Dolan, who was hit with the ball and stole second. Yes, sir, Joe Dolan stole second. The fact was that Gondling was not expecting such a thing from the old war horse, and let him get too big a lead.

Clark started to throw them over for Des Moines, but he did not last long. The shameful manner in which he was treated by the hitters of the Omaha team will cling to his memory for a long time. He started the trouble by fumbling Autrey's grounder after two were out, and then the real Fourth of July fireworks started. Welch singled and Austin drove the chicken and the doctor home with a triple to the middle field fence. Bartliff sent Austin the rest of the way with a single, making three runs and marking the finish of Mr. Clark.

Bomar, who took Clark's place, drilled along well enough for three singles, but in the fifth inning a triple and two singles with a stolen base gave two more runs. In the sixth inning it was worse, for five hits were made, resulting in four runs. No runs were made in the seventh and eighth innings.

The same teams this afternoon.

TWO GAMES EASY FOR THE SIOUX

Jones is Unable in Either Game to Hold Them Down.

SIOUX CITY, Ia., July 4.—Sioux City won both the morning and afternoon games from Lincoln today in easy fashion by the scores of 12 to 4 and 4 to 0. Little Johnny Jones was on the mound for Lincoln in the first game and the Sioux stung him for four hits, which, with a couple of errors, netted five runs in the first inning. Captain Fox sent him to the stable and put in Johnson, the Indian, but he proved as easy as Jones, for the Sioux played brilliant ball and amassed twelve runs before the game was over. Andreas stole home in the eighth. Freeman was on the slab for the Sioux in the afternoon game and besides striking out eight men was hit only five times, two of them being scratches. Count Bonno, who started to pitch for Lincoln, was benched by the umpire at the beginning of the game for disputing a decision when Campbell was passed to first. Jones was sent in and proved more effective than in the morning game. Sioux City scored two in the second on singles by Andreas and Granville, an error and a stolen base. They scored again in the fifth on two-baggers by Campbell and Holmes and Weed's single and a sacrifice. Score, first game:

DENVER AND PUEBLO DIVIDE UP

Pueblo Makes Irwin Go Eleven Innings for His Game.

DENVER, Colo., July 4.—Denver and Pueblo divided the games today, the visitors taking the morning contest and Denver winning in the afternoon in an uphill game that was finely played.

Pueblo's victory in the morning was due to the fine pitching of Galgano and the grand support given him when needed. In the first inning the Denver batters seemed inclined to trifle with the Naples benders used by the Pueblo man, but after that it was all Galgano. Olmstead pitched good ball also, merely a little inferior to that of the Pueblo man, but he suffered because his support was poor when it needed to be good. Pueblo fell on Corbett in the third and fifth innings of the second game, at times when the Denver fielding, though perfect, was slow. Two home runs came in the fifth inning, and Corbett went to the stable. Rick Adams succeeded him and was effective. Fitzgerald started the second game for Pueblo, but gave way to James in the eighth inning after Denver had tied the score on good hitting and on bad playing by Pueblo. The eleventh saw Corhan make two errors, from which Denver extracted the one run needed.

PECK OF OMAHA ONE OF JUDGES

Chosen to Pass on Heavy Harness Horses at Long Island.

NEW YORK, July 4.—Alfred G. Vanderbilt and J Campbell Thompson will renew the keen rivalry of the last two years at the Monmouth County Horse Show association, Long Branch, N. J., July 29, 30 and 31, and August 1. Those two famous whips will compete in the event for road four-in-hands. The teams must be driven to a coach carrying not less than seven persons. The coaches to leave Pannaci's, at Seabright, not earlier than 4:30 p. m. on the day appointed for judging and arrive at the show ring not later than 5 p. m., the teams to be judged on their road qualities and their condition upon arrival at the grounds. The contest for the trophy for this race, which is worth $200, have resulted in considerable partisanship. In 1906 it was won by Alfred G. Vanderbilt and last year J. Campbell Thompson was the winner. Mr. Vanderbilt will sail for America after the International Horse show, London, while Mr. Thompson will drive his famous team of trotting-bred horses. The winner this year will become the absolute possessor of the cup. Fifty-six classes are down for decision, while the cups and premiums amount to nearly $7,000. In addition to the regular horse show event, a race for amateur riders will be held daily after the last judging event. The race, at half a mile, to be held on the third day of the show, is worth $300. The judges are:

Trotters and Roadsters—Frederick Gerken, New York; Rensselaer Weston, New York; Clarence C. Quentin, Philadelphia.

Heavy Harness Horses—George B. Hulme, New York; James T. Hyde, New York; Edward P. Peck, Omaha.
