The valentine social at the Methodist church Wednesday evening

THE LITTLE THINGS receive the same careful attention here as things of greater importance, and the little things are doing their part in our business building. We call your attention to this little thing:—We are sending out nothing but cane sugar in filling our sugar orders. It costs us a little more, and we are selling it at the regular competitive beet sugar price, but cane sugar is better, and it is worth something to us to see that your expectation of better goods from here is fulfilled. And by the way, if you buy sugar by the sack, do it now. We had expected sugar to keep going down until it reached nearly last year's level, but are advised that it has now reached bottom for a time at least, and that it will now go up. In fact, it has advanced 20 points on the markets in the last three days. So long as our present supply lasts we will not advance one cent. We advise you to buy now.

If you use Mince Meat, we have a snap for you in "Meadow Grove" brand at three packages for 25 cents. We have a block of 50 cases of good Iowa corn, to arrive about Saturday, to sell at ten cents per can, or, by the dozen cans, for \$1.00.

The price of fresh country eggs is only 25 cents now, and we are selling country butter for 25 and 30 cents. Our price of 65 cents per peck on Sunkist Naval Oranges is selling a lot of them. They are the best oranges to be had.

Do not lose sight of the fact that we always have the best of fruit and produce. If it is to be had at all, it is to be found here. Fresh tomatoes, celery, lettuce, parsley, radishes, onions, every day now. Parsnips, carrots, turnips, cabbage and sweet potatoes are all in demand, and we have them all. In apples, our choice Jonathans at \$2.00 per box are a bargain.

Mallery's for Quality Foodstuff

With the genial Bill Elder, of Curly, running the Raleigh "dope wagon," this section of Sioux county need not want for stock and patent

The meeting of the Homestead Literary society on last Saturday evening was interesting and instructive, with President Carey Johnson in the chair. The question for debate was, "Resolved, that it requires more fortitude to render a decision than to acquire wealth," the decision being given to the negative. At the next regular meeting on Saturday evening, March 23, the question will be, "Resolved, That the cow is of more value than the horse."

Your correspondent was in Mareland this week, and "ate dinner" at the new Farmers' Co-Op. store, with the indefatigable Ora Phillips as head waiter, to minister to our appetites. Ora says they're going to cut down the high prices of "groceries and such" mighty soon, and we're sure glad of it, for heaven knows the prices over there, and in Hemingford have been too high for the ordinary homesteader's pocket-book for a long, long time, and everybody in these parts will watch with keen longing for Ora to "make good."
