Obituary

John P. Weinel died at the Nicholas Senn hospital, Omaha, Neb., Sunday, June 16, 1912, his death being due to heart disease.

He was born August 17, 1880 in Germany, and at the date of his death, was 31 years, 9 months and 29 days of age.

His family came to this country in 1884 when he was four years old and first settled in Marshalltown, Iowa, then in 1886, two years later, moved to the then sparsely settled county of Box Butte, being one of the first families to settle in this part of the country, before churches, schools or towns were known, the nearest town then being Hay Springs, Nebr.

They then took up their homestead 10 miles northwest of what is now the town of Alliance and this has been their home since that time.

June 7, 1886, the mother of this family, Mrs. Margaret Weinel, passed away, and, as no cemeteries were then established, the remains were interred on the homestead.

The younger members of the family have grown to manhood and womanhood in this community, and, as has been shown by the spontaneous and heartfelt sympathy extended to them in the last days of this departed brother, this family has one and all won the respect, not only of their friends and neighbors, but of all those with whom they have come into contact.

The death of Mr. Weinel came as a sudden shock to his relatives and many friends, as up to one week ago, there was no serious thought attached to his illness.

He came to town with his father Saturday, June 8th, and not feeling very well, decided to stay in town a day or two, and until advised by phone message from him the following Thursday that he was not feeling well, no particular apprehension was felt in regard to his health.

His brother, Peter D. Weinel, came to town in response to his message and as a lower climate had been recommended for his trouble, they decided it was best for him to go to Omaha and the two brothers left Alliance that night going to the Nicholas Senn hospital there. There were no alarming symptoms there up to a short time before his death occurred as he was conscious practically to the end and when the end came, Sunday noon, June 16th, he had apparently just fallen asleep.

He leaves to mourn his loss, his father and stepmother, two brothers, Peter D. and Fred Weinel, and one sister, Mrs. Carl Kohrman.

Deceased was a member of the local lodge of Oddfellows, and the funeral services were in charge of the members of this organization, who accompanied the remains to the Methodist church where the funeral service was conducted by Rev. O. S. Baker Wednesday afternoon at 2:00 p.m., and from there to Greenwood cemetery to the last resting place of the deceased.

CARD OF THANKS

To the many friends who assisted and sympathized with us in our affliction we wish to extend our sincere thanks. Especially to the Odd Fellows and other friends who showed their sympathy by their kindness we wish to express our appreciation.

JOHN WEINELL AND FAMILY.

CONDOLENCE

Alliance Lodge 168 I. O. O. F. wish to record their deep sense of loss in the death of our beloved brother, J. P. Weinel, and extend their tenderest sympathy to his bereaved relatives. Let us all live so that each day might well be our last.

Bronze Lamp Posts at Lincoln Are in Form of Corn Stalks.

WAIT EXAMINES GRANITE.

Finds From Investigation in Chicago That Quality of Stone Furnished for Monument is Same as in Best Buildings There.

Lincoln, June 24.—Two bronze lamp posts for the Abraham Lincoln monument have arrived for the foundry. They are in the form of a stalk of corn and cost \$1,500. Two barrels of glass globes accompanied the posts and will compose a part of the ornamental work about the monument.

While in Chicago Secretary of State Wait examined some large pillars in the People's Gas company building in that city, which are from the same quarry as the granite used in the Lincoln monument, and while a local paper pronounced of an inferior quality on account of some dark spots appearing in the stone. Mr. Wait discovered that the same kind of dark spots appear in the Chicago building where some of the same kind of granite is used, and was told by competent authority that these dark spots make the granite more valuable than it otherwise would be. The same kind of criticism was made by citizens of the Windy City when they discovered that the stone was more valuable on account of the spots than it otherwise would be.

While it is not known, it is possible that the dark spots were caused by cannon balls fired from the British ships in Boston harbor at the time of the battle of Bunker Hill, which struck the granite, making the dark spots. Since that time these small stones may have grown to huge boulders, from which the granite blocks were blasted. This is what makes black spots so valuable.

Capital Stock Validated.

By a vote of two to one, the state railway commission has validated the \$29,000 of capital stock of the St. Edward Electric company and authorized the company to issue \$13,000 in bonds. Commissioner Hall voted against the order. Mr. Hall gave as his reason for the negative vote that he desired a complete inventory of the property of the company and did not want to accept the statement of the company as to its physical valuation nor the report of one of the commission engineers, who had checked the report and computed the value on a basis of current prices without making a personal investigation.

Company Dismisses Suit.

The injunction suit of the Minneapolis Cereal company against Governor Aldrich and the pure food commission has been dismissed upon motion of the company. This is a suit which was brought to test the legality of a portion of the pure food act regarding the placing of gifts of all kinds in packages of food products, the state claiming this a violation of the law. The case was never tried, but has been dismissed under the agreement that if the law was tested it should be made in some other way.

Hansen Returns.

Food Commissioner Hansen returned from a business trip to Kansas City, where he went to confer with certain mail order houses which were shipping goods into the state against the pure food law. Mr. Hansen says that the houses agreed to be more careful in the future and would endeavor to live up to the pure food law of Nebraska. The commissioner did not go to Chicago, as was his intention, stopping instead in Atchison and St. Joseph to consult with parties there in reference to a more careful observance of the Nebraska law.

Guard May Not Go.

