ROURKES WIN TIGHT GAME

Omaha Takes Second of Wichita Series Three to Two.

FAST FIELDING ALL DA

Few Runners Get Past First B. and Still Fewer Past Second Bag During the Game.

Omaha, 3; Wichita, 2.

The Rourkes batted Durham for nine hits, one of them a home run, and took the second game of the series from Wichita. Melter allowed the Izzies seven hits, but kept them well spread out. Excepting in the first inning, when Wichita made two runs. The Kansans never seriously threatened the platter.

Fast fielding was the order of the day, and both teams played good, clean ball. After the first inning only one Kansan reached third—Hughes on a three-bagger—and but two saw second. It was almost as bad for the Rourkes. Aside from the three innings, in which the three scores were made, no Rourkes reached third, and only two were privileged to hold down second.

Riggert's Homer a Feature.

Riggert's home run was the real play of the game, because the ball did not go over the fence. It was a long, high fly, far over the center's head, even after he had tried to run it down, and fell some where near the feet of the cow. Reggie was past first before it struck the ground, and was nearly to third when the center fielder picked it up. He beat the throw to the plate by about fifty feet.

Middleton singled to right field in the first. He might have been put out at first had not the ball made a sudden bounce over Kane's head out of his reach. He went to second on Davis' sacrifice. Westerzil was hit, Belden flew out to Corridon and Koerner brought in Middleton and Westerzil on a long two-bagger. Hughes walked and Koerner and Hughes died when Schmid went out to Riggert in left field.

Omaha scored first in the second inning. Riggert took first on Hughes' error and was sacrificed to second by Kane. Graham singled and Riggert crossed the rubber. Gonding singled, Graham went to third, and both died on the third out.

In the third Schoonover started with a single to right. The right fielder let it get through his hands and Schoonover went to third while the ball was rolling out toward the right field fence. He scored on a single by King. Kane batted out a safety to left field, whereupon two more Rourkes died on bases. Riggert's homer was the whole show in the fifth. The score:

Notes of the Game.

At this rate the lead held by Wichita could soon be overcome.

Melter walked only one man and Clemons made everyone hit.

Omaha fans have not seen a home run inside the fence for a long, long time.

A double-header today and the Rourkes leave for Denver. First game at 3 p. m. sharp.

Fentress will be in the box in the first game today and Rhodes will twirl the second.

The Rourkes not only played an errorless game but they went through the game without a strikeout.

Schoonover opened his engagement with the Rourkes on two hits in four times up. He also proved that he can get over the ground in a way far from slow.

Kneaves, the new shortstop recently purchased from Hutchinson, failed to appear yesterday as per schedule. He is expected today but will probably not appear in the game

NATIONAL RIFLE SHOOT RESULTS

United States Service Teams in Possession of First Places.

CAMP PERRY, O., Aug. 24.—The end of the second day of the national match finds the United States service rifle teams still led by the infantry, in possession of all the first five places and with New York ranking sixth, heading the thirty-eight national guard teams, but hard pushed by Massachusetts, only two points in the rear.

The ten leaders finished in the following order:

Team.	Rapid.	Tot.
Infantry	543	2162
Navy	545	2115
Naval academy	526	2109
Marine corps	530	2104
New York	531	2095
Cavalry	530	2095
Massachusetts	505	2092
Wisconsin	535	2089
District of Columbia	515	2089

There was no record breaking today on account of the poor light and a howling gale later.

The Evans service skirmish match awarded last week to the United States Infantry, goes to the Seventy-fourth New York, according to corrected bulletin issued today. The committee held that Oklahoma's protest that the match should, by the rules, be decided on points, not men eliminated, was well grounded. Oklahoma got second place and the infantry third.
