On the Sunday School Lesson by Rev. Dr. Linscott for the International Press Bible Question Club.

(Copyright 1910 by Rev. T. S. Linscott, D. D.)

July 30th, 1911.

(Copyright, 1910, by Rev. T. S. Linscott, D. D.)
The Finding of the Book of the Law, 2 Chron. xxxiv:14-33.

Golden Text—Thy word have I hid in mine heart, that I might not sin against thee. Ps. cxix:11.

(1.) Verses 14-17—What book was it they found; what did it consist of, and who was its author?

(2.) What were they doing when they found this book of Moses?

(3.) What are we generally doing when we find our richest treasures of spiritual knowledge?

(4.) How could so important a book have been lost, or mislaid?

(5.) Was this probably the only copy of the book in existence?

(6.) Verses 18-19—What effect did the reading of this book of the law have upon the king?

(7.) What part of the book would be likely to produce such grief on the part of the king? (See Deut. xxviii et seq.)

(8.) What part of this book of the law which pertains to morals, is considered operative and binding to-day?

(9.) You will observe that there are many death penalties for breaches of the moral law. Why have these been abolished by Christian people?

(10.) Did Jesus abolish any of the laws of Moses and if so which? (See Matt. v:23-24, et seq.)

(11.) Why are some laws just and equal under certain circumstances while cruel and unjust under others?

(12.) What has been the effect of reading the Bible upon national and individual character?

(13.) Verses 20-21—If these people did not have the book of the law how did they know their duty, or how to worship?

(14.) Why was it necessary for the king to inquire further of the Lord when he now had the "law" in his hands?

(15.) If more light were needed why could not the king or Hilkiah, the priest, inquire of God direct?

(16.) How did the saints of God, who lived before Moses, find out the mind of God?

(17.) Why are the penalties of moral law as unyielding and certain as are the penalties of physical law?

(18.) Verses 22-25—Why is it that there are and always have been those who are sensitive to the voice of God, when the masses of even spiritual people are dull and unconscious of it?

(19.) What is the reason for believing that all Christian people may cultivate the inward ear to discern the voice of God?

(20.) How many women of the Bible are there which excelled in spiritual power and influence?

(21.) When were these punishments inflicted upon Judah? (See 2 Chron. xxxvi:17-20.)

(22.) Verses 26-28—When a man repents of his sin does God always forgive him, and remit the penalty, or are there exceptions?

(23.) Verses 29-33—The entire nation seems to have repented at this time; did that keep them from being destroyed, and would it have prevented the final overthrow of the nation if they had not backslidden again?

(24.) This incident shows how much influence one man has who is thoroughly aroused. What practical lesson may we learn from it? (This is one of the questions which may be answered in writing by members of the club.)

MUSHROOM CORNS

Most Painful of All Foot Ailments.
How to Cure Them.

The Mushroom corn is so called from its pitted cone top, resembling a tiny mushroom. It burrows deep into the toe and gets more inflamed than other corns. For the quick relief and cure of these and all corns and callouses the following is the most effective remedy known to science:

Dissolve 2 tablespoonfuls of Calocide compound in a basin of hot water. Soak the feet in this for full fifteen minutes, gently massaging the sore parts. (Less time will not give desired results.) All soreness instantly disappears and the corn or callous can be easily peeled off. It may be necessary to repeat this for a number of nights for a complete cure, but if adhered to it will surely succeed. A little olive oil rubbed on the part is very beneficial. This Calocide is a very remarkable preparation for all foot ailments and is no longer confined to doctors' use. Any druggist has it in stock or will quickly get it from his wholesale house. A twenty-five cent package is usually sufficient to put the worst feet in fine condition. Bad smelling feet and tender feet need only a few treatments, likewise with inflamed bunions. This item will be welcomed by persons who have tried ineffectual sawdusts and tablets.

ESCAPED WITH HIS LIFE

"Twenty-one years ago I faced an awful death," writes H. B. Martin, Port Harrelson, S. C. "Doctors said I had consumption and the dreadful cough I had looked it, sure enough. I tried everything I could hear of, for my cough, and was under the treatment of the best doctor in Georgetown, S. C. for a year, but could get no relief. A friend advised me to try Dr. King's New Discovery. I did so and was completely cured. I feel that I owe my life to this great throat and lung cure." It's positively guaranteed for coughs, colds, and all bronchial affections. 50c and \$1.00 trial bottle free at F. J. Brennan's drug store.

"What's Butter Worth?"

By means of local Bell Telephone service, the value of farm products has increased two-fold. When prices are high, farm produce can be sold, and when low, the farmer's wife can wait for an advance before she sells.

Local Bell Service keeps the farmer's wife in close touch with the social life of the community, and the long distance lines permit her to visit with friends and relatives in distant towns.
