

LIST OF OFFICERS ELECTED

In Box Butte and Other Western Nebraska Counties

Before election The Herald published a list of the nominees for county officers in Box Butte and adjoining counties in which this paper has a large circulation. This was the only paper in western Nebraska, and so far as we know, in the state, that published such a list for more than one county. MEETING OF "BIG BUGS"

The towns along the North Platte valley branches of the C. B. & Q. and U. P. railroads are getting the habit of going after what they want. The valley under irrigation is developing into a great agricultural district but the people are finding out that there are some serious disadvantages to the irrigation proposition; one of them is a shortage of water in some ditches and another is too much water on some farms below the ditches, caused by seepage. Some valuable land has been almost ruined, temporarily at least, by being made swampy from seepage from ditches on higher ground. Now the people along the valley are taking steps to get the government to help them out of their difficulties. A meeting was held at Scottsbluff last Tuesday evening at which United States Senators Brown and Hitchcock and Congressman Kinkaid were present. Prominent men from this part of the state were also invited, including Captain Corbin and Postmaster Tash of Alliance.

NEW TELEPHONE DIRECTORY

An order has just been given by the Nebraska Telephone Company for a new telephone directory for Alliance, the same to be issued within the next two weeks. All persons who contemplate making any change in their telephone numbers or putting in telephones soon are requested to notify the Alliance manager, T. H. Beeson, so that they can be assigned numbers in time to appear in the new directory.

TAFFY PULL

The Epworth League will have a taffy pull in the basement of the M. E. church tomorrow (Friday) evening. Various amusements are being planned by the Committee. Come, feed the "Clown" and have a great big time. Any silver accepted, table silverware excepted. All are cordially invited.

WOMAN'S CLUB

Tomorrow afternoon will be the time for the regular meeting of the Alliance Woman's Club. The club will be entertained at the home of Mrs. Rubendall.
