## Telephone Talks

No. 5

### The Slow Answer

Your telephone bell rings—it rings again. You are busy and do not answer. The operator finally reports to the party calling you. "They do not answer." (Note she never says, "They are not there.") Then she disconnects you.

Five seconds later—just six seconds too late—you answer. You get no reply. You angrily exclaim, "My bell rang."

Your delay caused either the loss of a customer or inconvenience to a friend. You cannot afford either.

At certain hours in the day everybody wants to talk at the same time, and telephone calls come quick and fast. At such times all we ask is for you to be considerate, remembering that "Central" on your line will answer you as quickly as possible, and will do all any operator can do to give you quick and accurate service.

### REPORTING OF TUBERCULOSIS

Required in twenty-five States, no  
Provision in twenty-eight—  
Value of Registration

Reporting of living cases of tuberculosis is now required by law or health regulation in 25 states, while in 28 states and territories, no provision whatever is made for keeping record of cases of this infectious disease, according to a statement published today by the National Association for the Study and Prevention of Tuberculosis in its official organ, the Journal of the Outdoor Life for June.

Connecticut, District of Columbia, Kansas, Maine, Maryland, Michigan, Mississippi, New Jersey, New York, Rhode Island and Vermont, are placed in the honor class as having laws which provide specifically for the reporting of tuberculosis and which make provision for the proper registration of living cases of this disease. In fourteen other states, laws or regulations of the state boards of health require that tuberculosis be reported simply as one of a list of infectious diseases. These states are, Alabama, California, Indiana, Iowa, Massachusetts, Minnesota, Nebraska, North Dakota, Oregon, Pennsylvania, Tennessee, Utah, Washington and Wisconsin.

The following 28 states and territories have no provision whatever for reporting or registration of tuberculosis cases:—Arizona, Alaska, Arkansas, Colorado, Delaware, Florida, Georgia, Hawaii, Idaho, Illinois, Kentucky, Louisiana, Missouri, Montana, Nevada, New Hampshire, New Mexico, North Carolina, Ohio, Oklahoma, Philippine Islands, Porto Rico, South Carolina, South Dakota, Texas, Virginia, West Virginia, and Wyoming.

Several cities in non-registration states, as for instance, Chicago, Cleveland, St. Louis, and New Orleans, have local ordinances requiring that tuberculosis be reported. In all, there are about 100 cities in the United States which have ordinances of this nature.

The National Association insists that the first requisite for a comprehensive campaign for the elimination of tuberculosis in a state or city is a well-enforced law requiring that every living case of tuberculosis be reported to the health authorities.

### THE PROPER COURSE

Information of Priceless Value to  
Every Alliance Citizen

How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement will add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statement of Alliance citizens who have been permanently cured?

Mrs. J. E. Whaley, 422 E. Oregon St., Alliance, Nebr., says: "I have had no reason to change my high opinion of Doan's Kidney Pills since I publicly recommended them in May, 1907. Over three years ago my kidneys became disordered and the kidney secretions were unnatural. Whenever I stooped, sharp pains dived through my loins and it was difficult for me to straighten. I tried many remedies but all failed to help me until I procured Doan's Kidney Pills at Fred E. Holsten's Drug Store. They brought me relief in a short time and I continued their use until I was free from kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
