DESERVES PRAISE**

Harry Thiele, Druggist, deserves praise from Alliance people for introducing here the simple buckhorn bark and glycerine mix, known as Adler-ka. This simple German remedy first became famous by curing appendicitis and it has now been discovered that A SINGLE DOSE relieves sour stomach, gas on the stomach and constipation INSTANTLY. It is the only remedy which never fails.

LORIMER OUSTED

**Loses Fight to Retain Seat by
Vote of 55 to 28.**

BRIBE CHARGES HELD PROVED

**Illinois Senator Finishes His Address
and Walks Slowly From Chamber
When Lea Resolution Declaring His
Election Invalid Is Adopted.**

By a vote of 55 to 28 the United States senate took away from William Lorimer his seat as junior senator of Illinois. His election was held to have been the recipient of votes obtained by "corrupt methods and practices."

Lorimer had been a member of the senate since June 18, 1909. The first suggestion of fraud in connection with his election became public in April, 1910, when Charles A. White, a member of the Illinois legislature, swore that he had received \$1,000 as a bribe for voting for Lorimer.

The senate, by its action, reversed the majority of its own investigating committee and changed its vote of March 1, 1911, when Lorimer retained his seat, 46 to 40.

Technically Lorimer will pass out of the records of the senate as a member of that body, notwithstanding his more than three years' occupancy of his seat.

Facing his associates with the declaration, "I am ready," Mr. Lorimer sat in the chamber and heard his fate decreed as the roll call showed the adoption of the resolution of Senator Luke Lea of Tennessee, the senate's youngest member. The man who for three days had held the senate to close attention with his remarkable speech of defense, and attack upon his enemies, rose wearily from his seat and passed back to a cloak room door.

Senators and members of the house gathered about him, grasping his hand and patting him on the back. Lorimer gained only one of the men who voted against him March 1, 1911, Senator Jones of Washington; while he lost the votes of his associate, Senator Cullom, and of Senators Curtis (Kan.) Briggs (N. J.), Simmons (N. C.) and ... (N. J.).

TO CUT EXPRESS RATES

Interstate Commerce Commission Declines on Horizontal Reduction.

Washington, July 15.—Sweeping reductions in express rates, averaging in general, approximately 15 per cent; drastic reforms in regulations and practices, and comprehensive changes in the methods of operation, are prescribed in a report made public by the Interstate commerce commission of its investigation into the business of the thirteen great express companies of the United States.

Dealing with the identity of interest between the various companies, the report finds that while these companies are separate legal entities, "it is of interest to regard the fact that by stock ownership and otherwise they are so interlaced, intertwined, and interlocked that it is with difficulty we can trace any one of the greater companies as either wholly independent in its management or the agency of a single railroad system. So that while these companies operate separately and compete with each other for traffic, the express business may be said to be almost a family affair. An interesting genealogical tree in fact, might be drawn showing a common ancestry in all of the larger companies. And, while many names may be used to designate these companies, it is within the fact to say that aside from the operation of the minor and distinctively railroad express companies, the express business of the United States is managed by not more than three groups of interests."

TWO PULLMAN CARS CRUSHED

**Overland Express of Burlington Road
Struck by Fast Mail at Chicago.**

Chicago, July 15.—Thirteen persons were killed and nearly a score were injured in a wreck on the Chicago, Burlington and Quincy railroad at Western Springs, a suburb of Chicago.

Coming through a fog, with supposedly a clear track ahead, train No. 8, a fast mail, ran at full speed into the rear of train No. 2, known as the Overland express from Denver, which was standing on the track, telescoping two of the Overland's Pullman cars.

Railroad officials refused to fix the blame until after the wreck had been investigated thoroughly. Mrs. F. A. Wilcox, who was in charge of the tower from which the block signals were controlled, said she was certain the block was thrown against both trains. She collapsed after the accident and still is in a highly nervous condition.

The dead: Francis A. Barclay, Billings, Mont.; George Bronson, engineer train No. 8; Bunch, negro porter of Pullman car on train No. 2; Mrs. C. M. Hart, wife of a physician at Canton, O.; Mrs. E. G. Pohlmann, San Francisco; M. E. Stern, Chicago; G. W. Tudor, Lacey, Ia.; six unidentified.

NEW LINE TO CANADA

**Will Build Railroad From Watertown
to Canadian Boundary.**

Minneapolis, July 15.—The Minneapolis, St. Louis and Canadian Railway company, which will build a line from the vicinity of Watertown, S. D., to the Canadian boundary, was organized here by Newman Erb of New York, president of the Minneapolis and St. Louis railway; W. G. Blerd, vice president of the company; J. Wollman and H. A. Harrison, representing two New York banking firms. According to Mr. Erb, incorporation papers will be filed soon and construction probably will be begun by fall.

Immediate upon his arrival here after a trip over the line, Mr. Erb issued an order for twelve new locomotives and signed appropriations totaling \$500,000 principally for track improvement.

kins, is the same as in the campaign of 1908.

Mr. Chafin said he regarded the nomination as the greatest political honor bestowed on any man this year. He thanked the convention for his nomination and promised not to stand for a third term.

After the nomination of officers the convention was forced to rush its business to a conclusion, as many of

the delegates were leaving for their homes. Because of this the proposal to change the name of the party was not taken up for general discussion and action.

SUFFRAGIST TOURS GLOBE

**Mrs. Carrie Chapman Catt Received
by Kings; Feted at Every Stop.**

Chicago woman suffragists have received encouraging tidings from Mrs. Carrie Chapman Catt, president of the International Woman Suffrage alliance, who is on a world tour.

She is spending her own money in carrying the "votes for women" message around the globe. It is estimated that when she reaches New York on her return next October she will be \$10,000 less wealthy.

In her letters Mrs. Catt has described her trip in glowing terms. It has been a triumphal tour from the time she landed in Southampton, en route to the convention of the International Suffrage alliance at Stockholm. Few American women have been the recipients of more attention or greater hospitality. From kings and queens down to the mayors and "mayoresses" of South African towns, all have feted, dined and entertained her.

Insane Over Religion.

Perry, Ia., July 15.—Frank Leaming, a well known citizen of this county, was taken before the commissioners of insanity and by them sent to the hospital at Clarinda for treatment. He went violently insane attending a number of meetings of a "Holiness association" which was holding meetings on his farm.
