First National Bank

OF ALLIANCE

CAPITAL - \$50,000.00
SURPLUS and PROFITS \$34,000.00

UNITED STATES DEPOSITORY

OUR POLICY: Courtesy and Conservatism

The First National Bank has no clients but its customers and no interests to conserve but those of its clients.

It will render any service of a financial nature which any Individual or Corporation may properly desire.

If success in banking be measured by service rendered, then the First National Bank shall take the first rank.

Criminal Carelessness.

Walter R. Kent, a prominent stockman of Sheridan county, has a communication in this issue stating that no more hunting will be allowed on his premises. After having two horses shot, one fatally, Mr. Kent believes it time to call a halt, and no one can blame him. This sort of work is criminal carelessness. How many of those who go hunting would tolerate having their property destroyed? If hunters are not more careful, every stockman in the country will take the same action that Mr. Kent has.

Boy Sustains Hard Fall.

Jay, the nine-year-old son of Mr. and Mrs. Enoch Boyer was thrown from a horse last evening near the Alliance Grocery. The boy struck the pavement on his head, cutting a deep gash above his right eye. He was unconscious at times and while it is thought that his injuries will not prove serious, he has had pains in his head today and his parents are anxious till he shows more improvement.

Only One Ticket.

The indications point to only one municipal ticket being in the field with the exception of councilman for the second ward, Edgar Martin, the present councilman having been brought out by his friends, C. L. Drake being the other candidate. There is no doubt of Mr. Martin being re-elected. C. C. Smith will succeed himself as mayor and The Herald believes it would be difficult to find a better man to serve as the chief executive of our city. He has proven that he always has the best interests of the city at heart, honest and fearless in the discharge of his duty as he sees it. The Herald is pleased to see Mayor Smith placed in the office for another term. Should the people by their votes say that they desire no saloons in Alliance for the next year, Mr. Smith will do his part to carry out the wishes of the majority.
