

OPPORTUNITIES IN SOUTHERN FARMS

THE CLUB HAS NO FARMS TO SELL

WE HAVE NO AXES TO GRIND

Show by the Great BUSINESS MEN'S CLUB OF MEMPHIS

This is a citizens' movement, to furnish information by the distribution of selected publications like the Magazine, "The South Today" and other reliable literature, to induce the farmer to come to the Memphis district, where he can purchase land of deep alluvial richness, on which can be grown from two to five crops a year.

This is the land of health, good roads, good schools, and out of door work the year round, where Cotton is worth \$7.50 per acre, Corn \$2.00, Hay \$1.00, Potatoes \$2.00, Strawberries \$5.00, etc. We have the best produce markets in the world.

The low priced rich lands in the Memphis district will advance rapidly. No such values exist in any other portion of the country. Send for "The South Today" and other literature free, send right now.

Quite a number of people went up to Reno Wednesday evening to attend the valentine social given by the ladies of the church.

One of the fastest basket ball games of the season was played on the local floor here Friday evening between the two teams of the city, the score ending in favor of the first team—16 to 12. After the game the boys had arranged for a basket supper, which was served, and also a short entertainment was given, in which Miss Beulah Smith of Alliance favored us with a reading. After all voted a good time, they returned home.

Reno was well represented at the basket ball game Friday evening.

Under the supervision of Dr. Faulk he is doing very nicely. He was taken to Mitchell last Wednesday, where he could be near the doctor. With the exception of a great deal of pain he is doing as well as can be expected of one of his age.

The dance at Plainview Saturday evening was well attended and every one reported a good time, much to the satisfaction of the young ladies. Their leap year dance was well attended one week before, but a few of the young men who perhaps were overlooked or there were not enough girls to go around, failed to get invitations, so they sought to break up the dance by getting drunk and using some very profane language, and behaved in such a manner that the floor manager decided the place for them was outside.

The following obituary of Mrs. Elizabeth Squibb, who died in Marstrand on the 10th of this month, is taken from the Marstrand Tribune of last Friday:

Elizabeth Fox was born in Cobleskill, Schohar county, New York, Aug. 4th, 1834, was married to Adam Edward Squibb in December, 1855, and died in our city February 10th, 1912.

"Smooth the locks of silver hair, On our mother's brow with tenderest care.

Gather the robe in final fold Around the form so still and cold; Lay on her bosom, pure as snow, The fairest, sweetest flowers that grow.

Kiss her and leave her our heart's delight; Her pain is over she sleeps to night."

She died at 2:20 Sunday morning. Funeral services were held at the M. E. Church after which all that was mortal of this old mother was tenderly conveyed to our Silent City, by the side of a devoted husband she rests in peace. The deceased was the mother of twelve children, six of whom are left to mourn her death. They are as follows: Mrs. Thomas Saul, Fargo, N. D., Mr. Jno. Squibb, Ida Grove, Ia., Mr. Ellsworth Squibb, Marstrand, Nebr., Mr. Thos. Squibb, Moffat, Nebr., Mrs. Laura Hunsaker, Marstrand, Nebr. and Mrs. Armeta Clark, Marstrand, Nebr. Rev. DO YOU WANT MORE NEIGHBORS ?

It has been some time since I asked you to send me the names and addresses of your Eastern friends that I might send them literature describing the chances to get cheap farm lands in your locality that will soon very materially increase in value.

All reports now indicate that the mountains are full of snow insuring plenty of water for the irrigated lands, and the great level plains that are known as Mondell lands are also well covered with snow, insuring a good condition of the ground in the early spring, and it would seem that this year will be an opportune time to attract new settlers to your locality.

It will only cost you a few moments thought and a postage stamp to send me the names and addresses of a dozen or more of your Eastern friends, and it may be worth many times that to you to have more neighbors.
