Machinist Sullivan resigned from the service on Monday and left that night for Denver.

Fireman Maher returned from Hot Springs Sunday, and will work out of Alliance.

Engineer Guy Allen came in on No. 36 Monday evening for a few hours' visit with home folks.

Fireman Weidenfeldt, who has been employed here the past two years, has resigned and gone to Edgemont, where he will devote his time to his ranch work.

Mrs. Neise Pederson and two daughters, of Ravenna, are in Alliance, guests at the Bullock home.

Conductor and Mrs. Clyde Bullock came in Saturday morning from Albion, where they had been visiting at the home of Mrs. Bullock's parents.

Machinist and Mrs. F. J. Conners were east bound passengers Sunday. They will visit for a few days with Chief of Police Donahue in Omaha, going from there to Oklahoma. They will be gone about two weeks. Their son, Will Conners of Parsons, Kansas, accompanied them. Will is now employed in the Rock Island shops at Parsons.

Two of the deserving young brakemen, Edwin Shields and John Leitka, successfully passed the examination, were presented with punches, and are now full fledged conductors. Both of these young men were made here, and by their splendid work and earnest endeavor have earned promotion. Unless we are very much mistaken they will yet climb to higher honors.

## RAPIDLY RECOVERING HEALTH

Luke Phillips Undergoes Operation for Appendicitis

Ora E. Phillips returned Tuesday morning from Omaha, where he went a week ago last Saturday to take care of his father, Luke Phillips, who had preceded him to that city a few days. For some time past Mr. Phillips, Sr., has had stomach trouble and upon the advise of his physician went to Omaha to have an examination by specialists. They soon decided that an operation for appendicitis was necessary, and the operation was performed at the Omaha General Hospital. It seems that he had been ailing with this disease for a long while, and that the appendicitis had superinduced stomach ulcers, which were also removed by the operation. We are very glad to be able to say that since the operation Mr. Phillips is getting along nicely with good indications that he will soon have better health than he has had in a long while. He was able to be up and around on Monday of this week, and later reports indicate that he continues to improve rapidly.

## OPENS APPLE STORE

A. Berlin & Son of Brownsville, Neb., who were selling apples and pears from a car on the track north of the service building last week, have rented the room at 119 Box Butte avenue, first door south of The Herald office, and have moved their apples and pears into the same. They have another car load of apples on the way, which they will offer for sale a day or two on the track, and what are left after that time will be moved into the above named room and sold. Cal Simpson is helping them sell their fruit. Notice their ad in this week's issue of The Herald.

## CROSS-COUNTRY RUN

Last Saturday the Alliance High school boys had their first cross-

country run of the season. Starting from Central school building on Box Butte avenue they ran south to the bank corners; thence west on Third street, passing through West Lawn, one and a half miles; thence north one-half mile; thence east to Box Butte avenue; thence south to starting point, making a course of four miles. Following were the first three in: Clarence Schafer, 24:25; Dave Beach, 28:10; Michael Nolan, 28:15.

The best place to buy groceries is at the Co-Operative, quality and price considered.

## SPECIAL ELECTION PETITION

Owing to the crowded condition of the Alliance city schools, a petition is being circulated asking for a special election to vote on the proposition to bond the school district for \$15,000, to be used in repairing and remodeling the Central building and erecting an addition to the Emerson school and putting in a heating plant and making other improvements. Readers of The Herald who read the article recently published in regard to the need of more room and better facilities for the city schools know something of the necessity for bonding to secure the money for the proposed improvements. Unless the patrons of the schools are willing for them to be hampered and some of the children to attend school in unsanitary rooms, it seems to us there is no alternative to voting bonds to secure the necessary funds for the improvements.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by E. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
