

The Cough of Consumption

Your doctor will tell you that fresh air and good food are the real cures for consumption. But often the cough is very hard. Hence, we suggest that you ask your doctor about your taking Ayer's Cherry Pectoral. It controls the tickling, quiets the cough.

One of Ayer's Pills at bedtime will cause an increased flow of bile, and produce a gentle laxative effect the day following. Formulas on each box. Show it to your doctor. He will understand at a glance. One pill at bedtime.

Make your home the loosing place and playground of your children and ten chances to one the feet that have tracked your floors with mud will not leave their footprints along the paths of vice and crime, and the sweet faces of the boys who have been such joy to you since childhood will not adorn the rogues gallery; the little hand that has so often been pressed to your lips will not push the chips across the gambler's table; the chubby arms of your daughters that have so often dandled your neck will not be employed to embrace a street rowdy and the lips not pressed to those befouled by obscene language nor the wine that leads to shame.—Robert G Igersoll.
