The first programme of the Interstate Athletic club, staged in the base ball park at Crystal lake last night, was a success, both in the matter of attendance and in the quality of the sporting exhibitions. The boxing was done on a platform erected in front of the grandstand. The first event was a six-round boxing exhibition between Johnny Reese, of Omaha, and Harry Buckles, of Sioux City. Reese was put on the card to take the place of Leo Rogers, of Paulina, who has been ill. Reese had not had time to get into proper condition and Buckles had the best of it. Con O'Kelly, who is well known in Sioux City from the wrestling matches in which he has taken part here, and Con Comiskey, of Chicago, the next on the programme. O'Kelly was the larger of the two and seemed to be in the better condition. After three rounds of swift sparring Larry Lichtenthal, Comiskey's manager, said that his man was not in proper condition and threw up the sponge. The third number on the card was between Johnny Lynn, of Sioux City, and Johnny Fitzgerald, of Omaha. They gave the best exhibition of boxing, but Fitzgerald is a heavier and more experienced man and showed his superiority. C A Hallet refereed the first two events and Tommy Ryan officiated in the last.
