## Eighty-one Killed Besides Those in Indianola Wreck.

### 1,024 PERSONS ARE INJURED

#### Casualty List Compiled by State Railway Commission—State Canvassing Board Meets at Lincoln—No Blank Certificates Ready for Signing.

Lincoln, Nov. 28.—A summary of persons injured and killed by railroads in this state has just been compiled by the state railway commission. The records include all injured and killed up to June 30, 1911. The totals include thirty-three railway employees, five passengers, one postal clerk and forty-two others, a grand total of eighty-one.

The injured number 720 employees, 129 passengers, 31 postal clerks and other employees, and 146 other persons. The total was 1,024 persons. The average total number of railway employees on the roads in that time was 29,923, while the total number of revenue passengers carried was 10,447,863.

Of the railway employees killed, seventeen were employed by the Union Pacific, one by the Rock Island, six by the Northwestern, eight by the Burlington and one by the Missouri Pacific. Of the five passengers killed, three were killed by the Union Pacific and two by the Missouri Pacific.

Owing to an error in the report the Burlington wreck at Indianola, May 29, was not included. In this wreck fourteen persons were killed or died from injuries later, and there were twenty-two injured.

#### Canvassing Board Meets.

The state canvassing board met, as provided for by law, and went through the formality of canvassing the returns of the late state election. The returns as sent in by the county clerks and as tabulated by T. W. Smith of the secretary of state's office were found to be correct.

State Treasurer George and Governor Aldrich, other members of the board, were absent and, pending their return, no certificates of election will be issued to the successful candidates. Dan Stephens, who was elected to succeed J. P. Latta in the Third district, and who has been very anxious to obtain his certificate, may have to wait a few days longer, because there are no blanks on which to fill in the certificate. It is probable that an improvised one, however, will be given the new congressman in view of the fact that he is desirous of going to Washington and getting settled before congress opens Dec. 4.

#### Hayward Joins New York Law Firm.

Will Hayward, formerly a well known Nebraska politician and at present a resident of New York city, has just become a member of the law firm of Wing & Russell. Burt D. Whedon, a son of Charles O. Whedon of this city, has also become a member of the same firm. All of the members of the new concern, Tom Wing, Phillip Russell and the two new additions, are graduates of the University of Nebraska.

The anti-trading stamp act passed by the last legislature will probably be tested soon by quo warranto proceedings to be instituted by County Attorney Strode. Mr. Strode has been in consultation with Deputy Attorney General Ayres and E. J. Clements, the lawyer employed by a number of Lincoln retailers who oppose giving trading stamps.

The matter was brought to the attention of the district court on the demurrer of the defendant in the information in the case of the state against J. R. Burleigh. The latter was charged with having sold a package of topioca in which was a library slip, good in part payments for books or magazines. The giving of this slip was alleged to be in violation of the trading stamp law.

#### Tipton Assault Case Begins at Pender.

The case of the state against Alfred Tipton, who is charged with criminally assaulting sixteen-year-old Mary Lewis at the residence of her uncle, Charles Lewis, was called in the district court in Pender. Judge Graves overruled a motion for a change of venue and the trial was ordered proceeded with. A jury was secured.

#### Girl Dies of Typhoid Fever.

Bertrice, Neb., Nov. 28.—Miss Bertrice Bohstedt, one of the stonemasons of the feeble minded institution died Saturday at the home of her parents, Mr. and Mrs. Theodore Bohstedt, six miles northeast of Pickrell, after an illness of five weeks with typhoid fever. She was eighteen years of age.

#### Four Men Taken to Prison.

Within twenty-four hours three men under arrest at Omaha, charged with selling liquor to Indians, had been indicted by a federal grand jury, pleaded guilty and were on their way to the federal prison at Fort Leavenworth. The men are James Sullivan, E. W. Walroth and C. A. Hendershot. They were given sentences of a year and a day.

#### Physicians Win Suit.

Mrs. Helena Steiger did not win her suit against Drs. McKinnon and Dayton in court at Lincoln, the jury turning in a report of a disagreement. She sued for \$10,000, alleging that the sight of her eye was lost after an operation by the physicians.

