QUICK IS THE WHOLE THING

Proves Himself Splendid Cold Day Pitcher and Prince of Batters.

DES MOINES LETS LAST ONE GO EASILY

Leifield Touched in Timely Manner and Poorly Supported, Enabling the Rourke Family to Score Frequently.

Beauty was out in force Thursday to see Omaha take the last game of the series from Des Moines by the score of 8 to 2, but it was too cold for chivalry and he stayed at home. The grandstand was well filled with women who braved the boreal blasts, and there was a fair sprinkling of men in the bleachers, in fact, quite a sprinkling when one considers that one took one's life in his hands who sat through the game. Pa knows who is the women's favorite and trotted out Eddie Quick to do the slab work, and he did it, too, for up to the seventh inning he had allowed but two hits and had passed none to first.

Fiske started in the game, but in the first inning had his index finger broken by a ball thrown by Leifield to catch Buck Thiel napping at second. It was broken at the first joint and Fiske was sent to the city to have medical attention, Ganley going to third, Hoggie to short and Towne being assigned to the right garden.

It was Eddie Quick's day and he made the top notchers look like a bunch of amateurs. Thiel still continues to make runs without hitting the ball and although his average was but .091 last Sunday and has grown worse ever since, he leads all the other players in run getting. Two runs were made by him in yesterday's game without a hit. In the first inning he walked and was sacrificed to second by the South Carolina sleuth, and after Welch had knocked an easy one to the pitcher he was brought home by Dolan's single.

Quick Turns Slugger.

With one hit and aided by dumb playing on the part of Des Moines in the third Omaha scored two more. Quick started off with a triple. He told the bunch he was going to make it before he went to bat. In fact, he said that they needed a hitter to bring up the team average, so he got a triple. The next time up he broke his life record and made the second hit in one game, and, wonder of wonders, when he came to bat in the sixth inning he made another hit. Three hits and all in one day. He will have something to write the folks about.

After Eddie's triple Thiel was given a base on one of Wakefield's numerous errors and Quick came home. Carter again sacrificed Thiel to second and the latter stole third, after Welch had knocked the ball to Hoggie, who stood like a dummy and did not catch either Welch or Thiel. Wakefield threw wild to catch Welch at second and Thiel scored.

Des Moines scored two in the seventh on an error by Carter and three hits. Carter dropped Hoggie's popup just back of second and Frisbee singled, his third hit of the day. Rossman hit the ball to Thomas and Caffyn singled. Steele got in an opportune double, scoring Hoggie and Frisbee, but Buck Thiel got the ball to the plate in time to catch Caffyn, and that was all that Des Moines could do with Mr. Quick.

Omaha's Excellent Base Running.

Omaha has stolen sixteen bases in the present series with Des Moines, and it is this ginger and daring which has won the last three games for her as much as any other one thing. The Champions made two more in the fifth and two in the sixth. Wakefield's error and hits by Quick and Dolan were responsible for the runs in the fifth and a base on balls to Martin, a triple by Freese and a single by Quick scored the two in the sixth.

Today the Mountaineers from Denver will come to town and the fun will be resumed at the Vinton street lot at the same hour. Score:

Denver for Four Games.

Denver will be in Omaha Friday for the first game away from home since the opening of the season, and as the local team was able to do pretty well with this bunch of mountaineers on the Denver grounds, they ought to do as well at home. All of Rourkes' pitchers are in the best of condition and the exhibition games did not leave any of them with sore shoulders as last spring did. Burke thinks that his team is also rounding to form, and as Denver always was the real opponents of the Omaha team, the games will be worth while. The Denver team will be here until Monday, which is ladies' day. The lineup:

CREIGHTON TEAM IS SHUT OUT

Locals Get No Hit or Run Off Wesleyan.

Creighton university met defeat yesterday at the hands of Nebraska Wesleyan university by the score of 3 to 0. A gale sweeping the university field rendered the day a most unfavorable one for fast play. Creighton was unable to connect safely with Nichols' puzzlers. Not a single hit was made off him. For the first three innings McCormick pitched for Creighton, allowing but one hit. Kehoe did the twirling the remainder of the game. No score was made until the sixth inning. Nichols went to bat and got first base on a third strike passed by Creighton. B. Greenslit got a safe one. Then one of the other Greenslit boys was thrown out at first, but on a hit by Hammond and Garvey's error Nichols and B. Greenslit scored. White flew out to Mullen, and Lowell was tardy in reaching first. Nothing doing in the line of scores until the ninth, when Lowell sent the sphere sailing out into the middle garden and took three on it, and made the final score on L. Greenslit's hit. Score:

LARGE CROWD AT STATE SHOOT

Officers Elected and Next Meeting Voted to Lincoln.

