### Removed to Chadron

We regret to announce that the work of W. C. English for the Bennett Piano Co. will hereafter be in territory which makes it necessary for him to locate in a town on the Northwestern railroad hence he and his estimable family left Alliance on Tuesday for Chadron where they will make their home. Not only did Mr. English become well acquainted during his stay in Alliance, but also Mrs. English and the boy and girl formed a large circle of acquaintances while here, all of whom regret to see them leave.

The plan of the Bennett Piano Co. is to have Mr. English work principally on the line of the Northwestern in Wyoming, hence his removal to Chadron. The Herald joins their many friends in wishing him and his family a happy home and pleasant surroundings in their new location.
