York Defeats Aurora.

YORK, Neb., Sept. 30.—Yesterday afternoon the York and Aurora High school foot ball teams played the first game of the series. The first touchdown was made by Aurora in about three minutes of play. York made a touchdown in the second quarter and two in the third, and in the fourth Miller made a thirty-nine yard drop kick which ended the game. Score, 23 to 6. The ball was in York territory most of the time. Harry Hull, Aurora's left halfback, was seriously hurt in the region of the kidneys by getting tangled up in his own team. Stephen Powell of Aurora, right tackle, received several severe cuts about the head.

BIG AUTO RACES FOR TODAY

Double Card Will Be Offered at the Speedway This Afternoon.

FAST DRIVERS ARE ENTERED

During Three Days the Races Are Expected to Develop More Excitement Than Any Previous Meeting in City.

Owing to rains, the motor races, which were to have been started at the Omaha Speedway Saturday afternoon were called off. The lovers of the sport, however, will get a double bill for their money this afternoon, when both Saturday and today's races will be run.

This afternoon there will be ten events, including three twenty-five-mile races and two fifty-mile events. Some of the best known drivers in the country will be here and it is expected that the best motor races ever held on the Speedway will be the result. Billy Pierce, who won fame here at the last meet by capturing several events and a large portion of the prize money with a Cutting, will be here again, but will drive a new and higher power machine.

The grand prize is a $500 loving cup, which becomes the property of the owner of the car that twice has its name inscribed for winning the event. Should either the Franklin, Cole or Chalmers manage to get its name on the cup again it will capture it for keeps, as all three have each captured a first at different times.

BEATRICE HIGH DEFEATS TEMPLE ON WET FIELD

BEATRICE, Neb., Sept. 30.—(Special Telegram.)—In a one-sided game played at the Driving park this afternoon on a damp field, the Beatrice High school football team defeated the Temple High school of Lincoln, by the score of 27 to 0.

The Beatrice players broke through Lincoln's line at will. Lincoln had some good tacklers, while the home team had fine interference and plenty of speed. Lincoln did some nice work on defense before the goal, stopping Beatrice three times within a yard or two of the goal. Beatrice's goal was never in danger or the ball was in Lincoln territory continually. Touchdowns were made by the following Beatrice players: Rutherford (4), Kline, Luse, Shimerda.

Doane and Cook, Beatrice ends, played a star game. Obey Myers of Wesleyan officiated as referee. The Aurora eleven will play here next Friday.

CORNHUSKERS GOING FINE

Practice of Last Week Elevates Prospects of Stiehm's Squad.

BACKFIELD CLOUDS SITUATION

Young Purdy a Little Slow at Full and Must Evince More Speed in Order to Cinch His Position.

LINCOLN, Neb., Sept. 30.—(Special.)—The outlook at the end of the second week of practice in the Cornhusker camp is entirely satisfactory to Nebraska's all year coach, although injuries and hot weather have combined to cut down the rapid development which Stiehm had hoped to make in the instruction in the rudiments of the game. But the outlook is satisfactory, except with one exception and that is in the backfield.

It is regarded that the prospects for a strong backfield are dimmed somewhat by the inability of Stiehm to locate a good fullback. The difficulty was solved, it was thought, when Purdy was shifted to full back and Ernie Frank was placed at half back, but Purdy has failed to develop the speed at full back which he showed in his old position. E. Frank has been paying a dashing game at half back and stands an excellent chance of gaining a permanent berth.

The stumbling blocks in Stiehm's way are the solution of the quarter back and full back positions. The quarter back position is not so serious as the other inasmuch as Stiehm has four men upon whom to depend and all four are showing up in excellent shape. The work of Potter has been excellent during the early practice, while he is pushed hard by Racely and Mulligan. The latter has surprised the coaches and has been placed at the helm of the scrubs. He has been sending the scrubs along at a furious pace and his speed is a big asset in his favor.

Will Change Men.

Before the opening game with the Kearney Normal, Stiehm will try at least four switches in the backfield positions. It is conceded that Owen Frank will have no opposition for his position. His sensational work of last season and better condition this fall are assurance enough that he has a place cinched. There is no lineup on the other three positions, unless Jery Warner returns to the game, and a fraternity brothers confidently expect he will.

BUSY SCHOLASTIC SEASON

High Schools of State Announce Foot Ball Schedules.

CHAMPIONSHIP IN ST. JOSEPH

Missouri Valley Honor is Claimed by the High School that Defeated Omaha Last Year in Hard Fought Game.

This season will be a busy one with foot ball among the high schools of the middle west. Most of the principal schools of Nebraska and Iowa have definite schedules arranged already and will begin their first important games of the season next Saturday.

