THE OMAHA SUNDAY BEE.

A NEW AFRICAN STORY.

"The Wizard,"

By RIDER HAGGARD.

It Began August 2d and Will Run 12 Weeks.

IN this story Mr. Haggard relates the terrible experiences of the Reverend Thomas Owen, who, persuaded that Faith, if strong enough, could accomplish all things even to the performance of miracles, gave up a comfortable living in the Church of England to practice his preaching among the Children of Fire.

He went knowing that this savage African tribe, under the spell of the Wizard Hokosa, had put to death the last "White Messenger" because he could not prove his religion by raising from the dead his companion whom they had slain before his very eyes. This he learned through a third missionary whom they sent back to his people with this message:

"Tell them that having proved you to be liars they dealt with you as all honest men seek that all liars should be dealt with. Tell them that they desire to hear more of this matter, and if one can be sent to them who has no false tongue, who in all things fulfills the promises of his lips, that they will harken to him and treat him well; but that for such as you they keep a spear."

It was this challenge that the Reverend Thomas Owen accepted; and in this serial is told the wonderful story of his single-handed conflict with the Children of Fire and his almost miraculous success in baffling their prophets and confounding their Wizardry—converting first the king and then the great body of his people; among others his son and rightful heir to the throne.

UTAH SUPPORTS THE EXPOSITION.

Salt Lake Citizens Give Omaha Delegates an Enthusiastic Welcome.

SALT LAKE, Aug. 13.—(Special Telegram.)—The Omaha council and Transmississippi Exposition delegation were shown the beauties of charming Salt Lake today and this evening a special meeting of the Salt Lake city council was called for the purpose of giving the representatives of the exposition and council an opportunity to present to the citizens details of the proposed exposition at Omaha. Remarks were made by Hascall, Wiley and Taylor on behalf of the 2exposition and Councilmen Newell, Diehl and Dale responded, pledging their hearty support in behalf of Utah citizens for a liberal appropriation for the Utah exhibit, Mr. Dale stating that Utah had appropriated $50,000 for the World's fair and should appropriate at least $75,000 for the Transmississippi exhibit. Citizens here have entertained the committee royally and on every hand have given assurances of the most cordial co-operation. The party leaves in the morning for Ogden, where a short stop will be made to meet the people of that city.

RACING AT NATIONAL MEET

Opening Day at Fountain Ferry Park Sees a Great Crowd.

BIG FIELDS BUT ONLY ORDINARY TIME

Long List of Events Run Off Without Hitch or Sensation—Combine Against Bald Holds Good.

LOUISVILLE, Ky., Aug. 13.—Tom Cooper at Fountain Ferry park today won the two-mile national championship race for amateurs and professionals in 4:26 2-5—just two-fifths of a second slower than the time in which he won the two-mile championship last year at Asbury park, defeating Arthur Gardiner. Today his competitors were: Bald, Nat Butler, McDonald, Gardiner, Ziegler, Bliss, Eaton and Ackers. This race, aside from the mile open professional, was the principal event of the opening day of the League of American Wheelmen national racing meet.

The weather was not unpleasantly warm, and this fact, together with the high class card, brought out a crowd of about 5,000 people. Local interest centered in the two state championships, the quarter and half mile, both of which went to Carl Thome, a Louisville boy, who has come into prominence this season. C. C. Ingraham of Dixon, Ill., outclassed his fields in the other amateur events, the two-mile handicap and the half mile open, winning both with ease. The battle of the giants came in the mile open professional. The only prominent men who failed to qualify in the trial heats, which were run in the morning, were Arthur Gardiner, Fred Loughed, J. P. Bliss and A. D. Kennedy. The men began to string out as soon as the pistol was fired, Bald in fifth place, Sanger and Butler well back. There was scarcely any change until Sanger started on his run from ninth place on the back stretch of the first lap. The others were slow in making their sprint, Bald missing the opportunity to tack on as Sanger passed him. As they bunched at the head of the stretch, Tom Butler set a hot pace for Sanger, but Bald was pocketed. Sanger had made his start too early, and was not equal to the pace at which Butler came home. The latter landed the money, a comparatively easy winner, Bald finishing in his pocket at fourth.

"Scratch" did not figure in the mile handicap for professionals. It was another scalp for the Butlers, Nat, with a thirty-yard handicap, winning in a close finish from A. D. Kennedy of Chicago, who started from the fifteen-yard mark.

In the two-mile national championship Cooper had the pole. The pacing was done by Staver and Winsett on singles. Cooper caught the pacemaker, within fifty yards and Bald was at his rear wheel, while "Pinkey" Bliss filed into third place. The others strung in Indian file. Thus they pedalled for five laps. At the last quarter Eaton made his sprint from last place, Nat Butler tacking onto him as he passed. These two challenged the leaders at the head of the stretch, but the great pair had the race well in hand. It was a battle between Cooper and Bald to the tape, Bliss clinging to third place like grim death. Cooper started in upon such a spurt as he has seldom been called upon to make, doing the last twelfth in 0:07 4-5. This won the race for him, and with it the first national championship medal awarded at the meet.

Johnny Johnson took his usual shy at the records, but he is too fat to accomplish any of his old-time feats. He made a half mile behind a triplet in 0:53 4-5. A. J. Nicolet rode his "giraffe" a quarter in 0:33 3-5, to the amusement of the crowds. Two record attempts were made by triplets, the best performance being a mile in 1:52 2-5 by a local team. Results:

Cricket.

The game on the grounds of the Omaha Cricket club on Saturday will be the game which was originally scheduled for last week, viz. married against single, but was postponed on account of lack of attendance of players, due no doubt to the excessive heat. It is to be hoped all club members will endeavor to be up and so insure a good game. Up to date the married and single men of the club have won one game each and this will be the deciding one. On paper the married men seem to be very superior to the bachelors, but the latter will be there at the finish. The teams are:

Married—P. Potter (captain), Lawrie, G. Vaughan, J. Francis, Hilditch, Cameron, Douglas, Simms, Botting, Richelieu, Hall, Sprague, Dr. Young, Colvin.

Single—D. Brotchie (captain), Taylor, R. Young, C. H. Young, Cookson, New, W. Vaughan, C. Hill, Greenup, Craig, Barber, F. Francis, Heth, Atcheson, Williams.

Stumps will be pitched at 2:30 sharp.
