There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. **HALL'S CATARRH CURE**, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 15 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. **HALL'S CATARRH CURE**, Solely by Druggists. Address F. J. CHENEY & CO., Toledo, Ohio. Take Hall's Family Pills for constipation.

HOMESTEAD

Please, Mr. Editor, if your operator can't read my writing, or your proof reader can't read proof "clean," send my items back to me. Last week our notes were so disfigured that even a Hemingford lawyer couldn't straighten them out. (Our Homestead correspondent sends us a nice batch of news each week, but we have been thinking of employing a Philadelphia lawyer to help us decipher his penmanship.—Editor.)

Mrs. A. D. Weir has been suffering with bronchitis the past week.

With the longest, hardest winter in the history of the white man in this country just passed through it is with much thanksgiving that we can write of no serious sickness, or deaths among our neighbors, and very little loss of stock, although the hardships to the people and the shortage on feed for stock have been enough to threaten us all with nervous prostration.

An interesting time was enjoyed at our literary Saturday night listening to the young people less than twenty years old debate on the value of the cow against that of the horse. The cow won over all arguments.

Rob. Spoon and family spent the day with Charlie Hiser's family on Sunday.

"The Slouxs" were in Marsland on masse last Friday and Saturday, and on Saturday hauled our new neighbor, W. A. Rider, who has bought the Mrs. Miller place, out to his new home. Mr. Rider comes from Burns, Wyo., bringing with him 2 cars of household goods, farm implements, live stock, etc. and it was something of a sight to see the caravan of nine heavily loaded wagons plowing its way thru the deep snow, led by J. W. Scott, with his boy Glen bringing up the rear with the cattle. John Ryan, L. M. Hawkins, Oliver and Glen Scott, Charlie Hiser, J. W. Scott, Joe Romer, A. D. Weir, Mr. Black, a cousin of Mr. Rider, and Mr. Rider himself made up the party. All behaved themselves fairly well in town except Brother Scott. After stopping the Richey Hotel, "The Slouxs" indulged in other pastimes well into the night of Friday night, chiefly loading their wagons for their return trip to their tepees. We feel sure that Mr. Rider and his wife and two little girls, will form a strong factor in our neighborhood, and gladly welcome them among us.

Six mosquitoes can hum around and make things uncomfortable for three hundred people. It is a great pity when mosquito members get into a neighborhood.

The place in which one does not live is always the pleasantest; the neighbors one does not have are the easiest to get on with; the people one does not know are the most agreeable; the church to which one does not belong is freest from the things that vex and perplex. Somewhere and something else is always better until one gets there—and tries it. Hence constant change without satisfaction.—Missions.
