BARRY THROWS UP SPONGE

Kaufmann is Given Decision in Thirty-Ninth Round.

FIGHT SLOW AND FEATURELESS

Californian Made Poor Showing in Early Rounds and Was All but Out at End of Eighth.

LOS ANGELES, Cal., Dec. 31.—Al Kaufmann of San Francisco won from Jim Barry of Chicago in the thirty-ninth round before the Jeffries Athletic club last night. Barry's seconds threw a towel into the ring in the middle of the thirty-ninth round, after their man had been badly beaten and was all but out.

Barry's chief second stated that both his man's hands were badly injured and that it was useless for him to continue and suffer punishment. The Chicago boy was game and wanted to continue. He was, however, completely exhausted and put about out in the previous round. In that round Kaufmann sent a hard right to the jaw, and Barry went down for the count of nine. The latter's strength had been waning and it was evident he could do no more. His face was badly swollen. Kaufmann also had a badly battered countenance, but his strength was undiminished.

The fight was a slow one up to the end of the third round. Both men fought cautiously. Barry landed more frequently than Kaufmann. He seemed quicker and shiftier on his feet.

Barry was bleeding at mouth at the end of the sixth, but he had had the better of four of the six rounds. The exchange has been quite timid so far.

Barry had Kaufmann all but out at the end of the eighth round. He landed a terrific right on the nose that dazed Kaufmann and followed a moment later with a rain of rights and lefts to the face that rendered Kaufmann very groggy. Kaufmann came up a little groggy in the ninth.

At the beginning of the eleventh both men were fighting slowly and neither was much hurt. Barry had the better of it.

It was a very slow fight up to the fourteenth and very little class was shown either by Kaufmann or Barry. Kaufmann suffered practically all the damage.

Up to the twentieth round it was a very slow and uninteresting fight. At times it was very amateurish. Kaufmann showed very little cleverness at any time. Neither man had suffered much damage.

At the close of the twenty-fifth round it was still a slow and uninteresting contest. Barry had all the better of it in every way. Neither man had been badly hurt nor materially weakened.

In the thirty-first round Kaufmann received a badly bloodied nose and mouth, but Barry seemed much weaker as a result of his efforts.

REYNOLDS GETS INTO THE FINALS

Defeats Shields and is to Play Winner of Monarch Tourney.

Jesse Reynolds defeated Ray Shields last night, 100 to 80, at the Royal pool room, making it two out of three, which puts Shields out of the championship race, because the winner is to play the winner of the Monarch tournament for the championship of Omaha and a gold medal. It is hard to state just when that series of games will be played as Lasse[illegible] [illegible] the Monarch tourney and White is sick with the small pox.

The game last night was a good one being hard fought throughout, Reynolds having to show all of his speed to win. Shields started off in the lead, with a run of fourteen balls and kept it until the ninth inning, when Reynolds passed him with a run of twenty-eight balls, keeping the lead until the finish. The score:

Reynolds: 2, 1, 8, 4, 12, 1, 17, 2, 28, 16, 1, 4, 7—103. Total, 100.

DEFI FROM BAN JOHNSON

Base Ball Magnate Calls on Parties Threatening Libel Suits to File.

CHICAGO, Dec. 31.—President Dan Johnson of the American league, expressed the belief that the ticket scalping case recently reviewed by the national commission should be reopened in order to remove all doubts from the minds of Chicago's base ball enthusiasts. Johnson is determined in his purpose to bring the matter to the attention of Garry Hermann and Harry Pulliam of the national commission and he insists that newly discovered evidence, said to be in the possession of the former shall be disclosed at a second hearing to be held here.

"If the case ever gets into the courts," said President Johnson, "the evidence now in hand will be sufficient to drive the guilty ones from base ball. I have been threatened with a libel suit for talking too freely of certain officials and I hope they will make good their threat so that I may throw some light on the subject."

SUIT TO RECOVER COAL LAND

Utah Fuel Company is Accused of Fraudulent Practice by Government.

DENVER, Dec. 31.—The Utah Fuel company is made defendant on a petition filed in the federal court here today whereby the United States government seeks to recover 1,920 acres of valuable coal land in Gunnison county, Colorado, alleged to have been fraudulently secured through dummy entrymen.

The Morton Trust company of New York, by reason of the fact that it has underwritten a $2,000,000 mortgage on the fuel company's property, is also made party defendant.

The petition charges that the land in question was filed upon in 1902 by so-called "dummies" under the direction of George W. Kramer, vice president of the fuel company and Robert Forester, former geologist, and that most of it was turned over to the company through Edward E. Quentin.

OKLAHOMA BANK ROBBED

Armed Men Keep Citizens of Wellston at Bay While Pals Blow Open the Safe.

MUSKOGEE, Okl., Dec. 31.—Five robbers dynamited the bank at Wellston, Okl., east of here, early today, and after exchanging many shots with the citizens, escaped with $5,000. No one was hurt.

The robbers heavily armed rode into Wellston after midnight. They erected a barricade around the bank and while some members of the gang went to work on the bank safe others stood guard. The citizens were soon up in arms and a lively exchange of shots with the robbers followed. The robbers, however, were well armed and protected and for two hours they stood off the citizens while their comrades worked on the bank's vault. When they finally succeeded in gaining the money it contained the five men rode off, covering their departure with a constant and heavy fire. Two hundred shots were exchanged, but no one is believed to have been hurt.
