A Bit of History. The Chicago & North Western railroad company has just issued a book giving a list of the towns on its line of road together with a history of the origin of the names of each place. Below will be found a list of the towns in Dakota county situated on the line of road, and the origin of the names as given in the publication;

-Two pretty good things about this good bank. "The Bank that ALWAYS treats you BIGHT" celebrated its 22nd birthday Tuesday. A long, happy, prosperous time. Less than fifty dollars losses since starting, more depositors than over before and the confidence, respect and friendship of its depositors and borrowers. Through all the panies, since '86, it has passed unmoved and immovable, protecting its depraitors, its borrowers, itself alike. And it can imagine no possible crisis that could prevent its continuing this good work.
