OUT OF THE ORDINARY.

The highest mine in the world is a tin mine at Oruro, Bolivia, 14,000 feet above the sea.

John Davey of Akron, O., has offered the city of Cleveland, O., 1,000 young elms to assist in beautifying the city's streets.

The kaiser has presented one of the bronze cannon captured in Pekin to Count Von Waldersee. The gun, which is 250 years old, was used by the Chinese in their siege of the foreign legations.

A New York shoemaker makes prominent display of "Prince Henry riding boots," which he offers at $35 a pair, including spurs. The boots are of patent leather, machine stitched around the top in reddish brown.

Land on lower Broadway, New York City, sold the other day at the rate of about $9,000,000 an acre; yet it isn't so very long ago that one of the Goelets pastured his cow on land located on lower Broadway.

General Eugene Griffin has in his possession the American flag made by the sailors in Lieutenant Gilmore's party out of patches and stripes of their clothing, after their rescue from the insurgents in the wildest part of Luzon.

Captain William Driver, a Salem (Mass.) skipper, is credited with the bestowal of the name "Old Glory" to the Stars and Stripes. It was in 1831, and the flag to which he gave the name was carried by the brig Charles Doggett all around the world, and is now on exhibition at the Essex institute, Salem.

Kramer, Washington county, Pa., is named after Joseph Kramer, who owns the entire village, operates all its business establishments and owns the stage coaches which are the only means of communicating with the outer world. Mr. Kramer has never been outside of Washington county.

When Mr. Burroughs of Gilmantown, N. H., was 20 years of age he deposited $470 in the New Hampshire Savings bank at Concord. He died some five weeks ago at the age of 95 years. During his lifetime he had drawn $2,200 from the $470 deposit and now there remains $1,500 still to his credit in the bank. How long would a man have to live to beat the bank at this rate?

The ancient town of York, Me., reaches its 250th anniversary this year, and contemplates celebrating it appropriately. There is only one other town in the state older than it. This is Kittery, the site of the United States navy yard. Kittery was settled in 1623 and incorporated in 1647. It is said there is no other town of the name in the world, and the origin of the name is not known.

Edward Tuck, the wealthy Bostonian who has decided to defray the entire cost of erecting a free American hospital in Paris, had been known previously as a philanthropist. Among his benefactions were gifts to Dartmouth college amounting to $400,000. Mr. Tuck, who is silent partner in a banking firm of Paris, has lived in the French capital for a number of years. Dr. Maguin, an American physician well known in Paris, will be director of the hospital, which is expected to be ready for occupancy in 1904.

The State Board of Horticulture of Montana will inaugurate and carry on relentlessly a crusade against the codling moth in the orchards of Missoula county, which the pest has invaded to an alarming extent. Six large spraying pumps will be set to work, and 2,000 pounds of paris green will be purchased and dispensed under the direction of the board. Three sprayings will be given, the first one in May, when the blossoms fall, and two following at intervals of ten days.

Still Keeps It Up.

"During a period of poor health some time ago I got a trial bottle of DeWitt's Little Early Risers," says Justice of the Peace Adam Shook of New Lisbon, Ind. "I took them and they did me so much good I have used them ever since." Safe, reliable and gentle, DeWitt's Little Early Risers neither gripe nor distress, but stimulate the liver and promote regular and easy action of the bowels.
