The Best Advice On Lumber Costs The Least Money

and when we say to prospective homebuilders that "now's the time to build" we are offering you really sound advice. No matter what you have heard about cheaper lumber, take it from us that you're on the safe side if you build right now. We haven't been in the lumber business for these many years for nothing—we know a thing or two and we're willing to admit you do too, but in the face of all this talk nowadays about timber conservation we believe you'll agree that lumber has a fixed value and that by delaying the building of your new home you will gain nothing but inconvenience.

We believe we can convince you the above is good advice—let's talk it over.

The following named teachers from our city schools attended the Nebraska State Teachers' Association held at Omaha recently: Supt. Pate, and the Misses Snodgrass, Nerud, Gabus, Gilbert and Niedermeyer.

C. C. Cooper, of Loup City, Nebr., representative of the Loup City Flouring Mills, was in the city Wednesday. He goes today to Scottsbluff and Mitchell, where he has a large trade for the Loup City Mills.

W. M. Iodence of the north part of the county was in the city last Saturday on business. He is an attorney as well as a ranchman and has to visit the county seat in connection with legal matters as well as on other business.

Chas. Helfrecht, Springfield, Missouri, was in the city from Friday till Sunday, looking after business matters. Mr. Helfrecht has land eighteen miles west of Alliance, which he visited and says he is very much pleased with that purchase, made seven years ago.

Subscriptions will be received in The Herald office for all the leading periodical publications in the United States, at the publishers' prices. Readers of The Herald are invited to leave their subscriptions for the coming year at this office.

A steam heating plant has been installed in the City Hall building, and other improvements made which add to the convenience and comfort of the building and which will be a help in keeping down fuel bills when the extreme cold weather of winter comes.

H. A. McMillan, the piano tuner, was in from his Sheridan county ranch last week, doing some work for his customers in this city. His son came with him to have some dental work done. Mr. McMillan went from here to Omaha the first of this week to work a while in the music house of A. Hospe Company, where he was formerly employed.

A few days ago W. S. Ridgell received a crate of two dozen boxes of Missouri persimmons from a friend who is in the commission business at Kansas City. The Herald force had the pleasure of sampling the fruit and without an exception pronounced it very fine. Judge Ridgell says that after Champ Clark is inaugurated president of the United States, March 4, 1913, he is going to have Box Butte county planted in Missouri persimmons.

A. P. Lee, Alliance manager for the Forest Lumber Co., informs The Herald that his company has taken up the automobile trade in connection with their other extensive business. They will handle two well known and popular makes of automobiles, the Mitchell and the Brush. We call attention to the advertisement of these cars in this issue and suggest to our readers in northwestern Nebraska that they see Mr. Lee before purchasing a machine.

Mrs. Ray McKenzie departed Friday noon for a visit at her old home in Lincoln.

Mr. and Mrs. G. W. Wyant, brother and sister-in-law of Mrs. D. W. Butler, of Malvern, Iowa, terminated a three weeks' visit in Alliance the latter part of last week, going from here to North Dakota and from there they will go to Minneapolis. They are traveling for Mr. Wyant's health and will spend the winter visiting.

The Horace Bogue store is advertising a remarkable sale in which the entire stock is included at prices that will, no doubt, bring them a tremendous trade the balance of this week. It is not necessary for us to ask our readers to notice the ad—you can't help noticing it—but we suggest to persons who contemplate buying anything in the line of goods carried by this store to read the entire ad before laying this paper down.

We wish to call the attention of lady readers, especially those residing in the country and neighboring towns, to the ad of W. R. Harper appearing in this issue of The Herald. He has a line of goods not usually carried in stores in small towns, or if carried at all, only in small quantities. Ladies in purchasing wearing apparel like to have a large assortment to select from, and this they will find at Mr. Harper's, besides he is offering some especially attractive bargains in starting out, as will be seen by reading the advertisement.

