Displayed on our third floor. We have made special preparations to do an increased business for the coming season, and have spared neither time nor money in gathering together complete lines in all grades from a royal Axminster to an ingrain. We would call your special attention to the finer grades of carpetings, which we are showing largely in excess of all former seasons. We make special efforts to excell in the fitting and laying of fine carpets and guarantee satisfaction in every case.

Intending purchasers would do well to inspect our stock now, before the spring rush commences, as the stock is now unbroken and many of the choicest designs now to be had, may be difficult to secure as the season advances.
