TRACK ATHLETES COMING

Plans Being Perfected for Indoor Events at Auditorium.

FOUR STATES REPRESENTED

Rivalry Between the Universities of Nebraska and Kansas Gives Promise of Being the Keenest.

Things are rounding into good shape for the open indoor amateur athletic meet at the Auditorium April 27. It is now possible to get some idea as to who should win the various events.

The greatest rivalry probably will be between Kansas and Nebraska universities at the feature relay. Second only in interest will be the relay for the grade schools of Omaha. It will be a one-fourth mile event for the championship of the city.

Athletic Director Carns of the Omaha public schools has been coaching the boys from all the schools, over thirty in number, and indications are that this will be one of the hottest contested of all the events. There will be so many entrants that it has been decided to run the boys in several heats against time, and the five teams which make good in the preliminary event will be qualified to run in the finals.

The 40-yard open dash will likely have about forty entrants. It is difficult to pick a winner, but on the showing of last year the fight for the cup should be between Robert Wood of the Omaha High school, Hay of Nebraska university or George Parish of University of Omaha.

One of the Hardest.

The 220-yard dash will be one of the hardest races of the meet on account of the boys having to run two laps around the track at top speed. The chances are, however, that Bob Wood, Earnsberge of [illegible] of University of [illegible] Dewey of Bellevue will have a fight for winning honors.

[illegible] the half-mile run Prachl of the "Y" and Carl Weigel of the same institution, Larson of University of Omaha and Paulsen of Bellevue are the favorable looking ones. However, Director Kline claims to have a star at Wesleyan whom he says will have a runaway in this event.

The two-mile event will be the hottest race of the evening. This is to be a grueling test for an athlete, as he has to be in the very best of condition and have perfect wind. There are a large number of entrants for this event, including Dennis Ryan, Alex Whitenfeldt and E. G. Sharp, all of the Young Men's Christian association, who finished one, two, three in the three-mile cross-country event New Year's day. Besides these boys are entered W. G. Hoft, unattached; Erickson, Carleman and Israelson, all of the Swedish Athletic club, and William Dineen and Jack Hazen of the Excelsior club.

In the field events the local men should make a good showing. In the twelve-pound shot put Dow of University of Omaha, Curtis of Bellevue and Ritchie of Omaha High school should make the other participants work. Two local men in Virgil Rector of the high school and Wilson or Wallace of the "Y" should get a good place.

Looks Easy for Rector.

In the pole vault there will be very few entrants, and for this reason Virgil Rector ought to run the prize without much trouble. The only other local man who would have any show, or who is in Rector's class, is Prescha of Creighton, but he has been barred from entering the meet on account of having played professional base ball.

In the parallel bars event John Sigler, champion gymnast of the Young Men's Christian association, has a good chance. However, a large number of entries have been received for this event from the Tal Sod Sobal and the Turners.

Cups for the various events already have been donated and will be turned over to the directors within a few days. The cups have been put up by the following firms: C. H. Brown & Co., Albert Edholm, T. L. Combs, Shook Jewelry company, Aaron Jewelry company, H. E. Ryan and others.

Great interest is being taken in the special events, especially that of the mail carriers' walking relay. Two regulation mail boxes will be placed on the track and each contestant will be required to deposit twenty-five pounds of mail in the box, unlock the box, take out the mail which he has just deposited, put it in his pouch and wait for the next man, give him the pouch and he will do the same.

A large number of entries have been received from local clubs and individuals. The outside entries are not looked for until about April 20. The entries close April 22 and it will not be known until then just the exact number. It is now assured that four states will be represented in the meet—Iowa, Kansas, Missouri and Nebraska—and possibly Illinois.

Kearney Will Make Team Strong One

KEARNEY, Neb., April 12.—(Special.)—Following the plan to make the Kearney team this year the strongest in the history of the State league the local management today announced the unconditional release of Magerkurth, who has been with the team since the organization of the club, also ex-Manager Clare.

Pitcher Reed of the Southern league has been signed and added to the pitching staff, being in the city at the present time and in training to adjust himself to the northern climate.

All indications at the present time point to the use of the State Normal athletic field by the league club as heretofore, although some hope was entertained by some local fans that a town ground would be secured.

H. S. Tennis Boys to Meet Tomorrow

Tennis will be one of the sport features at the Omaha High school this season. A meeting of all lads interested in the game will be held at the school tomorrow afternoon, when plans will be discussed and the date of the spring singles and doubles tournaments set.

Director Reed expects to lay out a couple of courts on the west campus, near the corner of Twenty-second and Davenport streets. The advisability of this plan will be considered by the faculty athletic board of control soon. Until that time the tennis enthusiasts will play at Happy Hollow and other courts about the city.

In the spring tourney this year Sievers Busmann, twice singles champion, will be called upon to defend his title and Joseph Creedon and James Gardiner will uphold their honors won in the doubles last fall.

The girls also will play the game extensively and Miss Bess Dumont, physical director, will arrange a singles tournament to begin about the last of this month. Laura Zimmerman, '12, holds the present singles laurels.

