LOCAL PARAGRAPHS

W. J. Tily, steate manager of the Yeomen, was in the city last Friday night assisting C. E. Matteson in inducting twenty new members. The Yeomen have 103 members and are steadily growing.

District Manager C. A. Hamrick has gone to Lakeside to organize a Yeomen Homestead at that place.

J. Roy Spacht, James K. Hewett and Perley I. Beach returned home from Lincoln Tuesday noon where they have been attending the School of Engineering at the State University. This is their third year of school.

Mrs. Ed. Eldred, Wille Eldred, and Misses Eva Duncan, Hattie Renzwoold and Eunice Eldred spent a few days with friends in Lakeside last week. Miss Renzwoold returned to Alliance Saturday noon, the others remaining in Lakeside till Monday of this week.

Geo. Gaddis and L. H. Highland made a fishing trip Tuesday, returning with about the usual number of the finney tribe.

Tompert-Bentz Co., publishers of the Oshkosh Herald, are also branching out in the printing business. At the Methodist church there will be a short service for the children next Sunday morning. The pastor requests parents to have their children who attend Sunday school to remain to this special service, and invites all others who can to attend.

The Herald is pleased to note that Drake & Barb, who erected a new building and opened the "Resident Meat Market" on Sweetwater avenue a few months since, are doing a good business. Judging from the number of sales books which they use, they are selling a large amount of meat.

Dr. Boland has recovered from his recent illness which confined him to the hospital for a few days. The Herald is pleased to publish this week his announcement as a candidate for the democratic and peoples independent nomination for county coroner.

Dr. L. W. Bowman, who disposed of his business here a few months ago and went to Stanton, Nebr., is in Alliance this week. We understand that he has decided to leave Stanton, but have not learned whether he will locate in this city again. He and his family will receive a cordial welcome if he decides to make Alliance his home again.

Miss Grace Wells of Massillon, Ohio, arrived Tuesday noon for a two weeks' visit with friends, and will be the guest of Mrs. W. D. Zedler while in the city. Her parents and their family formerly resided here, her father being master mechanic for the C. B. & Q. at one time, and removed to the Buckeye state a few years ago. Since removing from Alliance, Miss Wells completed a four years' course at Ann Arbor, and has been teaching the past year. On her return she will go via Denver, and is planning to reach Ann Arbor in time to see her brother, Stanfield, graduate on the 27th inst. Miss Wells' many Alliance friends are delighted for the opportunity of meeting her again, and The Herald is pleased to learn that she is enjoying her visit immensely.
