The annual declamatory contest of the North Platte Valley Declamatory Association, held at Bridgeport Wednesday evening, resulted as usual in honors for the Alliance High school. There were three department, or classes, in the contest, oratorical, dramatic and humorous. In the humorous, Miss Beulah Smith, daughter of Mr. and Mrs. C. C. Smith of Alliance, won first place, and Miss Esh-vell of Scottsbluff second; in the oratorical, Mr. Elmer Nelson of Sidney first, and Mr. Jay Vance of Alliance second; dramatic, Miss Aletta Foster of Sidney first, and Miss Evalyn McBurney of Alliance second. As will be seen Alliance won either first or second in each of the three classes.

The contest was attended by the following named persons from this city: Supt. W. R. Pate, Mr. and Mrs. Jerry Rowan, Mrs. C. C. Smith, Mrs. Franklin McNeill, Messrs. W. O. Barnes, H. F. Thiele, Jay Vance, Carl Thomas, Harold Thomas, Harry Smith, Henry Smith, Wilford Nelson, George Buechsenstein; and Misses Beulah Smith, Evalyn McBurney, Ivy Hale, Lura Vance, Hattie Renswold, Eunice Eldred, Dorothy Smith, Eva Duncan and Avis Joder.

CHADRON NEWS

Miss May Delmar and Mike Fling were married last Wednesday morning.

The Nelson theatre is under new management. Mr. and Mrs. Ross Denny of Harrington have taken the same. They will make a success of it as they have many friends. Mrs. Denny is a very clever singer and piano player while he makes good in general.

Mrs. Roby died Sunday morning at the home of her daughter, Mrs. Conn. Miss Rilla McNolty, the violinist, went to Rushville last evening.

The fire department was called out to a small blaze in the freight house.

Supt. L. N. Costley attended the county boosters meeting at Hay Springs last week.

Business on the Northwestern is picking up. Several new crews were put on last week.

The city fire department is planning a dance for Easter Monday which is to be made the swellest of the season. Everyone is expected to turn out. Music will be furnished by Rilla McNolty's orchestra of six pieces.

Chadron will soon have a new Catholic school. Father Dolan has received a number of good donations for that purpose.

L. D. Chezek is in the city to make preparations for moving his family to Norfolk.

ALLIANCE VS. SIDNEY

The last boys basketball game of the season will occur next Saturday night, when Alliance High school plays Sidney, champions of western Nebraska. Without question this will be the best game of the season, perhaps the best ever seen on the local floor. Although defeated by Sidney in a previous contest, Alliance will by no means concede the game Saturday.

Sidney has a remarkably fast aggregation of ball tossers. They have played and defeated some of the best teams in the state. They have a rare combination of weight and speed. Hudson, Sidney's star center, is six foot two in height and weighs 200 pounds.

The High school athletic association desires to avail itself of this opportunity to thank all who have so loyally supported the High school team during the present season. Although the team has met with reverses, no team which has ever represented the High school has worked so faithfully to acquire efficiency. Saturday night will be the last opportunity to witness the team defend the basketball laurels which have always belonged to Alliance. The game will be called at 8:30.

AUTO RUNS OVER LITTLE GIRL

Had it not been for the careful driving of Dr. Hand, the eight-year old daughter of Dr. and Mrs. L. S. Campbell might have been quite seriously hurt on Tuesday of this week. Dr. Hand and Mr. E. P. Sweeney were driving past the Central school in the former's car. Quite a crowd of children were collected in the street, making an inspection as children will of a dog that had been killed a short time. Dr. Hand had slowed his machine down until it was going as slowly as it could be run, when the little girl started out from the crowd of children with her head down, not seeing the car. The two met with the result that the car passed over the girl, inflicting a few bruises and scratches, but without any serious injury the car being stopped in about ten or twelve feet. Dr. Hand took her to her home in the car. She missed school that afternoon, but was back again the next morning.

Dr. and Mrs. Campbell exonerate Dr. Hand from any blame on account of the accident, but suggest that we advise motorists that they be very careful in passing school houses or other places where children are congregated in the streets. We would also add that children should be warned to be very careful when on streets where there is much travel to not get into dangerous places. With the utmost care some accidents will happen, but they can usually be avoided.

SOUTH OMAHA STOCK MARKETS

CATTLE—Last week's market closed with early "break" all regained and with light receipts (8800) rules a dime higher the last two days. Top beef \$6.25 with bulk of better cattle \$5.80 to \$6.15 and fair to good \$5.50 to \$5.75, only common selling below \$5.50. Still a good demand for Feeders, light cattle preferred, \$5.40 to \$5.80. Broad outlet for cows and heifers at \$5.00 to \$5.50 for best; general killers \$4.00 to \$5.00; cutters \$3.50 to \$4.00 and canners strong at \$3.00 to \$3.50. No change in veal, top still \$7.50, bulk \$6.00 to \$7.00. Stock calves \$5.25 to \$5.75 and bulls firm at \$4.25 to \$5.00. Look for a moderate run and good market this week.

HOGS—Receipts more moderate 13,000 for 2 days, prices 5c higher, bulk \$6.35 to \$6.50, top \$6.60. A reaction following last week's break is but natural and with nominal receipts look for present level not to change much for awhile.

SHEEP—Receipts only nominal, 11,500, market 10 to 15c higher. Best Western lambs today \$6.35; Mexican yearlings \$5.75; Western wethers \$5.30; Mexican ewes \$5.10 and Western \$5.00. Shorn stock not very plentiful but selling 50 to 75c under woolled. Receipts may now increase on account of this upturn and if too many can hardly expect the level to hold.

Very truly yours,
NATIONAL LIVE STOCK COM. CO.

C. E. Matteson, assistant state deputy of the Brotherhood of American Yeomen, goes to Bridgeport on 303 today to meet W. J. Tiley, state manager, and assist him in instituting a "homestead" of the order there tonight. He will return to Alliance tomorrow and resume his work here.
