Pale-faced, weak, and shaky women—who suffer every day with womanly weakness—need the help of a gentle tonic, with a building action on the womanly system. If you are weak—you need Cardui, the woman's tonic, because Cardui will act directly on the cause of your trouble. Cardui has a record of more than 50 years of success. It must be good.

E 60 Take CARDUI

The Woman's Tonic

Mrs. Effie Graham, of Willard, Ky., says: "I was so weak I could hardly go. I suffered, nearly every month, for 3 years. When I began to take Cardui, my back hurt awfully. I only weighed 99 pounds. Not long after, I weighed 115. Now, I do all my work, and am in good health." Begin taking Cardui, today.

Very Serious

It is a very serious matter to ask for one medicine and have the wrong one given you. For this reason we urge you in buying to be careful to get the genuine—

THE FORD'S BLACK-DRAUGHT Liver Medicine

The reputation of this old, reliable medicine, for constipation, indigestion and liver trouble, is firmly established. It does not irritate other medicines. It is better than others, or it would not be the favorite liver powder, with a larger sale than all others combined.

PILKINGTON-HEDGECOCK

Popular Box Butte County Young People United in Matrimony

It is a pleasure for us to record for publication the wedding of two young people who are well and favorably known in this city and county. At the home of the bride's parents, Mr. and Mrs. John Pilkington, at six o'clock, Monday evening, March 25, 1912, Mr. Ole Hedgecock of Hemingford and Miss Frances Pilkington of Alliance were united in the holy bonds of matrimony, Elder G. W. Berry of Angora, Nebraska, officiating.

The wedding was a quiet affair, as is usually said of such occurrences when only a few guests are present. Besides the contracting parties, the family of the bride and the officiating clergyman, there was present Mrs. Ray Hoag, a friend of the bride.

The groom has resided with his parents in the northern part of Box Butte county for much if not all of his life. He is well known as an upright young man. The bride was for several years saleslady at Miller Brothers' furniture and china store, and there became acquainted with a large number of persons, all of which she numbers as her friends. She is an estimable young lady and held in highest esteem by all who know her.

The Herald extends heartiest congratulations and wishes for a long and happy married life.

The newly married couple left on the early morning train following the wedding for Portland, Oregon, where they will reside and where Mr. Hedgecock will engage in business.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known for the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENTY & CO., Toledo, O. Sold by all Druggists. Take Hall's Family Pills for constipation.
