## A MUSICAL TYPEWRITER ??

It is reported that an enterprising young lawyer of Beatrice, Nebr., has just invented something that will, if it is true, make him a rich man. It is a musical rick and being an expert on several musical instruments and incidentally a good typewriter operator, he conceived the idea of making a typewriter that would bring forth music.

After a couple of years of effort, he has succeeded in making a machine that will play in perfect tune when the keyboard of the machine is operated. The operator does not necessarily need to be a musician, for by simply writing any of the popular songs the appropriate music will pour forth in the sweetest melody.

The gentleman has not asked for a patent as he states that he wishes to be a benefactor to the world, and will sell the machines slightly above cost when produced.

## GOOD DRAMATIC CRITICISM

The late Richard Mansfield always felt that he owed more to the wise discernment and staunch support of The Chicago Record-Herald than to any other agency, outside himself, that contributed to his ultimate triumph as an actor. Ask any disinterested observer of theatrical matters today who is the best dramatic critic in Chicago, and ten to one he will say James O'Donnell Bennett of The Chicago Record-Herald. Mr. Bennett is unquestionably the leading critic in his domain in the West. He writes with a fearless fairness and a keen appreciation of real merit his articles a genuine force for the betterment of the stage. His knowledge of the history and principles of dramatic art is sufficient to lend depth to his utterances, yet he has the newspaper man's knack of making his work breezy and interesting for the average man and woman. His columns are always newsworthy as well as reliable in their judgments. Anyone who will follow the dramatic, musical, literary and art departments of The Chicago Record-Herald from season to season need have no fear about keeping abreast of all that is latest and finest in the movement of modern culture. 7-1t-61\*

## "The Whirl"

BIG HOME TALENT PLAY. AUSPICES OF ELKS. BENEFIT OF BUILDING FUND.

That merry three act musical comedy, "The Whirl o' th' Town," is to be produced here under the auspices of the Elks for the benefit of the Building Fund. They have secured the services of Harry H. Williams of Seattle, as director, who comes highly recommended as a director of amateur theatricals. Mr. Williams has been producing this musical comedy for several years and with amateurs only.

The play is not an original, operatic or vaudeville performance, but a catchy, lively, musical comedy. Home talent plays are somewhat held in awe by the public, but by the nights of this production you will see very nearly a professional performance.

Altogether there are twenty-two speaking parts and twenty-three choruses, and there will be about sixty people participating. The Elks and the members of the entertainment committee say that they are going to fairly outdo themselves in this performance. The nights of the production will be Wednesday and Thursday, February 8 and 9. Now don't forget the dates, and watch for the Jungle Contest next week. 7-1-507

Wouldn't any woman be happy, After years of backache suffering, Days of misery, nights of unrest, The distress of urinary troubles, She finds relief and cure? No reason why any Alliance reader Should suffer in the face of evidence like this:

Mrs. George G. Gadsby, Wyoming St., Alliance, Nebr., says: "I hold as high an opinion of Doan's Kidney Pills today as when I previously publicly recommended them in May, 1907. At that time I was troubled by severe pains in the small of my back. Doan's Kidney Pills were brought to my attention and procuring a box at Fred E. Holsten's Drug Store, I began their use. The contents of two boxes completely cured me of the attack. Since then I have had several slight recurrences of kidney trouble, usually in the spring, but Doan's Kidney Pills have always driven the complaint away." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

## Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; this case out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circular free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists.
