Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists.

If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If afflicted with any actual disease, one may be commended to the most skillful physicians, but if in need of a laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.

South Omaha News.

It is quite possible that the people of South Omaha will be called upon to vote upon a bond proposition at the spring election. The scheme now is to vote bonds to the amount of $10,000 for the purpose of erecting a city hall, police station and fire hall. Those who favor the plan assert that a saving of $614 a year could be made if the city owned a building for public purposes. Here are the amounts paid at present for rent, etc.: City offices, rent per year, $1,044; No. 1 fire hall, $420; janitor service, one year, $96; light for city offices, police court and fire hall No. 1 for one year, $624; fuel, fire hall No. 1, $100; total, $2,284. On the other hand, it is figured that the interest on $10,000 at 6 per cent would be $600 a year; janitor service, $120; fuel, $300; water, $100; insurance, $40; lights, $350; repairs, $100; making a total of $1,610. A saving would be made by having the Fire and Police departments in the same building, which would, of course, be heated by steam, something on lighting could also be saved, it is thought.

Out of the $10,000 borrowed $2,000, it is estimated, would go for the purchase of a lot and the balance for the erection of a two-story building. It is asserted by those interested that a very respectable looking and durable structure could be built for $8,000. To raise this money an issue of $10,000 bonds payable in from one to ten years could be made.

CITY FUNDS ARE RUNNING LOW.

Prospect of an Overlap at the End of the Fiscal Year.

City Clerk Carpenter has issued a statement showing the amount of money in the different funds on November 30. These balances, however, do not include the November bills which were allowed at the last meeting of the council: Amount of 1896 levy, $75,597; expended up to November 30, $49,457; balance, $26,140. The balances in the funds are as follows: Interest, $7,737; police, $4,630; fire and water, $1,527; public light, $3,814; salary, $4,445; engineer, $959; street repair, $289; general, $1,882; emergency, $95.

Deducting the November bills will reduce these theoretical balances several thousand dollars. It will be readily seen that over two-thirds of the entire levy for the fiscal year has been expended with only four months of the fiscal year gone. That there will be an overlap at the end of the fiscal year there is no doubt, although it was thought at the time the 50-mill levy was made that the amount derived would run the city to the end of the fiscal year without any overlap to speak of.

BOY KILLED BY THE FAST MAIL.

Was Playing on the Track When the Accident Happened.

William Hunter, a boy about 8 years of age, who lives at Albright, was struck by the fast mail train on the Union Pacific road yesterday afternoon and fatally injured. Immediately after the accident he was taken to the South Omaha hospital, where he died. No hope was entertained of his recovery from the first, as the little fellow's head was crushed. He was playing on the track at the time the accident happened.

County Will Furnish Coal.

W. B. Vansant of the council committee on charity has made an arrangement with County Commissioner Hoctor whereby the county will furnish coal to deserving persons, thus taking that much of a load off the city. One applicant who appeared willing to work was given an order on the street commissioner yesterday for two days' work at $1.75 per day. Vansant says that many of the men who apply to him for provisions spend the most of their time loitering in saloons and then go home at night and represent to their wives that they have been looking for work all day. He has had a number of cases looked up and while he does not propose to see the wives and children of such men suffer for want of food or fuel, he will insist that the men work for what they get.

Money for the Postoffice Site.

Word has been received from Washington that the government will probably pay the purchase money for the postoffice site within the next two weeks. The delay has been caused, it is explained, by some suits having been commenced against the property in question. United States District Attorney Sawyer states that the selection of the site by the government had been made prior to the commencement of the suits. The rights of the government in the matter having been settled, it is expected that no further delays will ensue.

SWIFT'S SPECIFIC

is far ahead of any blood remedy on the market, for it does so much more. Besides removing impurities, and toning up the run-down system, it cures any blood disease, it matters not how deep-seated or obstinate, which other so-called blood remedies fail to reach. It is a real blood remedy for real blood diseases.

Mr. Asa Smith, of Greencastle, Ind., writes: "I had such a bad case of Sciatic Rheumatism that I became absolutely helpless—unable to take my food or handle myself in any way. I took many patent medicines, but they did not reach my trouble. One dozen bottles of S. S. S. cured me sound and well, and I now weigh 170."