Very few of the schools have yet scheduled games for Thanksgiving, as most of them are averse to playing away from home on that date. The majority of the schools are carrying an eight-game schedule. Several lively contests must be played before the Missouri Valley High school championship will be decided this year. St. Joseph claims it at present by reason of the fact that they defeated Omaha High school last year, after Omaha had established her claim to the championship of Iowa and Nebraska.

November 11 looms up as the big day in middle west high school foot ball. St. Joseph and Omaha will clash at Omaha on that date and the game promises to be the closest and hardest fought one on the local schedule. The Pender-Columbus game then will undoubtedly be the deciding one of north central Nebraska, as both teams are classed as winners. The big game in Iowa on November 11 will be the Des Moines North High-Sioux City game at Sioux City. The most important game of Northwestern Nebraska and South Dakota also comes on that date, at which time the fast Rapid City, S. D., team will thrash it out with Chadron, Neb.

Following are some of the big high school games of the middle west for this season:

BUFFALO-CHICAGO ROAD RECORD GOES TO THOMAS

Chicago usually gets what she goes after, so when Gaylord Warner, manager of the Thomas Motor Car company of Chicago, received word from the factory in Buffalo that his 1912 demonstrator was ready he went after it. It takes three or four days to deliver a car by freight, so Warner decided to drive his car back to the Windy city. Just as the clock struck midnight, the party of six people left the Statler hotel in Buffalo. Cleveland was reached at 6 a. m. and a stop of an hour was made for breakfast. Outside of losing their way a number of times and being delayed by several large nails, which even the Diamonds couldn't stand, the trip was rather monotonous. The "six-forty" purred off mile after mile of good and bad roads alike, at an average speed of thirty miles an hour, until Chicago clocks struck 11 p. m. as the car reached the corner of Michigan avenue and Jackson boulevard, the last fifty miles being made through a driving rain storm.

Allowing for the difference between eastern and central time, it took exactly twenty-four hours to make the trip. The actual distance as 571 miles, but the speedometer showed 647 miles, due to the detours caused by losing the road.

Charlie Welshofer and Elmer Huber did the driving, and while no excessive speeding was indulged in, the record shows wonderfully consistent running.

Tinker and Doyle Star for Chicago, Breaking Up Giant Plays—Light Rain Falls, but Does No Damage.

CHICAGO, Sept. 30.—New York triumphed over Chicago today in the third game of the crucial series by a score of 3 to 1, thereby regaining part of its loss of the two previous games. The distance between the two teams now is six and one-half games, or forty-two points.

Larry Doyle's home run drive in the opening inning was responsible for the early lead of the visitors.

The game was by far one of the best exhibitions of base ball given in this city for some time. It was marked by sensational fielding throughout.

Brown and Ames were the opposing pitchers, and both fought to the bitter end, with the honors favoring the New York twirler. Ames allowed but half a dozen hits, only two of which came in one inning, while Brown was hit safely fourteen times.

Devore Starts with Hit.

Devore opened the first inning for New York with a single to short, the ball taking a bad bound away from Tinker. L. Doyle came up to the plate and hit the first ball pitched to him. The ball sailed high toward right field and cleared the fence for a home run. Devore scored ahead of the second baseman.

Three consecutive singles enabled the visitors to score another run in the eighth inning.

Chicago's lone tally came in the fifth inning after two men were out.

Schulte drew a base on balls and reached third on Tinker's single. A double steal was attempted, Myers throwing to L. Doyle, who returned the ball to the catcher in time to catch Schulte, but the Indian dropped the ball and the run counted. At one time Sheckard hit a hot grounder toward third and Herzog fell down in fielding the ball; before he had fully regained his feet he threw to first. The ball went wide, and Merkle added more lustre to the play. He stretched his gloved hand high into the air, spearing the ball for the out.

Tinker and Doyle Star.

Tinker and Doyle starred for Chicago, as did Schulte, who threw perfectly to third base from deep right field in time to catch Fletcher, who attempted to reach that station on Meyer's single.

A big crowd was present and ground rules were necessary, making a hit into the circus seats good for two bases. A light rain fell at intervals, but the game was not stopped by it. Score:

GLEE CLUB REHEARSALS DISTURB HIGH SCHOOL

Principal McHugh is averse to allowing the High School Glee club to hold rehearsals at the school because the singing disturbs the classes. It has been decided therefore to hold rehearsals every Tuesday night at the Young Men's Christian association assembly room. About twenty-five lads have become interested in the vocal work. Prof. Walter B. Graham, local baritone, who recently returned from a year's study in Paris, will have charge of the club.

Oakland Opens with Win.

OAKLAND, Neb., Sept. 30.—(Special Telegram.)—The Oakland High school foot ball team opened its season here today by defeating Lyons High school, by the score of 21 to 5. Oakland was far superior in all departments of the game. Lyons scored on a misdirected play.
