

A FEW POINTS OMITTED

Large Grist of News in Last Week's Herald Not Quite Complete

The Herald gave an extended account last week of the Decoration Day exercises, but still a few things which we wished to mention were omitted for the simple reason that one page of the copy was dropped out, on which we mentioned:

"Hon. I. E. Tash was chairman of the day, and filled the position with his usual dignity and ability. The Alliance band discoursed music that pleased the large crowd which filled the opera house to overflowing. A spirit of good will marked the occasion. It was a union service in the fullest sense. There are times when in the stress of striving for the things which we wish to accomplish to gratify our own desires and ambitions, or even in battling for the things that we believe to be right, that bitter feelings are harbored towards those who oppose: but in times like this when the populace assembles to pay respect to the memory of brave men who offered their lives as a sacrifice for the common good, the spirit of patriotism which nerved the heroes whose bravery we commemorate, prompts us to empty our hearts of every discordant element and grasp the hands in brotherly kindness of those who differ, as well as those who agree, with us. Participating in the exercises were members of the Catholic church and of the various Protestant denominations, and some non-church members, all vying with each other to show their appreciation of the part the others took in the celebration of the day."

MAKE IT UNANIMOUS

Among the announcements of candidates which we are pleased to publish in the Herald is that of Miss Della M. Reed, county superintendent, who is a candidate for re-election. We suppose there will be at least two candidates for each of the other Box Butte county offices to be filled by election this year, but we wish to recommend that there be no other candidate for the office of county superintendent; and we suppose there will be no other, unless some teacher permits himself, or herself, to be pushed into the campaign by designing politicians. It is no flattery or fulsome praise to say that Miss Reed has made an excel-

lent official. Looking at the matter from the view point of the interest of the schools, she ought to be continued in her present position, and her faithful and efficient service entitles her to the splendid compliment of a unanimous re-election. The Herald moves that we make it unanimous.

THE PEOPLE'S CHURCH

That is the name that we are coming to be known by, and that is the way we want you to feel about the Baptist church. It is your church and you will be made to feel at home when you come. Will you not try to come next Sunday? Morning subject, "Is Christ Coming Soon?" In the evening, "The Gospel in Song". This will be entirely a musical service and something new in this line, too, that will please and help you. When we held a similar service three years ago in Atlantic City the church couldn't hold the people. A cordial invitation is extended to Normal students and faculty to worship with us. Mrs. F. L. Parsons, choir director. FRANKLIN McNEILL, Pastor.

A THING OF BEAUTY

"A thing of beauty is a joy forever." Whether so long as that or not, the Burlington park, east of the station, is a joy while you are looking at it. It's a beauty spot, such as we wish there were many more in Alliance.

EPISCOPAL CHURCH

There will be services at 10:30 a. m. and at 8 p. m.

The subject at the morning service will be an address on the first half of the Church Catechism. The Superintendent and teachers of the Sunday school are requested to see that the pupils of the Sunday school attend this service. The Offertory at the evening service will be sung by Miss Kridlebaugh and Miss Dorothy Hoag. The address by Mr. Ware will be "The Traditionalist and the Evangelist in History."

FIRE BOYS DANCE

A dance will be given at Phelan opera house, Tuesday evening, June 13th, by the boys of Hose Co. No. 1, Alliance Fire Department. Mrs. Wikker will be at the piano. Everybody welcome. Admission 50 cents.

The members of the Curly Telephone Company held a meeting last Friday and decided to build five and one-half miles of high line, beginning at Canton.

We understand that there has been a petition presented to our county commissioners, asking that body to place the proposition before the voters at the fall election, for setting off a strip of territory the entire width of this county and six miles wide. If we ever hope to divide Sioux county into two counties, which is quite probable, we need this territory and cannot see our way clear to let go of this valuable strip.

A TALENTED SINGER

Elsewhere in this issue of The Herald is a mention of the visit to this city of Miss Jessie Elliott of Abingdon, Illinois, who spent Saturday and Sunday with Dr. and Mrs. Chas. E. Slagle on her way to Chadron. We should mention, also, that Miss Elliott is one of the finest singers in the middle west, and those who heard her while here certainly enjoyed it. We congratulate the Chadron State Normal school on securing her service.

A Charming Woman

is one who is lovely in face, form, mind and temper. But it's hard for a woman to be charming without health. A weak, sickly woman will be nervous and irritable. Constipation and kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a godsend to women who want health, beauty and friends. They regulate Stomach, Liver and Kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion and perfect health. Try them. 50c at F. J. Brennan's.

A BULL IN THE MAKEUP

The word bull has a variety of meanings, ranging from very good to very bad, and is often used in a figurative sense. Our readers are familiar with the expressions, "bull pen", "a bull in a china shop", etc., but perhaps not many of them have before heard of the "bull in the makeup", an expression used by printers meaning the getting of lines or paragraphs of type in the wrong places in arranging the type forms for printing the paper. Last week The Herald had items about Mrs. L. C. Thomas visiting in Omaha and Wayne, the anniversary service of the I. O. O. F. and the Rebeccas, Marshal Hunsacker's new uniform, Mrs. Julia Hale going to Gordon, Charley Lotspeich's family going to the ranch for the summer, and Dr. Slagle going to Omaha and returning with Burton Warrick. These items all belonged in the Alliance local news, but by a "bull in the makeup" they got into the country correspondence department, being placed under the Quaker Valley items.