THREE VARSITY BALL MEN MUST STUDY UP A LITTLE

LINCOLN, April 12.—(Special.)—On the eve of the opening of the base ball season at the University of Nebraska three of the men most depended upon were found by the eligibility committee to be ineligible because of delinquency in studies. The men who were declared ineligible were Clinton Underwood, an infielder; Pierson, a catcher, and Carr, the star varsity pitcher. The men were directed to stop practice immediately and put all spare time in on their studies in order that they might be ready for the opening games of the schedule. Carr and Underwood will be eligible for the first game and Pierson may be in shape.

The delinquency of Pierson is all the more serious inasmuch as his work must be in tip top shape so as to not endanger his participation in foot ball next fall. It would not be surprising to see Stiehm order Pierson to stop base ball, as his services are not seriously needed in the catching department with the abundance of material now on hand.

Trouble is still being encountered in arranging for a schedule, although the Cornhuskers will probably get a game with Ames, Iowa and Kansas. Definite answers have not been received from these schools. Games have been arranged with Tarkio, Mo., for next Wednesday and with the Kansas Aggies, although the date for the latter has not been fixed.

The election of a captain will go over until Stiehm has fully settled upon a squad. It will probably come some time next week.

NEW HIGH SCHOOL NINE DRUBBED BY CREIGHTON

In a farcical exhibition of base ball in which eighteen players and about 125 student spectators were treated to a Nebraska dust bath with variations, a picked nine of Creighton university and high school lads trounced the newly organized Omaha High school aspirants to the melody of 28 to 7 yesterday afternoon on Creighton field. Score:

DIETZ CLUB MEN GET BUSY

Many Improvements to Be Made In and Upon the Grounds.

CLAY TENNIS COURTS THIS YEAR

Committees Are Named to Take Charge of and Look After the Affairs of the Organization.

Committees for the 1912 season were appointed, contracts for the laying out of new clay tennis courts let, and other matters decided upon at a meeting of the Dietz club Friday evening. The opening date will be either May 11 or 18.

J. J. McMahon was appointed to supervise the contract for laying out the new tennis courts, which will be double and will have a three-inch surface layer of clay. They will be ready for play about May 4.

Trees and shrubs will be planted about the grounds and the club house painted. Interior redecorations will be made and several shower baths and lockers installed.

A cinder walk will be laid out from Sherman avenue to the club house at Fourteenth and Boyd streets, a distance of two blocks.

The ball diamond is in good shape and many amateur clubs have made arrangements to play their Saturday and Sunday games there. A small grand stand and bleachers will be erected before the opening of the club's activities. Following are the committees for 1912:

Base Ball—L. W. Young, chairman; E. E. Eisenhart and C. E. Hall.

Tennis—Frank Spellman, chairman; W. H. Platner and James Ward.

West Central Track Meet Held in May

HASTINGS, Neb., April 13.—(Special.)—Friday, May 10, has been decided upon as the date of the second annual west central Nebraska interscholastic meet at Hastings college.

Last year there were thirty schools represented. In this respect and in the number of contestants participating it was the largest meet in the state. It is expected that at least ten or fifteen additional schools will send representatives this year.

Hastings college will see a great revival in track sports this spring. Besides the scholastic meet a dual meet with Doane and Grand Island has been arranged and on May 25 will be held the state intercollegiate meet. The first contest of the season will be a class meet the latter part of the month.

Rockville Defeats Ravenna.

RAVENNA, Neb., April 12.—(Special.)—The base ball season opened in Ravenna today with a game between the high school team and the team from Rockville. Rockville won by a score of 5 to 4.

GETS THE LIMIT ON THE LAST DAY OF THE SEASON.

C. C. GASSAWAY.

At least one Omaha sportsman got under the wire on the last day of the hunting season and bagged the limit of wild fowl. On April 5 he was hunting on the Fred Marsh ranch just north of Valley on the Platte river and had exceptionally good luck. Fred Marsh and Theodore Marsh and C. C. Gassaway of 327 South Eighth street went out early in the morning and at noon returned. Gassaway and Fred Marsh had secured the limit and Theodore Marsh had secured nine geese. Gassaway had fifty ducks and ten geese and Fred Marsh had the same layout.

This ends the series of gymnastic and aquatic tests which the boys of the "Y" have taken part in during the last four weeks.

The meet was in charge of J. T. Maxwell, physical director, and R. Linn Welker. All the winners will receive handsome "Y" badges.

prize will be Dick Grotte will not uncover.

Suffice it to say that it will be a good one. Tickets for the opening game have been on sale for over a week now, and if the fans do not get busy and reserve them right away they will stand a good chance of standing up, as the pasteboards are going like hot cakes. The boxes are almost all sold out and unusual interest is being taken in the opening this year. From all indications society is going to turn out in full. The ladies and governors of the Ak-Sar-Ben are to be guests of the management, and it is hinted that they will take a large part in the opening exercises.