HASTINGS, Neb., May 11.—(Special Telegram.)—The second day's events of the Nebraska state shooting tournament were witnessed by a large crowd of enthusiastic sportsmen from various parts of the state. The weather was somewhat disagreeable throughout the forenoon, as a heavy mist was on, but by 1 o'clock the sun came out and put ginger into the contestants. The three high in the professional class were: William Herr of Concordia, Kan., 188; Charles Plank of Deaver, 186; Walter Huff of Macon, Ga., 185. The high amateurs were Adolph Oleson of Holdrege, 185; Harry Taylor of Meckling, S. D., 183; Dick Lindgren of Lindsay, 182. The shoot for the Denver Post trophy cup was postponed until tomorrow.

At the business session tonight officers for the ensuing year were elected as follows: President, George L. Carter of Lincoln; vice president, Charles A. Thorp of Geneva; secretary, F. E. Mackett of Lincoln.

The next annual meeting will be held at Lincoln. The dates will be fixed by the officers later. A resolution was adopted instructing the Nebraska senators and congressmen to support the bill which empowers the Department of Agriculture to fix the open season for the killing of migratory birds throughout the United States.

A resolution was passed which expressed thanks to the officers of the association and the people of Hastings who assisted in making the meet such a great success. The administration of State Game Warden George L. Carter was endorsed and Governor Mickey was congratulated upon his reappointment for the second term.

ENFORCING RULES OF BIG NINE

Nebraska and Other Colleges Must Meet Conditions.

CHICAGO, May 11.—(Special Telegram.)—The western intercollegiate conference committee met here today and made several changes for the meet of June 3. It was decided among other things that the preliminary competition in two of the events should take place Friday, June 2, in order that the long drawn out contests might not prolong the meet. The two events are the quarter-mile run and the pole vault. The preliminary heats in the quarter-mile race will weed out many aspirants and the committee decided that nine men will be left to compete in the Saturday conference. In the pole vault all who clear the bar at ten feet six inches shall be eligible to the meet. Action was also taken in regard to the entries of Nebraska, Drake, Ames and Northwestern colleges. If it is found that any of these colleges are not conforming to the rules of the "big nine" their entries will be rejected.

Weather Hampers Athletes.

IOWA CITY, May 11.—Bad weather is seriously interfering with the work of the track team previous to the Iowa-Ames dual meet, which will be held Saturday. Preparations are being made to entertain the largest crowd in the history of the university. Ames will bring 500 rooters on a special train and the college band. While the State university hopes to win, great doubt is expressed here that it will be able to do so. Ames is believed to have the strongest team in the state this year, as preliminary meets seem to show.

DENVER, May 11.—By resolutions adopted today the American Stock Growers' association pledged itself "to work in harmony with all live stock associations, whether local, state or national." J. F. Hagenbarth, president of the National Live Stock association, sought to have the committee on resolutions report a resolution pledging the American association "to hearty co-operation in the work projected by the national association."

This was opposed by the Texas members of the committee and a compromise was finally reached by striking out the name of the National Live Stock association and pledging the American association to work in harmony with all live stock associations, local, state or national, "to bring about reforms so essential to the prosperity of the agricultural and live stock interests."

Resolutions were adopted also thanking President Roosevelt "for his fight for equal rights to all at the hands of the railroads," declaring that the present railroad law is inadequate "and should be strengthened by giving to the Interstate Commerce commission power to substitute just, fair and reasonable rates for those which it may find on investigation to be unjust or unreasonable"; condemning the private car line systems controlled by the packers; asking repeal of laws requiring unloading of live stock in transit; opposing the tonnage system in transportation of live stock and asking for a minimum speed of twenty miles an hour for stock trains; and demanding "that the senate of the United States shall cease obstructing the application of that great principle, reciprocity, which we regard as essential to extend our foreign markets for agricultural and live stock products."

They may not all be "as good as ever," but the base ball fan does not sizzle on the bleachers who will not admit that it would take a pretty warm combination of players to beat this team: Pitchers, Young and Nichols; catchers, McGuire and Farrell; first base, Beckley; second base, Gleason; third base, L. Cross; shortstop, Corcoran; left field, Burkett; Center field, Duffy; right field, Donovan. Now let Dr. Osler do his worst.

MEN

Who are being carried to the doom of their manhood by silently suffering from physical weakness, and loss of sexual vigor. Your nervous system is being depleted and your mind weakened and impaired.