That the national guard may not be permitted to attend maneuvers at Cheyenne, Wyo., or hold a state encampment is the proposition which confronts the adjutant general's office at this time. The veto by President Taft of the army appropriation bill because of "riders" attached to it which he did not approve, may result in a lack of funds unless congress should do something along the line before adjournment.

Ryan and Pivonka Must Stand Trial.

John L. Ryan and Joseph Pivonka, fire and police commissioners of South Omaha, must stand trial under the ouster proceedings brought against them under the Sackett law. The supreme court overruled their objections to jurisdiction, held the 1912 election in South Omaha to be invalid and appointed Judge Holcomb as referee to hear the case.

Water for Prison.

Water has been struck at the penitentiary new well at a depth of thirty-two feet. About six feet of water is now in the well, which has been sunk about six feet below where the flow began. The water was struck in gravel, which indicates by the smoothness of the stones a good flow.

Piper Elected Secretary.

Clerk Piper of the board of charities and correction returned from Cleveland, where he attended the annual meeting of the national association. He was elected corresponding secretary of the national organization, which will hold its meeting in Seattle next year.

REV. SNELL DIE SUDDENLY

Cambridge Preacher Drops Dead While Standing in Pulpit.

Arapahoe, Neb., June 24.—Rev. Levi Snell of Cambridge dropped dead in his pulpit while preaching at Roberts school house, northeast of Arapahoe. He expired while uttering an incomplete sentence. A physician was called, but it was his opinion that death was instantaneous. Mrs. Snell was in the congregation and had her husband removed to the home of A. Mishler and sent for her son at Cambridge. Rev. Snell was a prominent pioneer of this section and filled a semi-monthly appointment at Roberts school house, where he preached to a Dunkard congregation. He was about sixty years old and in the early days was a successful auctioneer for western thoroughbred sales.

NO TRACE OF SPICER

Defaulting Cashier of Shelton Bank is Still Missing.

Shelton, Neb., June 24.—E. H. Spicer, cashier of the Shelton National bank, is still missing and no trace of him has been found since he was seen in Lincoln Thursday, when he left his automobile and boarded a train. Bank Examiner Nicholson is still checking up the accounts and the exact amount of his shortage has not been given to the public. The business of the bank will not be affected in the least by this theft, every dollar having been replaced by Spicer's father, who is wealthy and lives at Hastings, Neb. Spicer had a large circle of friends here, who are wholly at sea as to what became of the stolen thousands.

BOLT KILLS MRS. HEADLEY

Two Others Seriously Injured When Lighting Strikes Wagon.

Curtis, Neb., June 24.—During a thunderstorm north of here, Mrs. T. J. Headley was instantly killed and her husband and Mrs. L. J. Headley seriously injured.

The Headleys, who had been in town with a team, left for home, eight miles north of here, proceeding about six miles when a thunderstorm came up. The three were sitting on one seat.

There was a blinding flash of lightning, which evidently struck and killed both horses and followed the wagon pole. It then passed to the occupants, killing Mrs. T. J. Headley and rendering both of the other occupants of the wagon unconscious. An hour later they were found by a neighbor, who was passing.

Farmer is Drowned.

Shelton, Neb., June 24.—Edward Omev, residing two miles from Shelton, was drowned in a pond along the Loup river and the body was recovered an hour afterwards. Omev, together with a son and brother, had gone on a fishing trip and he had waded into the pond to get a pipe which had been dropped into the water. The water was ten feet deep and he became tangled in some barbed wire and his companions were unable to assist. He was about forty years old and a farmer and leaves a family in very moderate circumstances.

Golden Wedding Celebration.

Auburn, Neb., June 24.—R. Corryell and Miss Sarah Carl were married at Jamesville, Wis., fifty years ago and have just celebrated their golden wedding at Brock, Neb., in this county. They had invited the three children and their families to spend the day with them, but were surprised when they came bringing with them 150 friends. The home was too small to entertain so large a crowd and the entire party adjourned to a public hall.

Admits Burglary Charge.

Central City, June 24.—When arraigned before Judge Peterson, Herbert Barry, who was taken into custody while attempting to rob a hardware store, pleaded guilty to the charge and was bound over to the district court. It is thought that he may not have to wait until the regular term, but that the judge may hold a special session and pronounce sentence.

Dry's Win Suit at Table Rock.

Table Rock, Neb., June 24.—In the district court at Pawnee City Judge Raper decided for the "drys" in the petition of Norris Aylor for a saloon license at Table Rock, which was recently granted by the village board, from where an appeal was taken to the district court of Pawnee county.

Woman in Unconscious Condition.

Harvard, Neb., June 24.—Thursday afternoon Miss Alice Dunn, living at the home of Theodore Griess, was found in an unconscious condition, from which she has not yet recovered. Her condition is similar to one in a heavy sleep and she cannot be awakened.

Cow Seized With Rabies.

Beatrice, Neb., June 24.—A Jersey cow, owned by Joseph Miller of Glenover, a suburb, was seized with rabies and had to be shot. She went into convulsions and before being shot tore her horns off and cut her head on the manger in a frightful manner.

Humboldt Votes School Bonds.

Humboldt, Neb., June 24.—The school election held here to vote on bonding the district for \$10,000 for the purpose of building an addition to the present school building was carried by a vote of 179 to 55. The women voters took an active part in the contest.

Explosion at Havelock.

Lincoln, June 22.—An explosion, which started the town of Havelock at 6 a. m., wrecked the store house at the Burlington shops. 1
