"Dr. Miles' Nervine Completely Cured Our Little Boy of Fits."

A family can suffer no greater affliction than to have a child subject to fits or epilepsy. Many a father or mother would give their all to restore such a child to health.

"I am heartily glad to tell you of our little boy who was completely cured of fits. He commenced having them at 10 years of age and had them for four years. I tried three doctors and one specialist but all of them said he could not be cured, but Dr. Miles' Restorative Nervine and Dr. Miles' Nerve and Liver Pills made a complete cure. He is now hale, hearty and gay. It has been three years since he had the last spell. I shall give Dr. Miles' medicines praise wherever I go. You are at liberty to use this letter as you see fit and anyone writing to me I will gladly answer if they enclose stamp for reply."
F. M. BOGUE, Windfall, Ind.

DIAZ QUILTS POST

Dictator for Thirty Years Secretly Leaves Capital.

DE LA BARRA TAKES THE OATH

Provisional President of Mexico Is Sworn In and Takes Charge of Affairs—Rascón Is New War Minister. Business Is Resumed at Mexico City.

Mexico City, May 27.—Private telegrams received here report the arrival of General Diaz at Vera Cruz. According to these advices he boarded the Ypiranga, a Hamburg-American boat, due to sail south to Coahuacans today. It will return to Vera Cruz and sail for Europe Wednesday.

Railroad reports received say the pilot train was stopped by insurgents below Jalapa, but after learning it was serving as a pilot to the Diaz train it was permitted to proceed. None of the three trains suffered other delay.

Diaz secretly left here at 2 a. m. He was bound for Vera Cruz to take ship for Spain.

Francisco Leon de la Barra, the Mexican foreign minister and former ambassador at Washington, took the oath of office as provisional president of the republic. He will act as the chief executive in succession to Porfirio Diaz until a general election can be held.

Senor de la Barra was escorted from the national palace to the chamber of deputies, where the oath of office was administered, by the members of the staff of former President Diaz. The staff officials had resigned days ago, but had asked permission to escort the provisional president to the scene of his inauguration. The new chief executive was accompanied by General E. Rascón, who took the oath as minister of war earlier in the day.

Most of the distinguished personages in the capital were present, including the diplomatic corps in full regalia, headed by the American ambassador, Henry Lane Wilson, the dean of the corps.

Business Is Resumed.
Owing to the fact that Mexico City was orderly throughout the night, despite the magnitude of the crowd which celebrated the change in administration, business men prepared to resume their occupations on a normal basis.

Shutters were removed from the windows for the first time in two days and the morning sunlight, like a good omen, cast its rays through the open facings of the buildings, brightening considerably the appearance of the business district. A large crowd gathered about the chamber of deputies, cheering for Senor de la Barra and General Madero, while the oath was being administered.

It is now regarded as certain that Alfred Robles Dominguez, General Madero's representative here and who is virtually the military commander of the federal district, will not find it

necessary to call in the revolutionary forces from the cities of Cuernavaca and Pachuca for the purpose of maintaining order. The police and soldiers are acting under the direction of Senor Dominguez with as much readiness as if they had never known another superior.

GRANT GUILTY OF HERESY

Assembly Suspends Minister Until He Ceases to Preach False Doctrine.

Atlantic City, N. J., May 27.—The Rev. Dr. William D. Grant of Northumberland, Pa., has been found guilty by the commission which heard the charges against him. The commission reported its finding to the Presbyterian general assembly.

The commission found that Dr. Grant "taught doctrines contrary to the word of God in the bible and the Presbyterian confession of faith." He is held to be guilty under the rules of the Presbyterian board of discipline and the commission recommends that Dr. Grant be suspended from exercising the functions of a minister of the Presbyterian church until such time as "he can convince his own presbytery that of Northumberland, that he has renounced the errors he has been found to hold and to satisfy the presbytery of his purpose to no longer teach them."

A motion to adopt the report and confirm the judgment of the commission was put to a vote in the assembly and was carried overwhelmingly without debate.

VEDRINE WINS BIG PRIZE

French Aviator Is First to Finish in Paris to Madrid Race.

Madrid, May 27.—Pierre Vedrine, the French aviator, arrived at the Spanish capital from Burgos, being the first contestant to complete the third stage of the Paris-Madrid aviation race.

Gilbert and Garros are still stalled in the mountain fastnesses and it is not probable they will be able to finish within the time limit.

Vedrine, on landing at the Getafe aerodrome, jumped from his aeroplane and flung himself on the ground to rest. A frantic crowd soon rushed up, however, and bore the victorious aviator on its shoulders to the tribunal. On reaching the judge's platform he was showered with roses and kissed repeatedly by women.

Adolphus Busch of St. Louis received the decoration of the Commander's Cross of the Prussian Order of the Red Eagle in recognition by Emperor William of his services in promoting Germanic culture in America.

The fall of a giant meteor caused consternation throughout Lassen county, California. The shock when the blazing missile struck Tule mountain was felt for thirty miles, causing the earth to tremble as though from an earthquake.

Aside from hastening a change in the command of the maneuver division the restoration of peace in Mexico will have no effect on the military forces now in Texas. General Carter will soon be succeeded by General Fred D. Grant.

Should suffer in the face of evidence like this:

Mrs. George G. Gadsby, Wyoming St., Alliance, Nebr., says: "I hold as high an opinion of Doan's Kidney Pills today as when I previously recommended them in May, 1907. At that time I was troubled by severe pain in the small of my back. Doan's Kidney Pills were finally brought to my attention and procuring a supply at Fred E. Holsten's Drug Store, I began their use. The contents of two boxes completely cured me. Since then I have had several slight recurrences of kidney trouble, usually in the spring, but Doan's Kidney Pills have always driven the complaint away."

LIGHT ON DENVER TRAGEDY

Torn Photograph of Henwood Found in Von Puhl's Pocket.

Denver, May 27.—B. W. Atkinson, a wealthy contractor of Colorado Springs, who was accidentally shot Wednesday night when Harold Henwood shot S. L. Von Puhl, was more seriously injured than at first thought. A bone in his leg was shattered and amputation may be necessary.

Torn photographs of Henwood bearing his autograph, believed to have been given by him to a prominent Denver matron, were found in Von Puhl's pockets. It is the theory of the police that they were secretly removed from the woman's room by Von Puhl and that their exhibition to Henwood by Von Puhl started the row that resulted in the latter's death.

It is known that the two men came to blows in Von Puhl's room a day or two before the tragedy.

FRISCO RESORT BURNS

Bodies of Three Men Recovered From Ruins of the Chutes.

San Francisco, May 30.—Three bodies have been recovered from the ashes of the fire that destroyed the Chutes, San Francisco's largest outdoor amusement resort. Firemen are searching the ruins for bodies of others still unaccounted for.

Occupants of an adjoining lodging house, which caught fire, were aroused from their beds to find that escape was cut off. Before the firemen arrived, Della Alviso, a nineteen-year-old girl, and John Felst jumped from a second story window. Both were dangerously injured.

John Boettinger and another man whose name is not known, who were sleeping in the lodging house, are believed to have perished.

The theater of the Chutes, which was built of concrete, is the only building within the resort saved. The loss is estimated at \$250,000.

Graft in Pay for Portrait of Day.

Washington, May 30.—Albert Rosenthal, a Philadelphia portrait painter, started the house committee which is investigating expenditures in the state department with the charge that he was paid only \$850 for a portrait of Associate Justice William R. Day, former secretary of state, while the state department records contain a voucher and receipt indicating that he was paid \$2,450.
