AN OPEN Secret—Those lots in Thirteenth street addition are the best investment in the city. Why I never heard of it before. Well, it is located on South Thirteenth street, at junction of N street, in South Omaha. That places it along the B. & M. track. So it does and as the B. & M. people have agreed to build new depots there this season there will soon follow stores, shops, hotels and all other kinds of business, and then again it is highly probable a new railroad bridge will go near there, as several soundings have already been made at the river, only a short distance away. Why it looks like a new town, so to speak, would at once spring up there. So it will. I would go and buy some lots there, but I am short of money. Well, the agent says he will trade them for other good property. If he will do that I will at once look him up. You will find him at 407 Sheely Block. Inquire for Carse. 826-21
