**PEOPLE SHOULD GUARD
AGAINST APPENDICITIS**

Alliance people who have stomach
and bowel trouble should guard
against appendicitis by taking simple
buckhorn bark, glycerine, etc., as
compounded in Adler-Ka, the Ger-
man appendicitis remedy. A SIN-
GLE DOSE relieves sour stomach,
gas on the stomach and constipation
INSTANTLY because this simple
mixture antiseptifies the digestive
organs and draws off the impurities.
Harry Thiele, Druggist.

Women!
If weak, you need **Cardui,**
the woman's tonic. Cardui
is made from gentle herbs,
acts in a natural manner,
and has no bad results, as
some of the strong drugs
sometimes used. As a medi-
cine—a tonic—for weak,
tired, worn-out women,
Cardui has been a popular
success for over 50 years.

E 57
Take CARDUI
The Woman's Tonic
Mrs. Lula Walden, of
Gramlin, S. C., followed
this advice. Read her let-
ter: "I was so weak,
when I first began to take
Cardui, that it tired me to
walk just a little. Now, I
can do all the general
housework, for a family of
9." Try Cardui for your
troubles. It may be the
very remedy you need.

**What is Your
Time Worth?**

I F your time is worth more
than fifteen to twenty cents
an hour, you can make an
I H C gasoline engine pay for
itself in a very short time.
Many farmers have written us
that their I H C engines paid
for themselves in cash, to say
nothing of the hard work saved,
the first year. How?

**I H C
Gasoline Engines**
have no specified working
hours. They are ready for any
work within their capacity, at
any time. They require little
attention, and that of the sim-
plest. They make no strain on
your time, temper or pocket-
book. Get an I H C catalogue
or see your local dealer and find
out what ten cents' worth of
gasoline will do, working in a
thoroughly tested general pur-
pose I H C engine. Made in
every style and in 1 to 50-horse
power sizes. Kerosene-gasoline
tractors, 12 to 45-horse power.

BAPTIST CONVENTION

Report of Northern Baptist Con-
vention Held at Des Moines
Received too Late for
Publication Last
Week

EXTRACT FROM THE REPORT

After his return from the Northern
Baptist convention, held at Des
Moines, May 22 to 29, Rev. Geo. A.
Witte very kindly furnished The Her-
ald with a report for publication. We
regretted that the report was not
received in time for publication in
last week's issue. Following is an
extract from the report, which still
will be of interest to many readers:
Many people were in attendance
at this convention, and especially all
of the ministers from the north, the
northeast and west.
Many questions of vital interest
and importance to Baptists and to
the people in general were taken up
and considered. Among them were
such as the Indian affair in Oklahoma,
the separation of church and state,
the temperance question, the ques-
tion of marriage and purity, and
many others of lesser importance.
The motto of the convention and
Baptist leaders today is, "Not more
Baptists but a better class". The
reason that the work in the world is
not progressing as it did in days gone
by is due to the fact that Christians
have forgotten the Bible and the
family prayer and altar. Dr. Chal-
mers, president of the national Baptist
Young People's Union, says,
"The home has been robbed today of
the most precious thing in it, the
family altar, and the greatest dan-
ger besetting our young people comes
in the home."
According to Dr. Stackhouse, who
has traveled over these United
States for a number of years and
noted conditions, "There is a
great call for men, and especially for
a man in our political field. Our
social schemes or reforms will never
solve the problems of today until the
Spirit of Christ is manifest in those
schemes and reforms." The answer
to every difficulty in this land is
the same, Jesus Christ. We need to
get back to God and abide by His
word as the final authority in all
things. His word applied will solve
all problems, nothing else can or
will.

SUNDAY AT FAIRVIEW

Interesting Services at the "Little
White Church on the Hill",

W. C. T. U. PROGRAM SUNDAY

The wide-awake people of the
Fairview neighborhood are much in-
terested in the Sunday services held
at the church. It is a pleasure for
us to publish their announcements
and programs. Recently a Children's
Day program was omitted from The
Herald by mistake, very much to our
regret.

Below we give the W. C. T. U.
program for next Sunday, and an un-
usually interesting item about last
Sunday's service:

Program

Roll Call from Frances E. Willard
text cards.

of Pansy Poems".

Miss Washburn's Visit
Rev. Washburn was accompanied
last Sunday, June 9, by his daughter,
Miss Aurilla, a graduate of the Lucy
Ritter Meyer training school for
Missionaries and deaconesses. She
spoke to us on the subject, "What
Constitutes a Call", giving some of
the urgent needs of the Missionary
fields. Miss Washburn goes to the
Philippines in the fall, as her place
of service and we wish her God-
speed in her work.

