Wall Paper

Decorative art—like music or
 drawing—reaches its fullest expression
 in the hands of those naturally
 gifted in that direction.

Though some may acquire an
 understanding of the fundamental
 principles—arrangements, harmony
 and contrast—their efforts lack the
 grace and symmetry of design and
 purpose so apparent in others.

Interested parties are invited
 to inspect my work.

**Unsettled Questions
 Are Best Decided by Telephone**

When questions of doubt
 arise regarding business
 deals or market prices in distant
 cities, the telephone is
 always the ever-ready messenger
 of communication.

Fifty thousand American
 cities and towns are bound
 together by 12 million miles
 of Bell Telephone wires, connecting
 six million subscribers
 throughout the country.

Telephone Convenience Far Exceeds Its Cost.
