BUSINESS CHANCES.

MR. BUSINESS MAN.
Are you able to judge an extra good proposition when you see it? If you are and have $10,000 or over, a well established manufacturing company can show you where its "trade mark" alone will be worth $1,000,000 with three years of hustle and push besides the annual income. The high cost of living has created a demand for our goods. Every man, woman, child and baby is a user. The human race is the only limit to the field to be worked. We have the manufacturing facilities and material on hand for $400,000 retail business. This proposition will stand the most rigid investigation. Can be handled by a silent or active partner. This is our harvest time and requires action, so do not answer this unless you have the money and mean business. Address box M-99. Bee.

VULCANIZING PLANT
Fully equipped up-to-date shop. Good business started, town of 3,500 in Nebraska. Also small stock of tires. Or will sell equipment alone. This will be a real bargain to some one and stand close investigation. Urgent reasons for selling. Further information address, Box 88, Beatrice, Neb.

FOR SALE—Restaurant in the best business location in the heart of Hastings, row running days only, taking in $150 daily, can be doubled if open nights; very reasonable if quick. Address P. O. Box 172, Hastings, Neb.