## CITIZENS SUE MAYOR

### Lawsuit Grows Out of Broken Bow's Fight for School.

Broken Bow, Neb., Nov. 28.—Intense public interest is being taken in the civil suit of H. M. Sullivan, G. L. Turner and others, who constitute an executive committee of citizens, against James Ledwich, real estate agent and mayor of Broken Bow. The case is the outcome of the efforts of the town to secure the state agricultural college, which was located a few months ago at Curtis. In making the showing to the state locating board it was necessary to secure a certain quarter section of land adjoining the city owned by parties in New Hampshire and represented here by Mayor Ledwich.

The executive committee of Broken Bow citizens found it necessary to purchase this land in order to make the proper showing, \$1,000 being paid down and the balance being due at the time of transfer. Ledwich furnished a warranty deed and, it is alleged, cashed the check for \$1,000, which was held in escrow at the bank, \$300 of this amount being his commission. The contention was made by the citizens' committee that the title was not a merchantable one and not such as the state of Nebraska would accept.

Mayor Ledwich is assisted in his case by W. H. Thompson of Grand Island, while the citizens' committee is represented by Judge Homer M. Sullivan, Judge C. L. Guterson, Judge A. R. Humphrey, E. E. Squires and other local members of the bar.

Judge Hostetter refused to entertain a motion of W. H. Thompson for postponement of the case, stating it had twice been put over to accommodate the defense, but later on affidavits were filed that made it imperative to continue the case until the first day of the January term. It is expected that more interest will be taken in this case than any civil action of recent years.

## GOVERNOR PARDONS INDIAN

### Louis Priest Sentenced to Two Years for Treating Friend.

Louis Priest, an Indian of the Winnebago Indian reservation in Thurston county, who was sentenced to two years in the state penitentiary on the charge of treating another Indian to liquor, was pardoned by Governor Aldrich.

The pardon was issued on recommendation of Judge G. T. Graves, the trial judge, and E. G. Maggi of the board of pardons.

Information was given the governor indicating that Priest was unable to speak or write English and that he was unable to comprehend the laws of the state. He saw white men treating each other to intoxicants and he saw no wrong in his doing the same with his Indian friends.

Priest was convicted under the law forbidding the sale or gift of liquors to Indians. He was not prosecuted under the general anti-treating law, which applies also to his white brothers. Priest was sentenced May 4, 1910, and would have been released next January.

#### Inspects Consumptive Home.

Land Commissioner Cowles has returned from Iowa, where he went to inspect the state institution for the care of indigent consumptives. Incumbents are not admitted over there, according to Mr. Cowles, and only those are permitted to enjoy the privileges of the place who have a fighting chance for the cure of the dread disease. The state official found much to instruct him with regard to the conduct of a similar institution which the state will soon open at Kearney, in accordance with an enactment of the last session of the legislature.

#### Receivership Case Into Federal Court.

In the action brought at Clay Center by the minority holders of the St. Joseph and Grand Island Railway company for the appointment of a receiver, and for an injunction, a petition of removal and bond was filed by the Union Pacific, removing the case to the United States court. Judge Hurd signed the order of removal and the case is now lodged in the federal court.

#### Nebraska Central Installs President.

Rev. Stephen S. Myrick, formerly head master of Oldham Hall, an Anglo-Chinese boarding school for boys, Singapore, was inaugurated seventh president of Nebraska Central college, the flourishing Quaker institution located in the suburbs of Central City.

#### Fred W. Rottman Improving.

Fred W. Rottman, cashier of the Oteo County National bank, who was so seriously injured in the Missouri Pacific wreck at Fort Crook some time since, when his wife, daughter and father-in-law were killed while sitting near him, is able to be out.

#### Bar Association to Meet Dec. 28.

The State Bar association will meet in Lincoln Dec. 28 and 29. A committee selected some time ago by the association will report at the meeting in regard to recommendations as indicated by revision of the state criminal and civil codes.

#### Gulley of Manslaughter.

Henry Stehr of Norfolk, accused of murdering his three-year-old stepson was found guilty of manslaughter by jury at Madison. The little boy's death was alleged to have been due to inhuman treatment.

#### Fall From Horse Fatal.

Robert Wilcox, an eighteen year old stable boy, fell from a horse at Thirteenth and O streets, Lincoln, and was fatally injured, dying from concussion of the brain shortly after.