TRYOUTS DURING WEEK FOR AMES DUAL MEET

LINCOLN, Neb., April 12.—(Special.)—Tryouts will be held sometime during the coming week for the Ames dual meet which is held in Lincoln April 26. The exact day for the preliminaries has not been set although it will probably be Wednesday.

The probable lineup for the Cornhuskers for the season will be as follows:

100 Yard Dash—May and Wherry.
220 Yard Dash—Christmas and May.
440 Yard Dash—McGowan and Hiltner.
Half Mile Run—McGowan and Becker.
Mile Run—Anderson and Becker.
Two Mile Run—Anderson and Bates.
Pole Vault—Reavis.
Shot Put—Ross and Harmon.
Discus—Harmon and Meyer.
Hammer—Harmon.
High Jump—Hastings.
Broad Jump—No entries.
Hurdles—Russell, Roberts and Leese.

Stiehm believes that he has a world beater in McGowan for the long sprinter is outrunning the rest of the field without practice. The squad is rapidly rounding into form and will be in excellent shape for the class meet held next Saturday.

HAND BALL TOURNAMENT TO BE PLAYED THIS WEEK

A spring hand ball tournament for the championship of the local "Y" will be held Tuesday and Wednesday evening in the association gymnasium. The preliminary round will be played Tuesday and the finals Wednesday.

Dennis Ryan won first place in the night class tournament and A. A. Avery took the honors in the noon class event last year. Other enthusiasts of the sport are confident of their prowess and have challenged the former winners. C. G. Linn of the commercial department of the high school is one of these. He formerly took honors in indoor athletics at the University of Oklahoma. Other sharks who will enter the tourney are H. J. McCarthy, A. M. Anderson and E. J. Neville.

Fresh Dents Win.

The base ball championship of Creighton Dental college was won yesterday afternoon by the Freshmen team, when they added another defeat to the Juniors. The game was played upon the Omaha University diamond and the score was 9 to 7 in favor of the Freshmen. The playing was consistent despite the number of runs polled by both teams. The batteries were Allwire and Franking, jr., for the Freshmen and O'Connor and Bakerson for the Juniors.

Isbell Likes His Box Men.

Isbell is well satisfied with the prospects of his Des Moines pitching staff. He has Schmalberg, Jarnigan, Fabry, Northrup and Rogers, all veterans, and in addition a promising lot of recruits from which to choose. Knapp and Houston, both holdouts, have not been signed thus far, and the manager predicts that both will have a difficult time making the staff should they report.

HASTINGS PLAYERS PRACTICE

Over Half Dozen Men Are at Work on Grounds.

NEW MATERIAL IS PROMISING

Drafts and Sales Take from Team Several Mainstays from Last Year—Practice Games Scheduled Soon.

HASTINGS, Neb., April 13.—(Special.)—Over half a dozen men selected by Manager Shaner for the Hastings State league team started practice this week and by next week practically all of the squad of nearly thirty is expected to be on the ground. Drafts and sales took from Hastings several of the mainstays of last year's team, so Shaner faces the task of making almost an entirely new team. The only infielders of last year's team back are Watson and Fortman and the only outfielder from last year in prospect is Bromley. Shaner piloted the Reds during the last half of the 1911 season and he and Schlick are the only surviving pitchers.

The new material is most promising. Several who have had class A league experience are in the list. Bradbury, formerly of Des Moines and last year manager of Coffeyville in the Western association, will be one of the catchers and probably will be field captain. Other men available are Hassler, Chase, Basha, catchers; McCullock, Phillips, Speaks, Haley, Thralkill, Amidon, Riley, Hull, Lillis, pitchers; Tacke, Maloney, Sharpnack, first basemen; Trahern, Kerr, Peters, Donahue, infielders; Krites, Goss, Artley, outfielders.

Haley won fourteen out of sixteen games last year for Jerseyville, Ill., and Lillis made a fine record in Kansas City semi-professional company, averaging eleven strikeouts to the game and winning twenty-five of the thirty he pitched. Tacke comes with the recommendation of being the best amateur first baseman in St. Louis. Maloney has good endorsements from Denver critics.

Beginning next Monday there will be a practice game every afternoon.

GOLF NOVICES FORGE AHEAD

(Continued from First Page.)

year the others will have to go their best in order to win out over him.

Harold Johnson, the high school champ for the last ow years and one of the premier youngsters of the Happy Hollow club, is also looked upon as a candidate for top place honors, and will probably supplant several of his elders during the summer months, when the different tournaments will be held. Johnson will get in trim during the last week in May, when the high school will hold its annual spring golf tourney, at which time he will have to defend his title.

Peters Boys Developing.

A pair of youths at the Country club who bid fair to come to the top this season are Clarence and Ralph Peters. Both have been playing the game steadily for the last five years and are developing a clever style of play.

Albert A. Cahn, jr., who is now attending Dartmouth college, is classed as a comer on the links and stands a good chance of beating out many of his older opponents before the final curtain is rung down. There are several other lads who are also planning to lay a good many stymies for their elders this season.
