COLD STORAGE

We sell the Cold Storage on Small Monthly Payments or at Cut Prices for Cash

Read below how people who are using it compare it with others. It is no wonder that it was awarded highest premium at the St. Louis Exposition.

"I am so thoroughly pleased with my Cold Storage that I am going to put in a good word for you every chance I get." —Mrs. Warren Hillis, Dundee.

The purchasing agent of the Happy Hollow Golf Club bought a Cold Storage of us last season for his club. After he had bought it he said: "A number of our members are using the Cold Storage and they instructed me to buy no other."

The manager of the Swedish Hospital bought a Cold Storage for his hospital two years ago on the advice of the manager of another hospital. Last season he bought another. He said: "There is no refrigerator like the Cold Storage."

July, August and September are the hottest months of the year, or, in other words, the hottest weather for the season is all before us, and there is going to be a long time of it yet. Ice is cheap this season, and with the inducements we offer you should not be without a large Cold Storage refrigerator another day. It is the large sizes people are buying this season, especially those who have fried small refrigerators.

DON'T FORGET THAT WE ARE EXCLUSIVE AGENTS FOR THE DETROIT IDEAL—THE FINEST GAS STOVE IN THE WORLD.
