## INTEREST IN WATERWAYS

Sioux City Wants 1912 Meet of Commercial Congress.

Reports from the upper Missouri river country to the headquarters of the Trans-Mississippi Commercial congress at Kansas City indicate more interest than ever before in the meeting of the congress there Nov. 14 to 17, as the result of a better feeling now existing toward the improvement of the Missouri from St. Louis to Kansas City.

Upper river towns realize that the lower portion of the river must be navigable before they can hope for appropriations for work there. Sioux City is in the fight for the 1912 session of the congress and will have a strong delegation there. Congressman Borland expects eleven members of the national rivers and harbors committee here for the congress.

**Price of Refined Sugar Reduced.**  
New York, Nov. 7.—The price of refined sugar was marked down another ten points in the local market, making the third decline recently reported. Fine granulated sugar is now quoted at 6.4 cents per pound in the wholesale market, whereas at the height of the recent bull movement some of the refiners were asking 7½ cents. The market for raw sugar was unchanged.

## ARREST SEVEN WOMEN

Chicago Police Raid Pool Room in Residence District.

Chicago, Nov. 7.—Assistant Chief Schuetzler's new gambling squad broke down the doors of a flat in the west side residence district and then stopped abashed. Instead of the usual assortment of men they expected to find were seven women clustered about the paraphernalia of a pool room.

Seven women were arrested, one as the keeper of a handbook and the others as inmates of a gambling house. One of those arrested was seventy-two years of age, the youngest was thirty-eight years and the others ranged over fifty years.

They were given a continuance until Nov. 16.

## NEBRASKA NEWS

Secretary Would Have Authority Over Corporations.

## ELEVATOR COMPANY APPEALS.

Nye-Schneider-Fowler Company Makes Further Objection to the Judgment of Court in Gundy Suit—Brief in Donahue Ouster Case.

Lincoln, Nov. 7.—Secretary of State Waite has proposed to the statute revision committee a change in the law relating to the collection of an annual state tax against corporations. The change suggested by the state official sets out that upon the publishing of the names of the delinquent corporations Sept. 1 of each year the governor shall forthwith declare all their charters forfeited and the right of such corporations to do business shall be declared illegal unless the fees are remitted by the 30th of November next following.

A proviso is also appended which gives the secretary of state the authority to reinstate such corporations as may have become delinquent. The reinstatement for same is to be made within a year following the date of the delinquency.

On the ground that the state supreme court in the opinion previously rendered is based on an erroneous view of the law, attorneys for the Nye-Schneider-Fowler company asked that tribunal for a judgment in its favor in a case in which the estate of M. R. Gundy is the other party.

Gundy died as the result of a fall from one of the company's elevators. He was at that time employed as a workman at the company's plant there. The jury in the district court trial of the case awarded the dead man's heirs judgment in the sum of \$3,200.

## TALK OF PIPE LINE REVIVED

Operation of Standard Oil Company in Wyoming Brings Up Matter.

Omaha, Nov. 7.—Now that the Standard Oil company is said to have bought heavily in the new oil fields near Casper, Wyo., where it has built refineries, there is considerable talk of the probability that the Standard will get ahead of the Lander oil people in the construction of a pipe line to Omaha.

"The construction of a pipe line to Omaha by the Standard seems feasible enough," said G. W. Wattles of the Commercial club committee appointed to co-operate with the Wyoming oil men in plans for a pipe line.

"The Lander man who is at the head of the Lander pipe line movement is now in Europe after the necessary capital. We have not heard from him for some time, and until we do we will not know how his negotiations are progressing. In the meantime, the Standard may get ahead of him."

## Two Suits Against Coad Estate.

Fremont, Neb., Nov. 7.—Valeria Al-lensbach, the divorced wife of the late Mark M. Coad, is still after money from the estate. In the county court Judge Stinson held that she could not recover on a claim which she had filed against the estate for money alleged to have been loaned Coad. Her case probably will go to the district court. Among the other claims filed against the Coad estate is one of a former Fremont dressmaker for the purchase price of some mink stock. She claims that when she bought the stock of Coad she took a written agreement back that he was to return the money if the stock did not pay big returns.

## Three Hurt as Auto Turns Over.

Elkhorn, Neb., Nov. 7.—Olaf Holmes, driving a party of three men from Fremont to Omaha in his automobile, came into Elkhorn at high speed and in rounding a corner the auto upset, turning completely over. Thomas, Clyde Emory and William Dodds, all of Fremont, were severely bruised, but the driver escaped with but a few scratches. The three passengers were hurled against a telephone pole.