Mr. and Mrs. W. P. Allbee will leave on 44 Saturday for eastern Nebraska and Iowa. They will go first to Omaha for a visit at the home of Mr. Allbee's sister, Mrs. Dr. John Roy; from Omaha they will go to Glenwood, Iowa, where his parents reside, and from which place he has received numerous letters since the accident which deprived him of his hands, asking him to come to that place and go into business. He lived at Glenwood quite a number of years, having graduated from the High school in that city, and is well acquainted there. He has not yet decided whether he will enter business in that place or not. From Glenwood they will go to Plattsmouth, where Mrs. Allbee's parents, Mr. and Mrs. J. W. Barwick, reside, and from there return to Alliance some time after the holidays. The Herald wishes them a safe journey and a pleasant visit, as they no doubt will have at each of the above mentioned places.

Heinz bulk pickles, saur kraut and mince mea. are surely delicious and the Co-Operative sells them at the right prices.

The copy for the Thanksgiving number of Alliance High school paper, The Spud, will be in the hands of the printer tomorrow, and the paper will be ready for delivery on Wednesday the 29th. This will be an especially interesting number of the paper and deserves a large circulation. Persons who wish extra copies of it to send to their friends should order the same immediately, before press work is commenced on the paper, which will probably be Saturday of this week. Orders for extra copies should be handed or telephoned to Miss Emma Tash, circulation manager.

BACK NUMBER WANTED

We wish a few copies of The Herald of October 26, 1911, and will appreciate it very much if some of our friends can send us the same. For the first five copies of that number brought or sent to The Herald office we will credit a month's subscription to the paper.

SEVEN SPORTS SOAKED

In the "wee small hours" last Saturday night the Alliance police force got busy and rounded up seven citizens who were engaged in the absorbing game of poker. Some of them showed a disposition to try to escape from the strong arm of the law, but somewhat less than a dozen shots fired by Officers Hunsaker and M. F. and F. R. Donovan helped to induce them to submit to what was then the inevitable. They were taken before Judge Zurn and six of them plead guilty to gambling and were each fined \$10.00 and trimmings. One of them stood trial but was convicted, making costs which he had to pay considerably heavier, the entire expense of the affair depleting his pocket book to the extent of \$21.85. The Herald has been requested to give the public a list of names of the above mentioned sports, but as they are all young, the oldest still being on the sunny side of sixty, there is hope that they may be reformed by gentler means, consequently we are withholding their names from the cruel gaze of the public for the present.

Preparations are being made for observance of the Lincoln Legion Day in Alliance, soon. Particulars will be given next week.

CENTRAL EUROPE SHAKEN

Violent Earthquake Shock Felt in Switzerland and Germany.

An earth shock was felt throughout Switzerland. This was followed by lesser quakes. The movement was especially strong in the cantons of Berne and Zurich, in the district of Interlaken and throughout the region of the Alps. So far as known there were no casualties.

In Geneva street cars were derailed in Berne and in Zurich theater audiences were thrown into a panic and rushed into the streets. At Chamonix enormous avalanches rushed down Mount Blanc. The seismic motion was from north to south.

The earthquake, which was felt in a wide area of central Europe, severely damaged the castle of Hohenzollern, near Hechingen, Prussia. Statues were disfigured and great cracks appeared in the towers.

OBITUARY

Yesterday morning at 11 o'clock occurred the death of Mrs. John Burke at her late home in Lincoln, Nebraska. She was the mother of our townsmen, George and R. J. Burke. Her death ended an illness of long duration. George Burke left on Tuesday for her bedside and Mr. and Mrs. Richard J. and their cousin, John Burke, departed for the home upon the receipt of a telegram announcing her death. The funeral services will be held at the late home of the deceased in Lincoln, next Saturday morning.

The Burke boys and their relatives have the sympathy of many friends here.

MANN-SNOW

At the home of Mr. and Mrs. Thomas Spencer, the popular traveling salesman and his estimable wife, at 8:00 o'clock Wednesday evening, November 22, 1911, occurred the wedding of Mr. Walter L. Mann and Miss Lala F. Snow, both of Mansfield, Rev. A. L. Godfrey, pastor of the U. P. church, officiating. The bride and Mrs. Spencer are sisters. The Herald joins with the many friends of the newly married couple in congratulations and best wishes for a happy and prosperous life.