NEWSPAPER ANNOUNCEMENT

There never was such a time in
the history of this country for news-
paper reading, and it is important to
read a paper of impartial views—one
that is free from any office-seeking
or office-holding influences. The im-
portant thing to a great newspaper
like The Lincoln State Journal is to
get trial readers, as it has no trouble
holding them by its quality. The
cheapest way to get new readers is
to make a special price, which we
now do—only \$2 for the daily and
Sunday paper until January 1, 1913
—much less than the regular price.
At that time the paper will stop com-
ing unless you order it continued and
pay in advance for it. You really
cannot afford to be without this cap-
ital city paper when you can secure
it at such a price. Send \$2 to the

Lincoln State Journal today and the
paper will come to you regularly the
remainder of this year. It will be a
lively year, too.

**Reaction in Cattle—Generally
Ten Cents Higher.**

HOGS OPEN STRONG, CLOSE OFF

Lamb Trade Very Draggly, the Supply
Consisting Largely of Grass Stock.
California and Oregon Furnish Good
Supply—No Feeder Market Exists.
Union Stock Yards, South Omaha,
June 10.—As was generally expected
the week opens out with a very light
run of cattle, about 2,350 head arriv-
ing. Prices averaged fully a dime bet-
ter than the close of last week. A
choice bunch of 1,440-pound heifers
brought \$8.90, while stillers brought
\$8.55. There was also quite a little
improvement noticeable in the demand
for cows and heifers, as well as in
the prices paid for them, mostly 10¢ to
15¢ better than last week. Veal calves
were in vigorous demand and bulls,
stags, etc., sold in much the same
notches as toward the latter part of
last week. Prices for stock cattle and
feeder steers seemed to rule fully
steady or perhaps strong on the few
cattle that changed hands.
Quotations on cattle: Choice to
prime beefs, \$3.50@9.00; good to
choice beefs, \$8.00@8.40; fair to good
beefs, \$7.50@7.90; common to fair
beefs, \$6.50@7.35; good to choice
heifers, \$6.75@7.50; good to choice
cows, \$5.75@6.75; fair to good grades,
\$4.50@5.65; canners and cutters, \$3.00
@4.25; veal calves, \$1.50@3.75; bulls,
stags, etc., \$4.00@7.00; choice to
prime feeders, \$6.25@6.75; good to
choice feeders, \$5.25@6.25; fair to
good feeders, \$4.75@5.25; common to
fair feeders, \$4.25@4.75; stock cows
and heifers, \$3.50@4.85.
Hog receipts amounted to about 8-
290 head. Trade opened steady to
strong, but closed weak. Best heavy
hogs landed at \$7.60, identical with
Saturday's top, while spreads between
bacon and smooth butcher classes
were poorly defined within \$7.35@
7.50. If anything, the range in values
was a trifle wider than recently, com-
mon lights and extra good heavies sell-
ing about 40¢ apart.
Receipts of sheep and lambs
amounted to about 7,300 head. Lamb
trade in general ruled slow to some
lower. California lambs sold at \$8.50,
with Oregon wethers, minus fleece, at
\$4.75. Only a small band of medium
quality fed stock moved over the
scales. Practically all the grassers re-
ceived were fat and with nothing suit-
able for feeding among the corn-belt
crossings. No business in this branch
of the market was reported.
Quotations on shorn sheep and
lambs: Lambs, good to choice, \$7.50
@8.00; lambs, fair to good, \$7.00@
7.50; wethers, \$5.75@6.25; wethers,
\$5.25@5.75; ewes, \$4.75@5.40.

worth.

dicted.
Messrs. John Becker, Will Country-
man and William Chase were visit-
ors at the home of Wm. Breckner
Sunday last.
Many were the people that attend-
ed the dance at the home of Miss
Della Breckner last week some
came for many miles north and south
of Bingham. Thanks to them, Mu-
sic was furnished by Clyde Faurdick
and Thomas Hale. It was some of
the best.
Miss Stella Green in visiting at
the home of J. H. Willey.

vices are far in advance.

turned to assist Grandmother Ren-
tro with her household duties.

maha for medical aid.
J. T. Newton branched his spring
crop of calves the twelfth. The help-
ers present were Glen Yaunay and
F. W. and G. H. Breckner.

iance Tuesday.
Mrs. A. Blane went to Lincoln on
June 11th.
