A lot of 1026 lb slopped steers sold at $4.60, and some 945 lb corn-fed cows sold at $3.60. Two carloads of Nebraska 1194 lbs, at $5.25.

Hogs—The market was active, strong and steady at the opening, but rather slow and weak at the closing, salesmen generally quoting values about 5c lower at the finish than at the start. The bulk of mixed sold around about $4.10; of assorted and straight heavy, $4.15@4.20. Light sold at $4.00@4.20.

OMAHA LIVE STOCK.

Friday Evening, May 28.

CATTLE—The market was very quiet, the receipts of good choice cattle being light and hardly enough to make a market. Values remain about the same as yesterday.

HOGS—The receipts continue liberal and the demand good. In spite of the fact that the receipts have been unusually heavy thus far this week, everything has been sold, and to-day when the market closed there was not a hog in the pens. The market to-day was about steady with yesterday. Choice light and medium weight hogs are bringing the best prices, while coarse heavy hogs do not go so well.

SHEEP—The market is very quiet, and even good grades are slow sale.

OMAHA WHOLESALE MARKETS.

General Markets.

Friday Evening, May 28.

EGGS—The receipts have been very liberal the past week and in excess of the week before. There has been a tendency among commission men to keep the market up, but the heavy receipts and surplus stocks have forced it down. At the present time the market here is higher in proportion than in any other large market. Chicago is only quoting at 6½@6½c. Dealers are already beginning to candle their eggs, as the weather is becoming warmer, and country shippers would do well to do the same, to avoid paying express on spoiled eggs. Quoted at 8c.

BUTTER—The receipts are heavy and stocks are accumulating. The wants of the local trade are extremely light and it is difficult to find an outlet for the receipts. It is no easy matter to give an intelligent quotation, for the reason that commission men are forced to sell a large per cent of the receipts for what it will bring, irrespective of quality, and shippers must not anticipate top prices on all consignments of choice butter, as only a very small proportion will bring these prices. Choice fresh grass butter, 7@10c; inferior, 4@6c; creamery, 13@15c.

CHEESE—Fancy full cream cheddars, new make, 11c; flats, 12c; young America, 12½c; first quality Swiss cheese 15c; second quality, 12½@14c, Limburger, 11@12c; skim flats, 9@10c.

POULTRY—While the receipts of old fowls are not heavy, they are fully equal to the demand, on account of local farmers bringing in so many when they sell direct to the city retail trade. The market is not quite so strong as last week on old fowls. A few spring chickens have been received the past week, which sold readily at quotations. Old fowls, per dozen, $2.75@3.25; spring chickens, per dozen, $3.50@4.00.

PRESERVES, JELLIES, ETC.—Preserves, all kinds, 20-lb. pails per lb. 10c; do in pail lots, per lb. 9½c; assorted 5-lb. pails per crate, 6 pails, $3.75. Jellies, all kinds, first grade, 20-lb. pails, per lb. 8c; assorted, first grade, 5-lb. pails, per crate, 6 pails, $3.50; do 1-lb. pails, per case, 2 doz. $2.25; do, tumblers, per case, 2 doz., $1.40. Jelly, all kinds, second grade, 30-lb. pails, per lb. 5c.

PIGS' FEET, TRIPE, ETC—Pigs' feet, per ½ bbl, $4.00; do, ¼ bbl. $2.00; do, per kit, 90c. Lambs' tongues, per ½ bbl, $3.25; do, per kit, $2.50; do, quart jars per doz, $5.25; do, pint jars per case, 2 doz, $6.75. Tripe, per ½ bbl $4.00; do per ¼ bbl, $2.00; do, per kit 90c.

COMB HONEY—California, 15c; strained, 10c; Nebraska, 10c.

MAPLE SUGAR—Bricks, per lb, 12½c; pencakes, per lb., 15c.

CRANBERRIES—There is very little demand and there is not much stock being sold. Dealers are clearing up their stocks as best they can. Quotations are $5.50@6.00 per bbl. Jersey are selling at $2.00 per bush box.

COCOANUTS—Per 100, $5.00; less than 100, $5.50.

NEW FIGS, DATES, ETC.—Layer figs, 8 and 10-lb boxes, per lb, 16c. Dates, fancy Fard, 12-lb boxes, per lb, 14c; Persian, 50-lb boxes, per lb, 10c. Prunelles, 30-lb boxes, per lb, 18c.

PROVISIONS—Ham, 10c; breakfast bacon 8@9½c; clear side bacon, 7@7½c; dry salt sides, 6 20½c; short rib sides, 6½c; shoulders, 5c; mess pork, $12.50 per bbl; dried beef, ham pieces, 13c; lard, tierces, 5½@6c; 50 lb cans, 6@6½c; 70 lb cans (Fairbanks), 6@6½c; 5 lb cans, do, 6@6½c; 3 lb cans, do., 6@6½c; boneless ham, 10c.

NEW VEGETABLES—California cabbage, per lb, 3@3½c; southern cauliflower, per doz, 75c@$1.50; home-grown asparagus, per dozen bunches, 35@40c; spinach, per bu, 30@40c; green onions, per doz, 15@20c; radishes, per doz, 15@20c; lettuce, per doz, 30c; plepiant, per lb, 1c; peas, per ½-bu box, 75c; ⅔-bush box, $1.50@1.75; Bermuda onions, per box, $3.50.

POTATOES—There is no improvement in the market noticeable since last week. There is an occasional sale of a few sacks to some retail dealer who may have run short, or to peddlers, but there is no sale worth mentioning. It makes no difference how low they are quoted, there is no sale of any account. One car of inferior stock was sold on track this week for $50, the freight charges being $45. New potatoes which are being shipped in from the south and west and Salt Lake potatoes, help to lessen the demand for old stock. Salt Lake potatoes are quoted at 50@75c.

BEANS—The market is very quiet and there is very little stock moving. Inferior stocks, 75c@1.00; good clean country, $1.25@1.50; medium hand-picked, $1.30@1.40; hand-picked navy, $1.40@1.60.

STRAWBERRIES—The receipts are heavy, 150 to 475 stands being received daily, besides cases. Shipping stock, choice, per case, $2.00; soft stock, per case, 75c@$1.00; St. Louis home-grown, stands, 4 drawers, best, $5.00.

LEMONS—Heavy shipments have been received in New York city, but as stocks are reported light throughout the country no decline is anticipated, but rather firmer prices, as the warm weather increases the demand. Fancy Messina, per box, $5.75@7.00; choice, per box, $5.50@6.75.

ORANGES—With the present light receipts stocks would move fast, but the receipts of summer fruits has lessened the demand to some extent. Los Angeles are quoted in California at just twice the price of two months ago. Prices here are the same as last week.
