JOSIES KNICK PALMERO FOR TEN SAFE HITS

Luschen Weakens in Sixth and Seventh and Locals Throw Scare Into Visitors.

Emilio Palmero, Pa Rourke's Cuban twirler, bowed in defeat yesterday to the St. Joe Drummers, score 4 to 3, before a crowd that packed Rourke park to its capacity.

The same teams meet this afternoon in a double-header, the result of which will give one team or the other a firm hold on first place in the Western League standings. The first game starts at 2:15.

Arnold Luschen, former Rourke, faced the locals on the mound yesterday. Luschen pitched great ball. A fluke hit in the seventh allowed two of the Rourkes' runs to cross the plate. The third Rourke tally was well earned.

Start to Hit Palmero.

The Josies set upon Palmero in the very first inning. After two men were gone, Kelleher drove a single through short and stole second where he perished when Conroy fanned. In the third inning, Crosby singled through short but his team mates lacked the power to score him. In the fourth frame the visitors tallied their first. Brubaker whaled a double deep into left center to open the inning. Kelleher bunted along the first base line for a sacrifice but he was safe at first and Brubaker at third on a fielder's choice. Conroy lofted a long drive to the flag pole in center field which Platte turned into a sensational catch, after a hard run. Brubaker scored from third on the play.

In the sixth after Luschen had flied out, Emerich and Brubaker each singled through short. Kelleher sailed a hit into right field which Donica muffed, Emerich scoring on the play. Brubaker and Kelleher tallied on Conroy's safe drive through first. Two of the four hits that occurred in the sixth and ultimately lost the game for the Rourkes might have been fielded without extra effort on the part of Mason and Lelivelt. Kirby closed the frame wth a fly out to Platte. Three men had crossed the dish. That was all the scoring the visitors could do.

Rourkes Start to Hit.

With the count 4 to 0 against them, the Rourkes started to hit. Hale, the first man up in the sixth, lined a single through the box and Palmero drove one over first. Gislason grounded out to Kirby, both runners advancing. Weidell hit a hot one along the third base line, scoring Hale. Things were just beginning to look rosy when Al Platte drove the pill straight at Luschen's glove at 199 miles an hour. The ball stuck fast and Luschen nonchalantly tossed to Brudaker, doubling Palmero for the third out.

Nothing daunted the locals tried again in the seventh to overcome the Josies' lead. Donica grounded out but Lelivelt singled to right. Lee hit to Kelleher forcing Lelivelt at second. Two down. Mason shot a double down the first base line, Lee being held at third. Hale hit a popup between the box and first base. Both Conroy and Kirby tried to field it, and between them it fell to earth untouched. One more hit and two more runs for the Rourke clan!

The game may as well have ended there. In the eighth after Gislason had grounded out, Weidell doubled over second. Platte was hit by a pitched ball. Two men on and one down. Donica lifted a little fly out to Bonowitz who doubled Platte off first. Kirby didn't tag Platte to make the second out. The Rourke centerfielder slid clear around the adipose Drummer. Umpire Luzon called Platte out, however, for deviating four inches and a half from the line between first and second.

Mason got on in the ninth after two men were down but was caught stealing.

Left to right, front row: Frank Rokusek, second base; Russell Snygg (captain), catch; James Drummond, coach; Frank Mahoney, pitch, and Carl Luebbe, left field.

To the High School of Commerce base ball team goes the distinction of winning the city championship twice in succession. The business lads not only defeated each high school nine in the city, but proved their superiority over several high schools in the state.

The present squad with the exception of two is made up of boys who won the state championship last year for Commerce. Merle Kline and Leonard Kuhry are the only two new players.

DE PALMA WINS POLE AT SPEED OF 99.65 MILES

American Big Favorite in Indianapolis Speedway Classic With Entrants From Four Nations.

Indianapolis, Ind., May 30.—The stage was set tonight for the eighth renewal of the 500-mile automobile race at the Indianapolis speedway tomorrow, when speed stars of four nations will match their skill for racing supremacy and the lion's share of $85,000, the richest purse in the history of automobile racing. Twenty-five drivers are scheduled to face the starter.

After final elimination trials were held this afternoon the gates of the 2½-mile course were closed to the public and the drivers worked over their motors to have them as mechanically perfect as skilled hands could make them. Elimination trials during the week developed astonishing speed and the record of 89.84 miles an hour established by Ralph De Palma when he won the event in 1915 is expected to be shattered.

De Palma, in his speed trials for tomorrow's race, drove his car at the rate of 99.65 miles an hour, which earned him the coveted pole position for the getaway.

Gossip of the race crowds shows De Palma to be a strong favorite, although Rene Thomas, Howard Wilcox and Jules Goux, the French driver, who has competed in former races here, are counted upon as dangerous contenders. The Chevrolet brothers—Louis and Gaston—Tommy Milton, Eddie Hearns, Joe Boyer, Ralph Mulford and other veterans also are regarded as dark horses.

The winner of the race will receive $20,000 and he also has a chance at the lap prize of $20,000 offered by the business men of Indianapolis. A prize will be awarded the winner of each complete circuit of the track, and it is possible for a driver to take and retain the lead, thus assuring him of a total of $40,000.

Weather indications tomorrow are for a warm, bright day and the speedway management is figuring on a crowd of between 100,000 and 125,000. The influx of visitors began early this morning, and hotels are jammed to double capacity. Cots brought as much as $15, while thousansd of visitors were accommodated in private homes at $5 a person.

Man-O'War Hangs Up New World Record for Mile Race Around Turns

New York, May 30.—A world's record for a one-mile horse race around turns was made by the 3-year old Man O'War, winner of the 1919 futurity in covering the distance in the Withers' stake at Belmont park in one minute, 35 3-5 seconds. The former record, 1:36 1-5, was made in August, 1918, by Sun Briar at Saratoga, N. Y., and equalled a year later by Fairy Wand on the same track.

Man O'War, by Fair Play-Mahuba, set a terrific pace from the start and finished under a hard pull, two lengths in front of Wildair, which won the Metropolitan handicap last Monday. The winner was ridden by Jockey Kummer, whose efforts to keep his horse under restraint were unavailing throughout the race.

The three horses in the race, including David Harum, which was 15 lengths behind Wildair, carried 118 pounds.
