"The very style that was made for me"

WHEN a delighted customer makes this remark about the coat or suit we have shown her, she pays the highest compliment that a designer or a store can receive

We hear it often in regard to WOOLTEX garments. For these masterly creations are designed and tailored with such consummate skill and fashion knowledge that they seem made to a woman's own order.

We are showing a selection of the choicest productions for the season in coats, suits and skirts.

See them today.

**TRACK AND TRAIN**

Train Master D. J. Nelson had business on the high line nearly all of last week.

Miss Dorothea Hoag of Young's office has been off this week with a very severe case of tonsillitis. She is slowly recovering and hopes to be able to report for duty next Monday.

Brakeman John Castle was laying off this week on account of the sickness of his wife.

Station Agent J. B. Kennedy of Hemingford was a passenger to Omaha on No. 44 last Sunday. He went to consult a specialist in regard to his leg which was broken October 29, 1911, and is still giving him trouble.

Miss Edna Bullock, office attendant in Dr. Bellwood's office, is taking a short vacation. She expects to make a trip to Norfolk, Columbus and Ravenna.

The marriage of Mr. George Young of Marsland came as a great surprise to his many Alliance friends. George has been in Alliance several times since but did not tell his secret. The following is a clipping from a Denver paper: "Married at Denver, Colorado, Dec. 31, 1911, Mr. George Young of Marsland, Nebraska, and Miss Myrtle Hackenberry of East Waterford, Pa., the Rev. Dr. Elder of the First Presbyterian church officiating."

The third of the Lenten teas given by the ladies of the Episcopal church will be given at the home of Mrs. J. A. Armour Thursday afternoon.

Brakeman Ash returned Tuesday from a three weeks' vacation spent in eastern Nebraska.

Conductor Arthur Pickett has been laying off this week. Owing to slack business Pickett is on Bullock's car as rear brakeman.

Passenger Brakeman Robert Monfort has been off several days on account of sickness.

The trains on Monday were about nine hours late on account of No. 46 being stuck in the snow near Kara, west of Newcastle. No. 44 had to wait at Kara, and No. 41 at Upton. The snow plow was at Morecroft so men had to be sent to dig No. 46 out.

Passenger Conductor Zollinger and Freight Conductor John Leidtka were in Deadwood this week on business.

Last Sunday No. 42 ran through an open switch at Waco and struck the way car of a freight, completely demolishing the way car. A colored porter was the only person hurt on No. 42.

Mrs. D. Fitzpatrick went to Omaha Sunday. On Tuesday she returned accompanied by Miss Agnes Rowland, who has been in the hospital for the past three weeks. Her many friends are very glad to have Miss Rowland at home again.

Machinist Ed Fagen has resigned and with his family has moved to a farm near Aurora, Nebr.

A sneak thief went through the pockets of Engineer Pete Rowland at Seneca last Saturday night and stole his pocket book and nine dollars in money. He was sleeping in the bunk house. A man who would do such a thing is on a level with the boomer who tells the hard luck story of a sick wife to beat his bills.

Mr. and Mrs. E. R. Morrison came in last Saturday morning from Lincoln. Mr. Morrison had been in Chicago on company business. Mrs. Morrison had gone to Lincoln to visit relatives and meet Mr. Morrison.

Mrs. U. N. Hoskins came in on delayed No. 41 Sunday morning from

Lincoln, where she had been for the past week visiting relatives.

A card from J. T. Hughs, at one time a brakeman here, says that he and Former Brakeman Tragasser are in Long Beach, Cal. He says they are having a fine time but to keep the latch string on the outside as there is no telling when they may feel the call of the sand hills in old Nebraska.

Brakeman Fred Vaughn has taken a thirty days' layoff and will go to the Pacific coast, and from there to Canada. He will leave here March 18. On Monday he went to Ravenna for a visit with his brother, Frank Vaughn.

The engineers who took a pleasure trip to Canada some time ago have returned. N. T. Shawver and E. B. Holman are in Alliance. George Bell went on to Galesburg, where his family are visiting.

Galesburg may be an all-right place to work, but one of the Alliance men sent back to one of our leading clothing stores for his spring suit. He couldn't find anything there that suited him half so well.

Passenger Brakeman Weidenhamer is planning on a trip to the home of his parents in Galesburg as soon as a man shows up to relieve him.

Mrs. G. A. Hildebrand of Crawford is visiting in Long Pine, Nebr. Mrs. Hildebrand has a beautiful voice and has been kind enough to sing for the revival meetings being held there.

W. H. Corey, formerly yard master at Edgemont, has accepted a position in the yards here.

Mrs. Charles Olson of The Dalles, Oregon, is in Alliance, being called here by the serious illness of her father, Mr. Baker. Charley Olson was for some time a freight conductor here but is now on the Oregon short line. He has had steady work on a work train all winter.

**BRAKEMAN INJURED**

Tuesday, at Marsland, Brakeman F. E. Hunsaker, in stepping off an engine, slipped and sprained his ankle. The report came to Alliance shortly after the accident happened that he was fatally hurt but we are glad to learn that his injury is not a very serious one. Mr. Hunsaker is a nephew of Chief of Police Hunsaker.

**REGISTERED SHORT HORN**

Box Butte County Farmer Raises Full Blooded Cattle

As will be seen in our Berea items this week, Charley Calmer arrived from Madison county last Saturday and moved on to the O. H. Sundermann farm northeast of Alliance. He brought a thoroughbred bull from the herd of Walter Sundermann of Madison for P. J. Knapp.

Mr. Knapp already had fourteen full blood short horns, besides other cattle, and the animal brought by Mr. Calmer makes a fine addition to his already valuable herd.

**A GOOD LINCOLN DAY PROGRAM**

The program used in the observance of Lincoln Legion Day at the U. P. church on Sunday, February 25, was a good one, and deserving of some mention, which it did not receive last week. There was a good attendance, which was, of course, an encouragement to those who took part in the exercises. The first part of the program was Scripture reading alternately with the classes. The second part was made up of children's speeches, one number being a dialogue by one of the smallest classes. The third part of the program was a chart talk on temperance. This was followed by the classes going to their usual places and most of them signing the pledge.

**THANKS TO D. OF I.**

The Sisters of St. Joseph's hospital desire to express their thanks to the Daughters of Isabella for sewing done, and for reading matter furnished last week.

**MOTHER ROSALIE.**

**DEGREE OF HONOR**

The ladies of Degree of Honor lodge will meet in their hall Thursday evening, March 14th, at 7:30. All members are urged to be present as important business is to be transacted.

Mrs. Engstrom, who is here from Chicago participating in the Woman's Presbyterial, will lecture tomorrow (Friday) night in the First Presbyterian church at 7:30. All who have heard Mrs. Engstrom will desire to
