Israel's Penitence and God's Par-  
don. Hosea xiv.

Golden Text—Thou art a God ready  
to pardon, gracious and merciful, slow  
to anger. Neh. ix:17.

(1.) Verse 1—What proportion of  
the members of present day evangeli-  
cal churches, are walking in the  
conscious favor of God?

(2.) God's chosen people had gone  
away from Him, and the prophet  
urges them to return; what suggestion  
is there in this for pastors?

(3.) What reason is there to be-  
lieve that the average Christian back-  
slider, before he finally gets estab-  
lished in the faith?

(4.) Verse 2—When a backslider  
wishes to return to the Lord, what  
"words" will he be likely to use?

(5.) Why is it not possible for one  
to be a Christian without using  
"words" to God?

(6.) When we talk to God we enter  
into conversation; how, or in what  
language does He talk to us?

(7.) When God "takes away all in-  
iquity," does he make it possible for  
us not to commit any more? Give  
your reason.

(8.) Verse 3—Why is it impossible  
to keep saved if we depend on any  
earthly thing, and do not put our  
trust wholly in God?

(9.) Why is it wrong for a child  
of God to be anxious about earthly  
things?

(10.) Verse 4—How would you com-  
pare a forgiven sinner, with Adam  
before he sinned, in the matter of moral  
purity?

(11.) What difference is there in  
the way God treats and regards a re-  
claimed backslider, and, if there be  
such, an angel who never has sinned?

(12.) Verses 5-7—What does God do  
for and with His children, in order  
that they may develop their spiritual  
lives?

(13.) What takes place in a faithful  
Christian, which answers to the  
growth and perfume of a flower, or the  
growth and expansion of a tree?

(14.) If the life of a man is not as  
sweet perfume, and if he is not as the  
spreading branches of a great tree on  
a hot day to the weary traveler,  
what if any reason is there to be-  
lieve that he is a Christian?

(15.) Why is it either right or  
wrong to believe that a Christian must  
grow in grace or backslide?

(16.) Verse 8—What is it, under  
our present conditions, to worship an  
idol?

(17.) What are the chief idols which  
people now worship?

(18.) Is there any danger, and if  
so what, of practical idolatry in con-  
nection with our church services?

(19.) Verse 9—May any man un-  
derstand the mind of God from the  
Bible, who is not personally taught  
of God? Why?

(20.) What is it which makes it cer-  
tain that a child of God will be led  
into all truth? (This is one of the  
questions which may be answered in  
writing by members of the club.)

He Wished to Marry Is Only Slight-  
ly Injured—Sheriff Fatally Wounded.**

Lincoln, May 27.—Food Commis-  
sioner Jackson has received word from a  
few merchants in small towns who as-  
sert that it will be a physical impos-  
sibility for them to candle eggs pur-  
chased by them from farmers. In a  
bulletin Mr. Jackson indicated that  
dealers who buy eggs must candle the  
product in order to avoid the penalty  
of the law. He believes most mer-  
chants can do so by employing an  
extra man and many may be able to  
do so themselves. Those who candle  
will be watched by the food inspectors  
to prevent them from accepting  
bad eggs for the sake of retaining the  
trade of farmers. If bad eggs are  
found in possession of merchants, this  
fact will be considered evidence that  
the bad eggs are for sale, and prose-  
cutions will follow.

Lincoln, May 27.—James A.  
McVitty, his wife and two children  
were murdered by James Fielder, a  
farmhand, at the McVitty home, sev-  
en miles south of Pawnee City.

Fielder, who was employed by Mc-  
Vitty, had been paying attention to  
the latter's oldest daughter, and a  
quarrel started when Fielder was told  
that she must cease annoying the girl.  
He drew his revolver and killed Mc-  
Vitty and then went to the house,  
where he shot Mrs. McVitty and the  
children in their beds. He also shot  
the girl he wished to marry, but she  
is not seriously hurt.

The murderer then fled to a school  
house, where he barricaded himself  
and defied arrest for several hours.

Sheriff Claude Fuller, who was sum-  
moned from Pawnee, called on him to  
surrender, and he replied by firing  
three shots, fatally wounding the of-  
ficer. He then shot himself and died  
within a few minutes.

Sheriff Fuller died of his wounds.

**WAIT WILL NOT TAKE TAX**

**Secretary of State Declines to Take  
Money From Rock Island.**

Lincoln, May 29.—Secretary of State  
Wait has refused to accept from the  
Rock Island railroad a corporation tax  
paid under protest. The concern failed  
to pay its annual occupation tax fee  
for the years of 1909 and 1910. On  
this account a penalty of \$10 was  
levied against the road and when they  
offered to make a payment of the \$420  
tax due, desired to attach thereto a  
protest against the penalty clause.

Secretary Wait took the position that  
since the supreme court late in 1909  
had given a decision upholding the  
validity of the corporation occupation  
tax he had no authority to receive pay-  
ment under protest.

With this action by the state official  
comes the news that he also has  
reported to Attorney General Martin  
a list of corporations in the state  
which have been doing business with-  
out the payment of the occupation tax  
as required by law. These companies,  
under the Gandy bill, passed at the  
last session of the legislature, have  
an opportunity to pay delinquencies  
and continue in business. Otherwise,  
they will be prosecuted for doing busi-  
ness contrary to law, state officials  
assert.

**ONE DEAD AND TWO WOUNDED**

**Marital Difficulties in Watts Family  
Cause Shooting.**

South Omaha, May 30.—One dead  
and two seriously wounded resulted  
from a shooting scrape on the corner  
of Twenty-eighth and Q streets. The  
dead man is John Watts, shot through  
the chest, who died before he reached  
the hospital. The injured are Allison  
Davis, shot through the left forearm,  
and Will Mayfield, who sustained a  
painful scalp wound. The latter two  
were innocent bystanders.

George Brown, who did the shooting,  
is colored, as are all the victims of his  
bullets. Brown is held at the jail.

Marital troubles of Watts led to the  
shooting. Brown, it is said, has been  
paying attention to Watts' wife. Watts  
and Brown have quarreled at different  
times over the relations between the  
two.

**INVENTS FLYING MACHINE**

**Beatrice Man's Machine Will Fly  
Without Preliminary Run.**

Beatrice, Neb., May 30.—Professor  
N. M. Souder, principal of the Beatrice  
high school, has invented a flying ma-  
chine, which he thinks will work in  
all kinds of weather. One feature of  
Souder's machine that differs from  
others is that it can be started with-  
out running along the ground. It is  
not the purpose of this machine to at-  
tain a high rate of speed, but rather  
to insure safety and to bring aerial  
navigation within the reach of inex-  
perienced persons. Mr. Souder states  
that his machine has been demon-  
strated in Oklahoma privately and that it  
will prove a success.

**River-to-Mountain Route.**

Lincoln, May 30.—H. E. Frederick-  
son, S. A. Searle and Mr. George of  
Omaha finished outlining the Omaha-  
Lincoln end of the river-to-mountain  
road, which is to be built in the near  
future. The men made the trip  
through in spite of the heavy roads  
they encountered. The new route as  
plotted will run from this city east  
to Havelock and Waverly, thence east  
south of Greenwood until a point di-  
rectly south of Louisville, where it  
turns through that place and follows  
a course across the Platte river. From  
there the road through Papillion is  
followed into Omaha. West of this  
city the main part of the road is  
plotted.

**Wayne Is Still Dry.**

Wayne, Neb., May 30.—The city of  
Wayne remains dry. In a special elec-  
tion held here the drys polled 247  
votes to 219 by the wets.

**UNABLE TO CANDLE EGGS**

**Merchants in Small Towns Say It Is

sioner Jackson has received word from a

**MARKER FOR OREGON TRIAL**

**D. A. R. Places Monster Boulder at Its  
Beginning at Nebraska City.**

Nebraska City, Neb., May 30.—The  
Daughters of the American Revolution  
of this city, having secured permis-  
sion from the city council to erect a  
monument at the corner of Fifth  
street, went out in the country and  
selected a monster boulder, the kind  
that is to be found in this part of the  
state. It will be removed to this city  
and placed on a heavy cement base  
and marked with a large bronze tablet  
showing the spot to be the starting  
point of the overland California trail  
for those who went west in the early  
days of 1848 and later years. This  
spot was near the old block house,  
which marked the spot for years and  
in which the settlers took shelter from  
the Indians in the early days.

**INTEREST AMONG FARMERS**

**Join Hands With Town People in  
Building Good Roads.**

York, Neb., May 29.—Since the dis-  
trict good roads meeting was held at  
York a greater interest has been taken  
by the farmers in York county and  
especially those who own automobiles.  
In the local newspapers correspond-  
ents from every road district are call-  
ing attention to volunteer work of  
farmers who after each rain are drag-  
ging the roads. It is proposed to drag  
through the center of York county a  
road twenty-four miles long, also a  
road through the center east and  
west twenty-four miles long. These  
roads will be maintained by the au-  
tomobile owners of York county.

**TO PEN FOR HORSE STEALING**

**Higby and Brown Plead Guilty and  
Are Sentenced.**

Central City, Neb., May 29.—Peni-  
tentiary sentences were imposed upon  
Riley Higby and George Brown, two  
men who stole a team from the Dewey  
harm here last week, drove it to Grand  
Island and sold it and then went to  
Omaha, where they were captured.  
The men signified to the county attor-  
ney their desire to plead guilty and  
Judge Thomas imposed sentence.  
Higby, being the older and having  
previously been in the jails, drew the  
heaviest sentence of two years, while  
Brown, who was a first offender, drew  
but one year.

**URGE QUICK CONSIDERATION**

**Lincoln, May 29.—Attorneys Bromo  
and Burnett of Omaha, the former  
representing Mrs. Manchester and the  
latter the Woodmen Circle, of which  
she is the head, called on State Audi-  
tor Barton to urge a speedy consider-  
ation of the charges filed against the  
Omaha woman alleging misuse of  
funds of the order. The annual meet-  
ing of the order will take place June  
13 and Mrs. Manchester desires the  
investigation to be completed before  
that date.**

**SCHOOL MONEY ON HAND.**

Lincoln, May 29.—The state treas-  
urer has certified to State Superin-  
tendent Crabtree that there is a total  
of \$375,461.63 in the temporary school  
fund to be apportioned among the dif-  
ferent counties of the state for the  
support of public schools. This fund  
is apportioned twice each year. One  
year ago the semi-annual apportion-  
ment was \$324,266. This apportion-  
ment shows an increase over the ap-  
portionment of last May in the re-  
ceipts of the state in interest of school  
lands sold.

**Union Pacific Buying Right of Way.**

Kearney, Neb., May 29.—The Union  
Pacific has begun the active campaign  
for the clinching of right of way from  
Callaway to Gandy and a party of em-  
ployees of the road left Kearney for  
Callaway with orders to begin at once  
making contracts with the owners of  
land along the proposed route. The  
men took blank contracts and will  
make an effort to secure all necessary  
right of way so that construction work  
can be started at once.

**Thieves Steal Dentists' Gold.**

Fremont, Neb., May 29.—Some time  
during the night burglars entered the  
office of Dr. Stockfelt, a dentist in the  
Wolz Turner block, and of Dr. Guy  
Baird in the Commercial National  
bank building. They were after gold  
and got several hundred dollars worth  
in the two places. An attempt was  
also made to break into Dr. Murphy's  
dental office in the Union block. There  
is no clue to the parties.

**High Wind Does Damage.**

Arapahoe, Neb., May 27.—The gale  
that has swept over this section of  
the state for the last twenty-four  
hours has done much injury to grow-  
ing crops and also severe damage to  
buildings and windmills.
